# It's Here Finally:

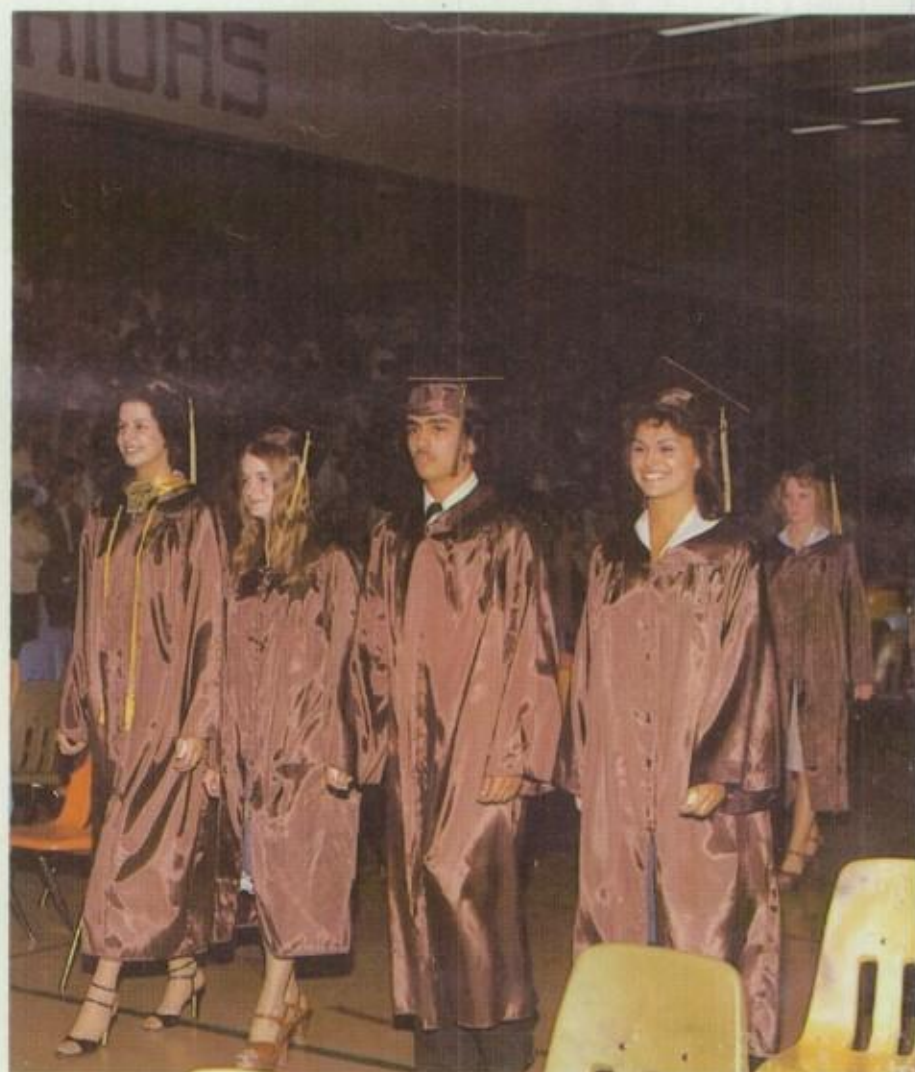

Mary Ellen Kelly shows a smile after receiving her diploma.

Jeff Stevens gets congratulated by Mrs. Pederson.

Four honor society students pose for the camera. Karen Rytleski, Chris Behmlander, Becky Baney, and Annette Dore.

Joan Casterdale, Sherry Atwater, Marc Alba, and Tracy Alba walk their final time out of Western.

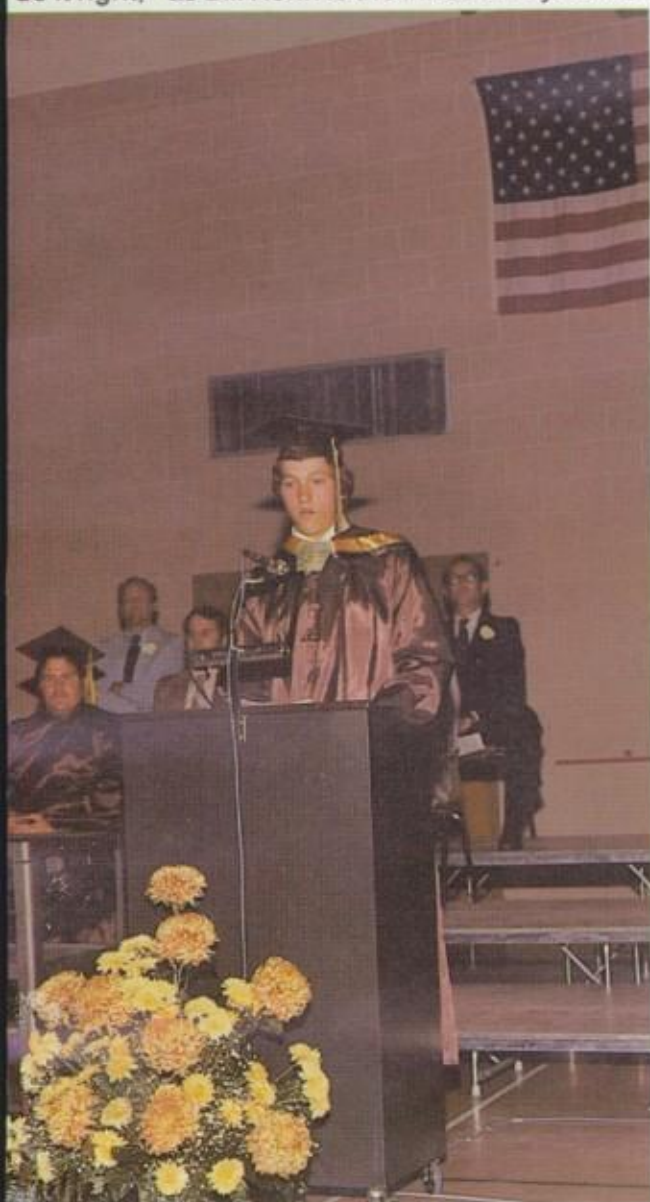

# Baccalaureate and Commencement

Tony Lupo says aside to Kelly Coates and Cindy Miller, "For once you better do it right," as Bill Kohn is the innocent bystander.

Michelle Toyzan gets greeted by Mr. Langenburg while receiving her diploma.

Senior Senator Paul Steih speaks for his class.

Kelly Coates receives her diploma from Mr. Bryant.

Baccalaureate took place on June 3, and Commencement took place on June 5, 1979. For some seniors Commencement didn't come a moment too soon, but for others it did. After Commencement students may go on to four more years of college or to a full time job, and it is a big change in leaving the security of a high school and of parents to go into a life of their own, their future. For some seniors memories of high school and of grade school may be implanted in their minds, but others may wish to forget both. Baccalaureate and Commencement are always remembered by every senior for most of his life.

# Registration Is Just

Kim Franz and Beth Alarie wait to receive their schedules.

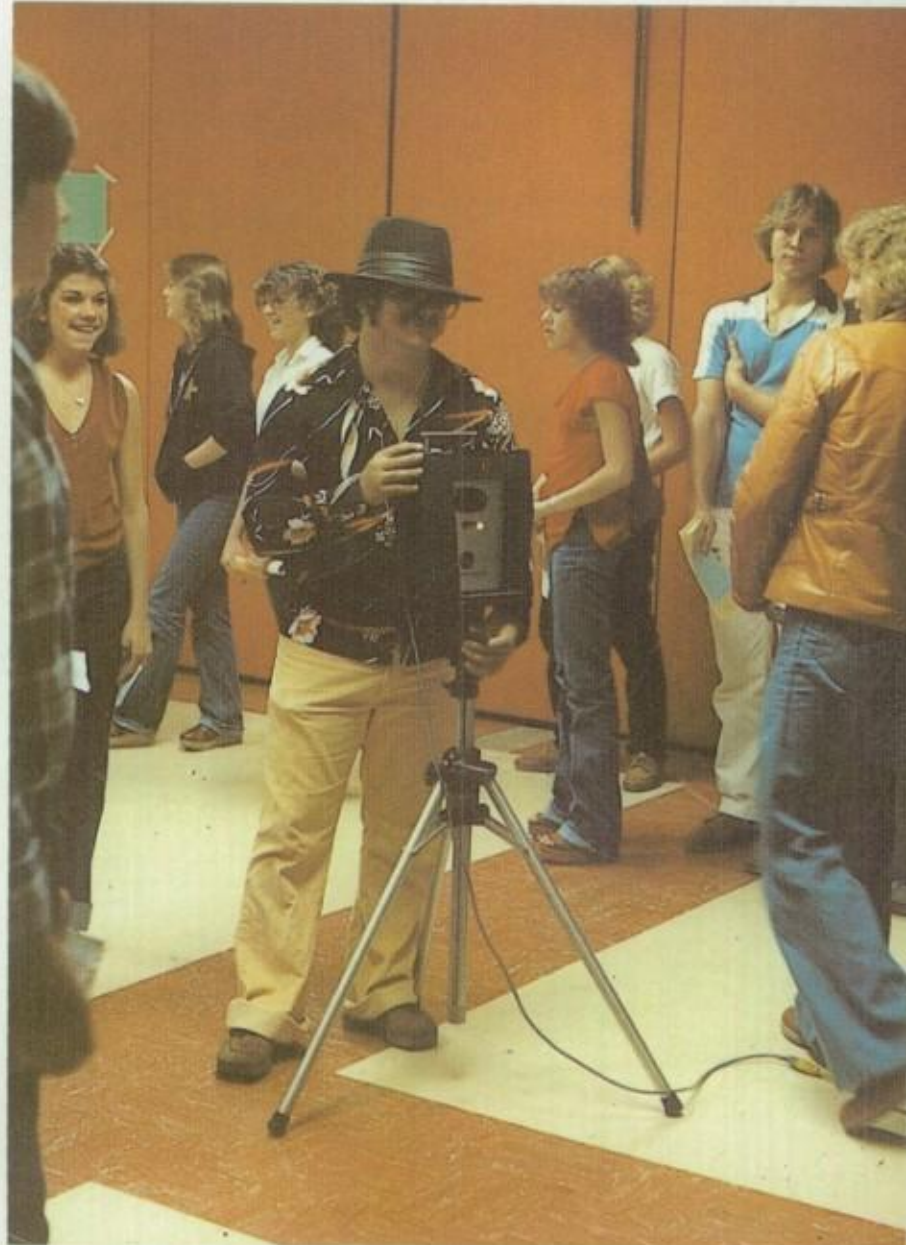

Sue Braun and Terri Dubke order yearbooks from Mrs. Wilhite.

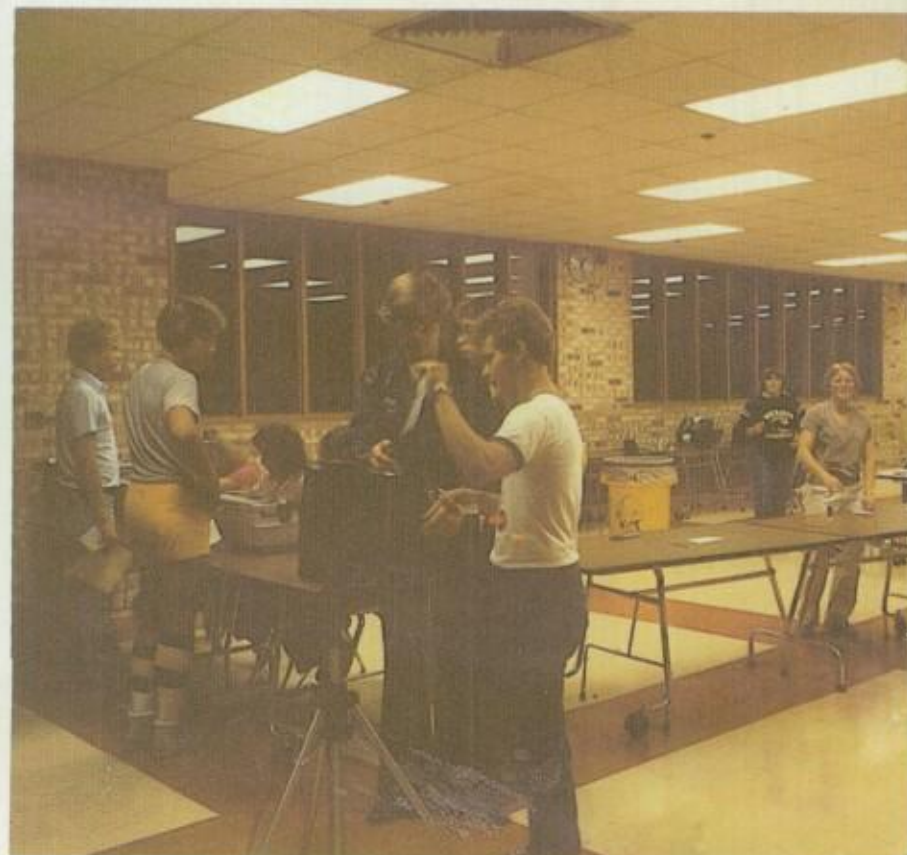

This year registration was held on August 21, 23, and 24.

The secretaries and yearbook staff helped registration to run smoothly once again this year by making I.D.'s, and handing out lockers, parking stickers, activity tickets, schedules, and selling yearbooks.

All the students were excited to see each other again and exchange stories of their summer activities.

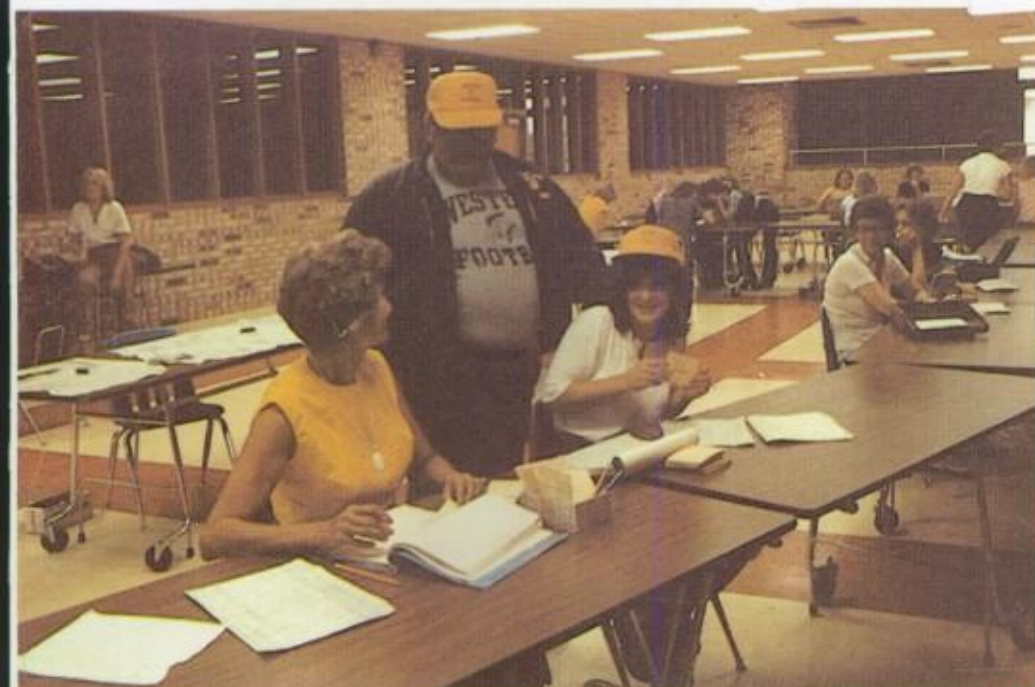

Jay Petrimoux makes a face to get a smile.

Editor Todd Frank helps out taking 'mugs.'

# a Beginning

Mr. Fitz was on the spot to check on Mrs. Wilhite and Pam Fuls.

Some sophomore girls can't wait to see what locker they get.

"Hey, this is a riot!" states Kim Levasseur.

"Oh yeah, since when!?" questions Geri Holka of Dawn Brick.

Sophomore Kari Broderick is still confused!

# Western Spirit Is

These girls are participating on hat, tie, shades, suspenders, and sock day. INSERT — Where are your shades, Karen Yaworski?

Western High really showed their spirit during Spirit Week. This year (October 8-12) was

Monday — backwards day;

Tuesday — hat, socks, suspenders, shades, and tie day;

Wednesday — dress up day;

Thursday — "scuz" day; and

Friday — Brown and Gold day.

Who is your camera-shy friend Karen Broderick and Diane Steadman?

# Really High This Year

Smile nice, Jan Bouza.

Brown and Gold day is a favorite among these students.

Freshman Mark Gary enjoys "scuz" day.

Surprise, Marie Lukowski, smile.

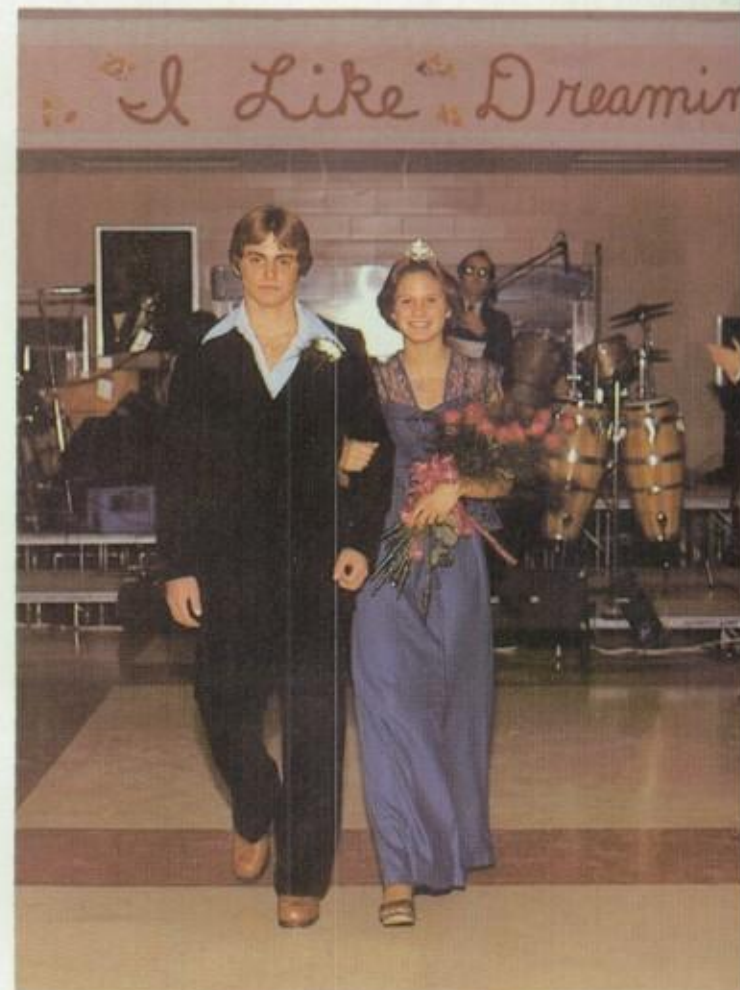

Will the real Trudy Stinton please stand up?

# I Like Dreamin'

Last year's Queen, Kellie Rezler, crowns Brenda Jezowski.

Queen Brenda is escorted by Scott Engelhardt.

Escorted by Bob Sciba is Junior Carol Summers.

Senior court member Audrey Buechler and her date, Chris Mathewson.

The theme of this year's Homecoming was "I Like Dreamin'." The first of the Homecoming celebration was a pep assembly on Friday. At the assembly Brenda Jezowski was named Homecoming Queen 1979. There was a football game that night in honor of homecoming against Saginaw. The last of the celebration was the Homecoming Dance held in the Commons at Western. The music was played by Westwood.

Jeannine Sinke and Jay Meilstrup dance to the music of Westwood.

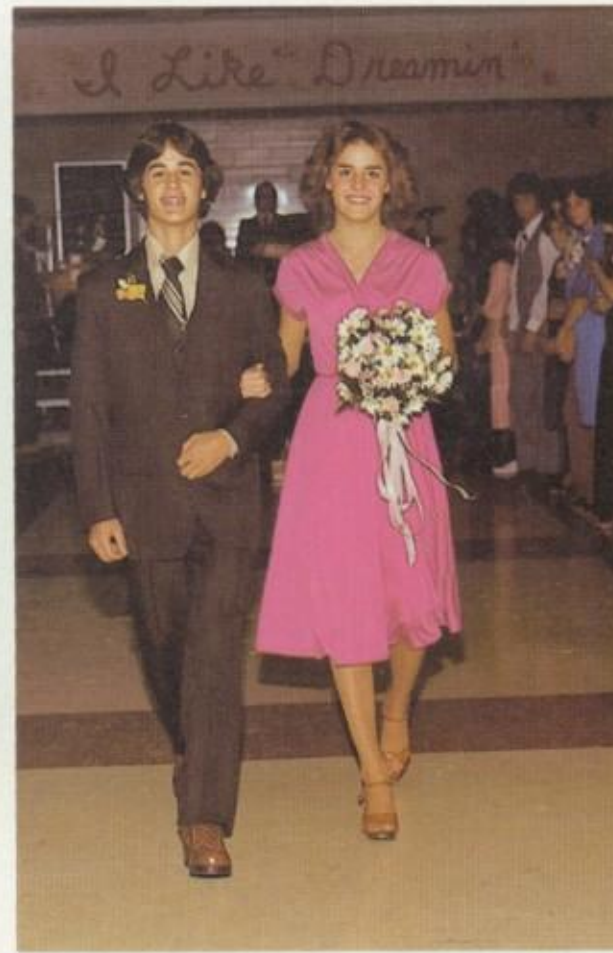

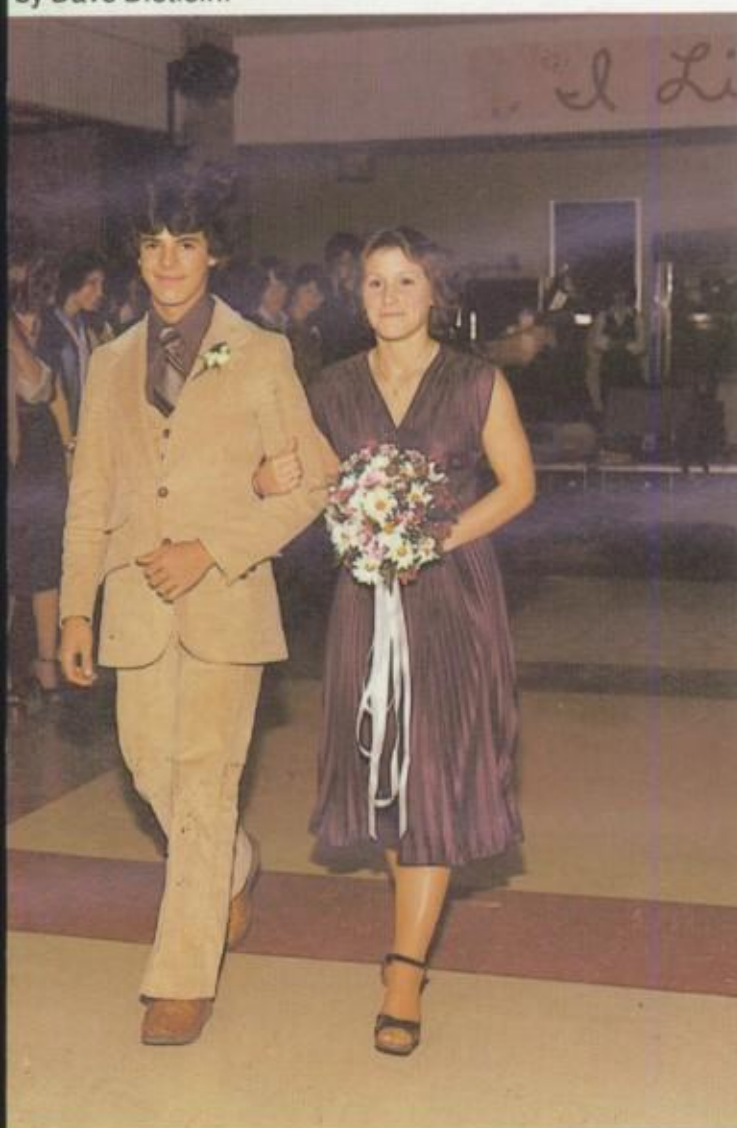

Junior representative Karen Bachelder is escorted by Dave Dietlein.

Sophomore Beth Wiesenaur has Richard Carmona for her date.

Freshman Sherry Dominowski is escorted by Brad Cliff.

Blair Peil escorts Zoanne Hnatiuk.

Members of the homecoming court and their dates take time for a picture.

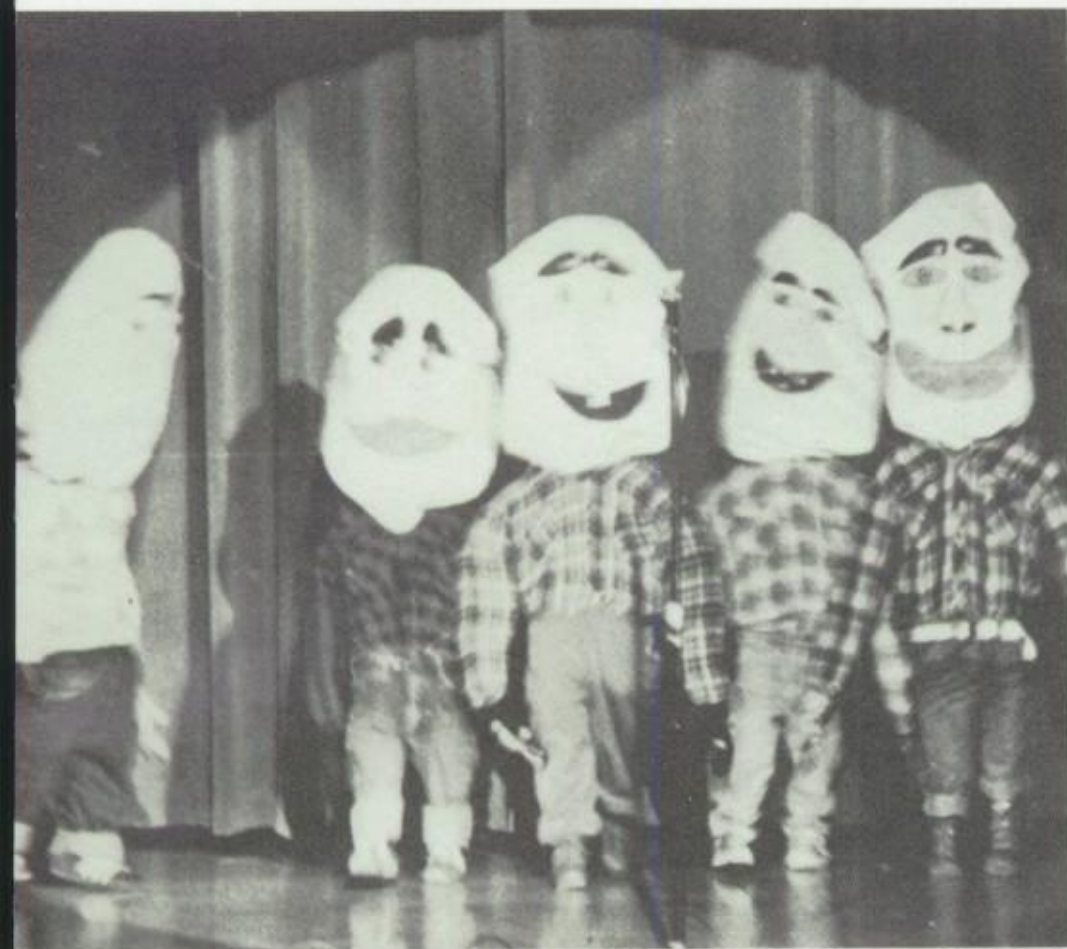

# Presenting the Queen and Her Court

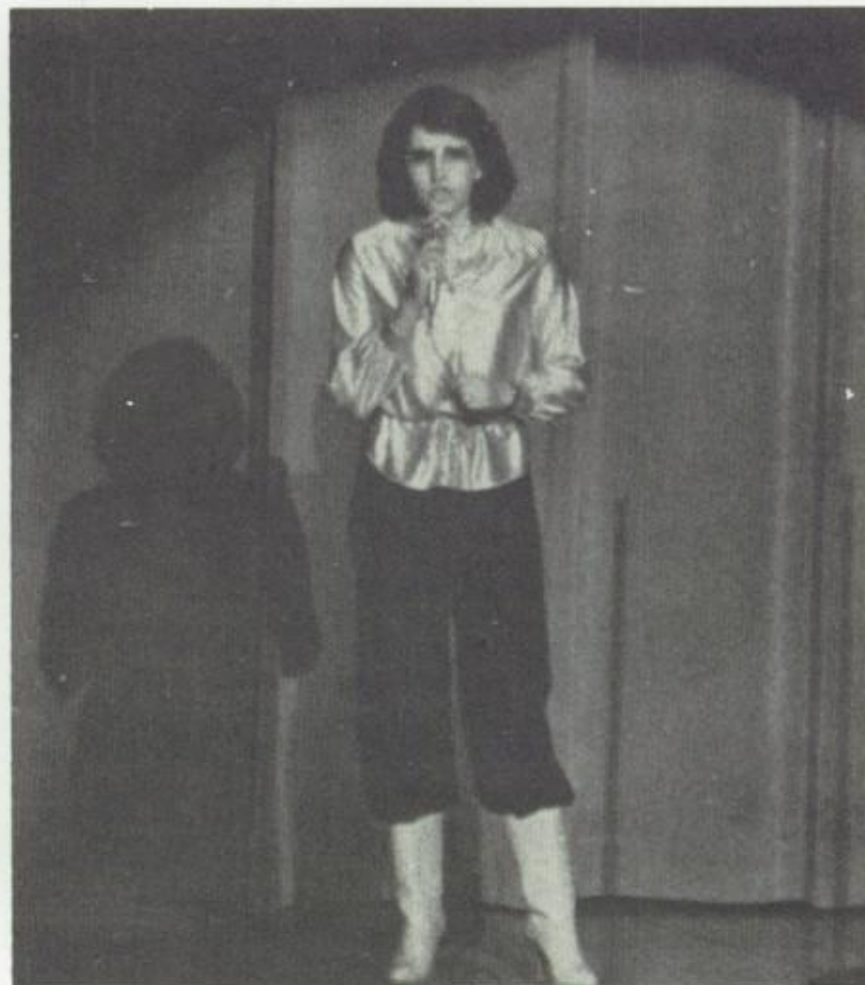

**The Members of the 1979 Homecoming Court, Front row:** Sherry Dominowski, Karen Hartley, Sue Dominowski. **Second row:** Zoanne Hnatiuk, Queen Brenda Jezowski, Patty Anderson. **Third row:** Beth Alarie, Audrey Buechler, Jeannine Sinke, Karen Bachelder. **Back row:** Beth Wiesenauer, Vicki Knoerr, and Carol Summers.

# Little People Entertained

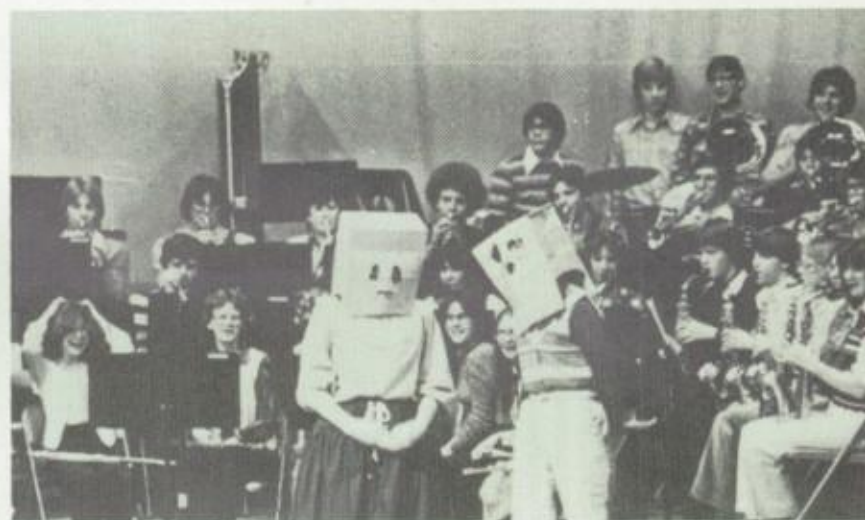

These short people find reason to . . .

Robin Campbell sings a solo, "You Light Up My Life."

Little Jack Horner comes out of his corner, and . . .

Stage fright can cause people to do strange things.

Last spring, Western's Music Department, under the direction of Mr. Keith Saxton, presented a show for the area elementary students.

The purpose of the show was to introduce the students to the music department here at Western.

# Senior Girls Struggle to 6-0

Maria Putt flees for her life.

Cindy Bryant, what are you laughing about?

Vicki Knoerr throws a hard block for Brenda Jezowski to run by.

Deb Auernhammer puts the move to Diane Broderick.

# Victory in Powder Puff

Debbie Reno and Cindy Miller await their next move.

What's the football doing between your feet, Paula Pichiotino.

Who's that look for, Sue Brinkman?

Junior Jody Watson stands up strong against Senior Amy Wiesnauer.

The 1979 Powder Puff Football Game took place on May 24th, with the seniors defeating the juniors 6 to 0. The only touchdown was scored by Senior Amy Rase.

While the juniors were learning the plays and positions, the seniors already had the plays down pat. But just in case anyone forgot what the plays were, the seniors had flash cards to take into the huddle.

# Anything Goes For

"Come on, Shelly Medlyn!" cheers Scott Prill.

The students of Western were eager and generous in giving the money to MD.

R. Dominowski, B. Anderson, K. Sheridan, T. Kelly, G. Tackman prepare for the race.

One of the most popular assemblies was the Muscular Dystrophy Assembly.

Six contestants were picked from every class and competed for points based on what place each team came in and how many pounds of pennies each class brought.

The contests were a gunny-sack race, a balloon shave, free-throw shots, how many marshmallows could be stuffed in a contestant's mouth, and everyone's favorite, which coach had the best looking legs!

The lowly freshmen took first place and won an hour of banana-split eating at Western, in second came the sophomores winning a magic show performed by Mr. Bloenk the Magnificent, the juniors came in third winning a movie of their choice and last were the seniors with a 'phys. ed' night at Western.

The whole school collected 225 pounds of coins for \$475.85.

Vieing for the "best looking legs" is Mr. Blisset, Mr. Schwartz, Mr. Syring, and Mr. Balwinski.

Everyone knows there's a lot more room! Right, Greg Tackman?

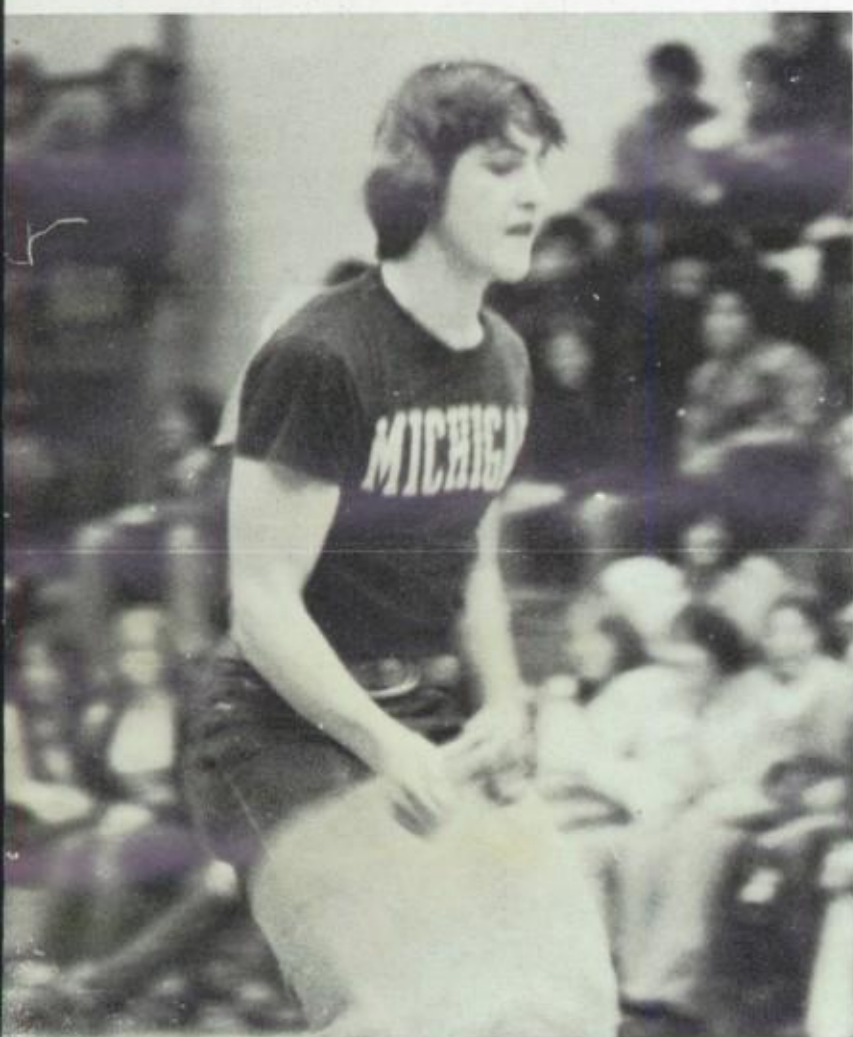

# Muscular Dystrophy

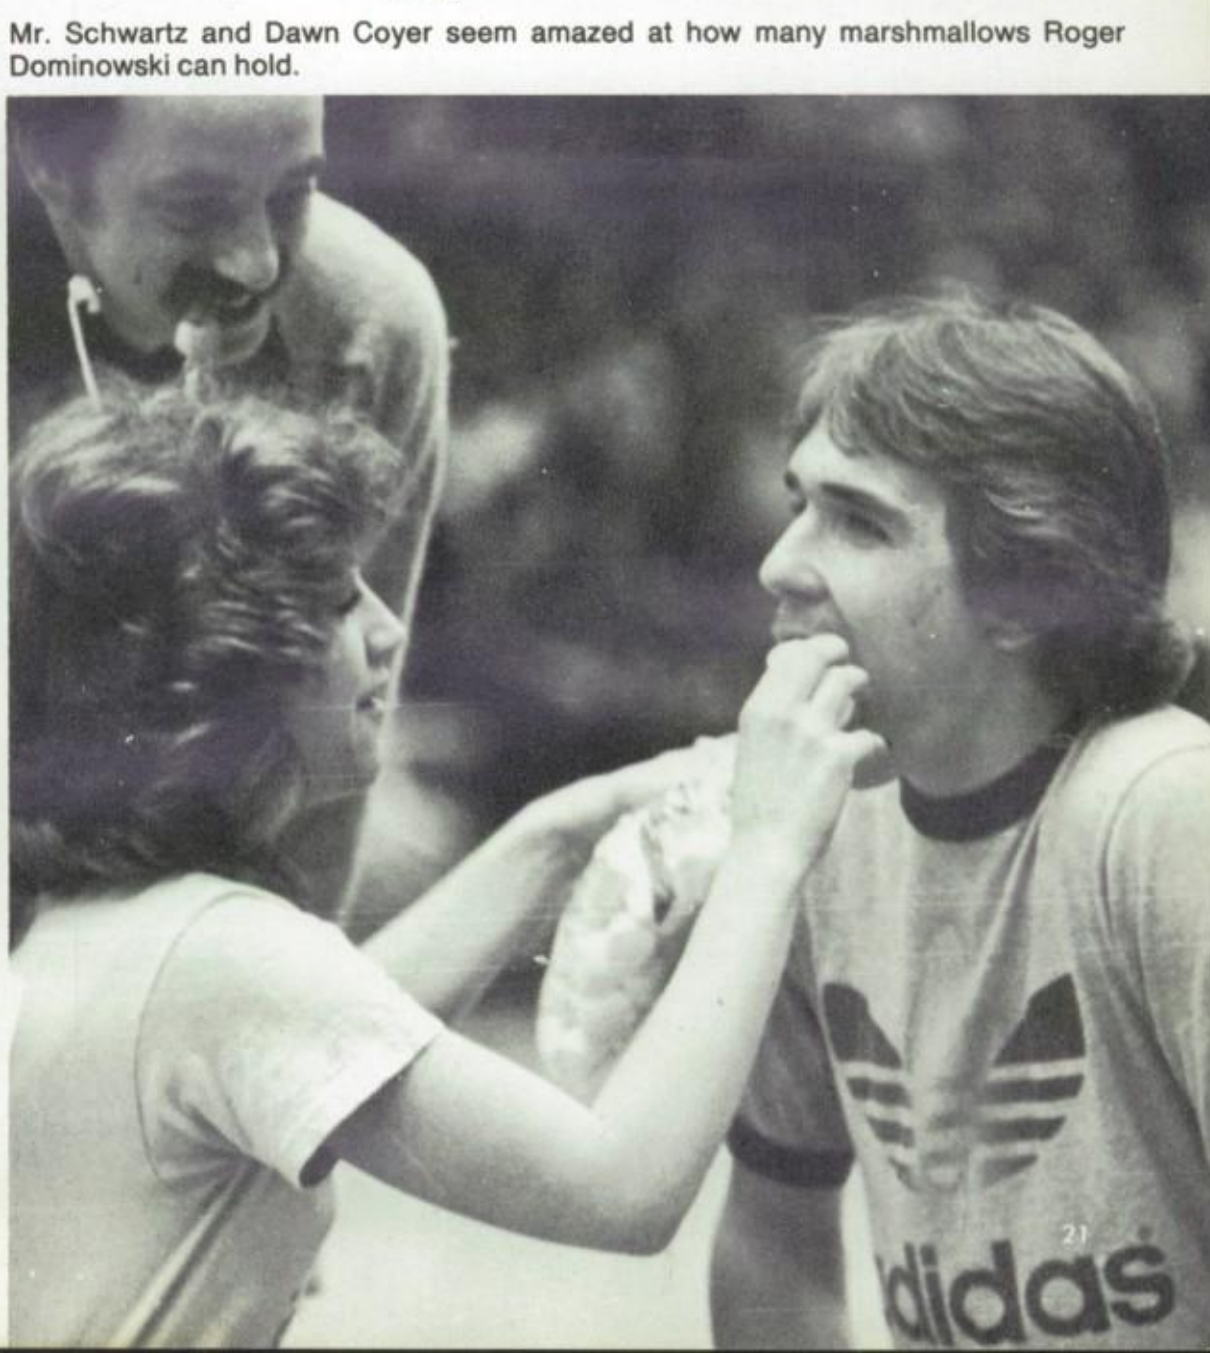

Students and other contestants watch eagerly for the outcome of the contests.

Mr. Balwinski seems to think that his team has already won.

Come on, Kevin Sheridan — go do the kangaroo!

Mr. Schwartz and Dawn Coyer seem amazed at how many marshmallows Roger Dominowski can hold.

# "We've Got

Couples dance romantically to the music of Pareilel.

"We've Got Tonight," was the theme of the 1979 Junior-Senior Prom.

Students from Western High School gathered at the Delta College Commons, on May 5th, 1979, for the 6th annual Junior Senior Prom, given by the Juniors of Western High.

During the course of the evening, the couples could have their pictures taken by W. J. S. Hicks.

Punch and cookies were served as refreshments, and the music was provided by Pareilel.

Posing for a picture are, Nancy Provoast, Todd Grey, Dawn Dupree, Doug Gray, Mary Vogel, and Matt Pangbourn.

# Tonight''

Mr. and Mrs. Link, Mr. Bryant, and Mr. and Mrs. Langenburg served as chaperones for the evening.

Deb Reno, Tony Lupo, Audrey Buechler, Pat Schmidt, and Karen Cerva pose for a picture at the punch bowl.

Brenda Shumacher and her date dance a fast song.

# "79" Is the Phase of Disco

The disco crowd mingles down to the beat of the music.

Sherry Atwater and Darryl Schwerin show the latest disco moves.

Curtis Sly Foxx puts on another disco hit.

Last year's disco dance put on by the sophomore class was held on March 23, 1979.

Curtis Sly Foxx was the disc jockey providing the music for the students to dance to.

In a year when there were very few school activities, the disco dance was very well attended.

Disco Darcy Dannesberger boogies to the music by Curtis Sly Foxx.

# Sadie Hawkins, Is It Couples Only?

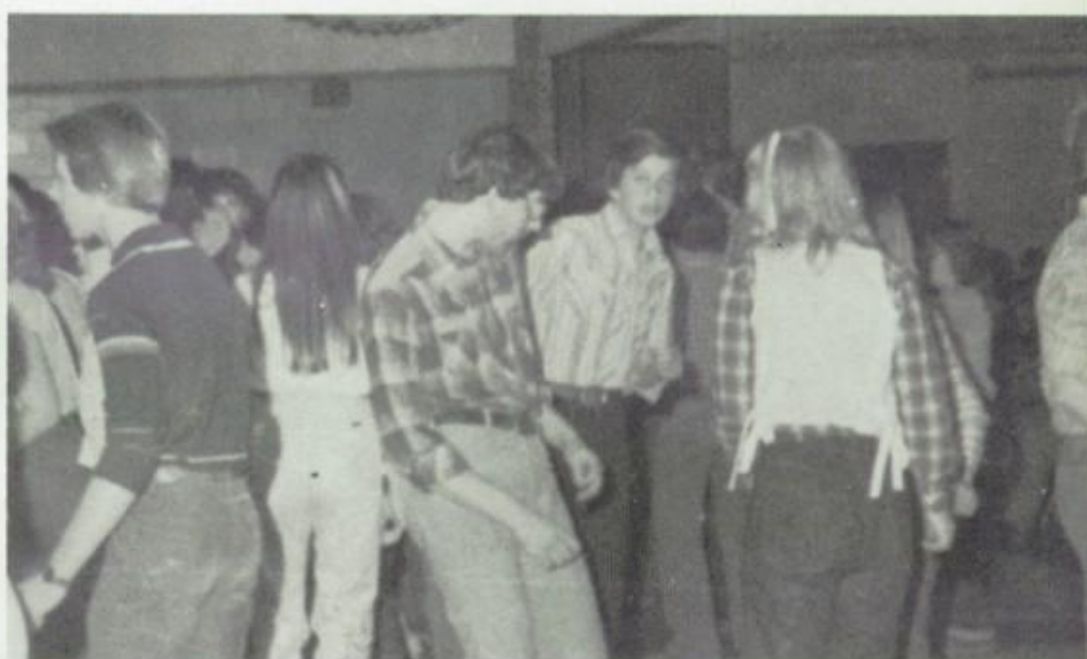

Oh no, says Sherry Wegener as she holds Gilbert Zoellner's hand.

Missy Satkowiak and Greg Ramseyer stare at each other in amazement.

What's the matter, Vickie Knerr, aren't you having a good time?

The Sadie Hawkins crowd shows that they are having a good time.

On March 16, 1979, the Western juniors put on the Sadie Hawkins dance. Tony Lupo and Kelly Coates reigned over the dance as twirp king and queen.

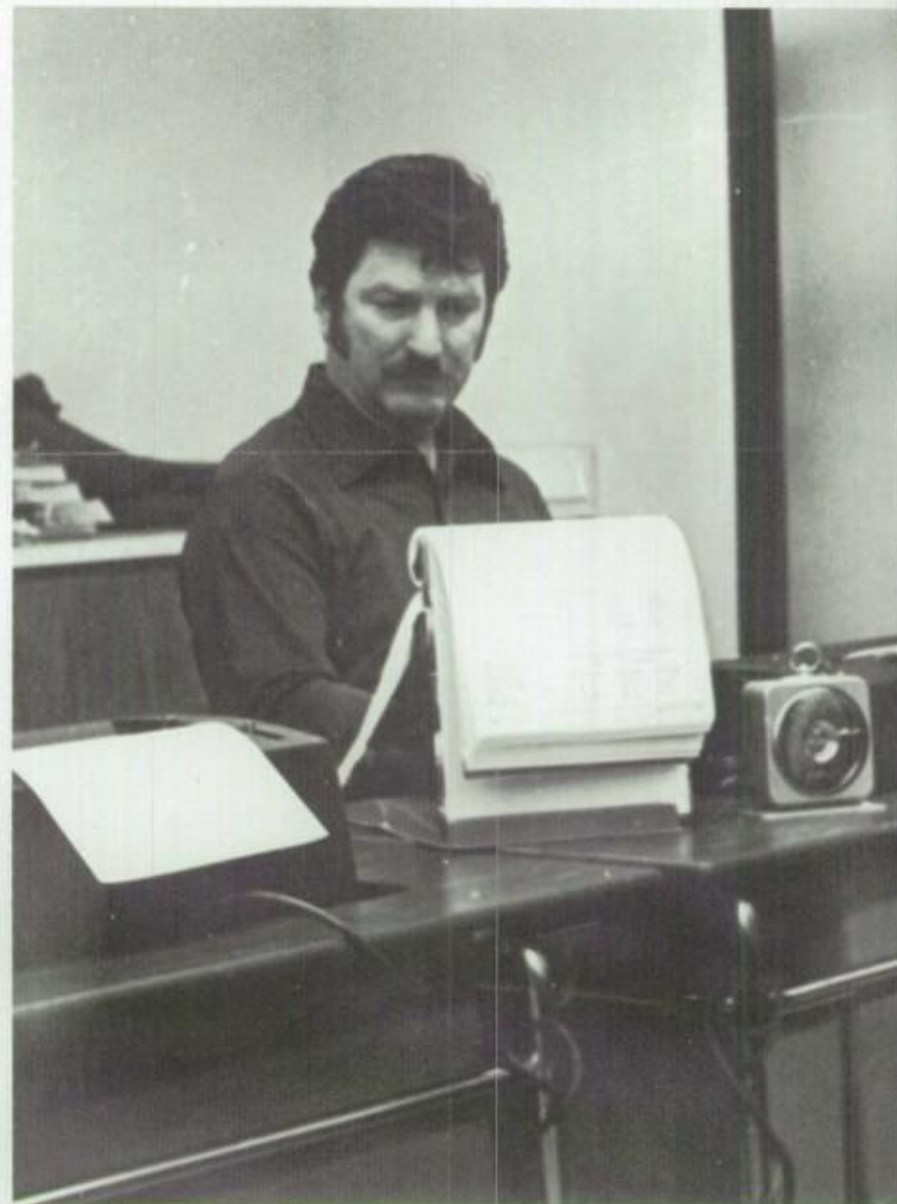

Another highlight of the dance was the marriage booth. Over 100 couples were hitched with Mr. Gibson acting as Justice of the Peace.

# Everyone Enjoys

Edward Storm straightens his tie for the good-lookin' chicks.

Bob Hooper concentrates with great strain.

"I never did understand that when I was in school," says Mr. Larson.

Switch Day has been a continuing tradition, and it turned out quite successful again this year. Many parents and older brothers and sisters did come in place of their high school students. Racking their brains, listening to lectures, and laughing at jokes that were not very funny was a typical scene during their five hour visit. Everybody seemed to enjoy the one day adventure at Western High.

Mrs. Hogan cannot believe her daughter plays with fruit flies.

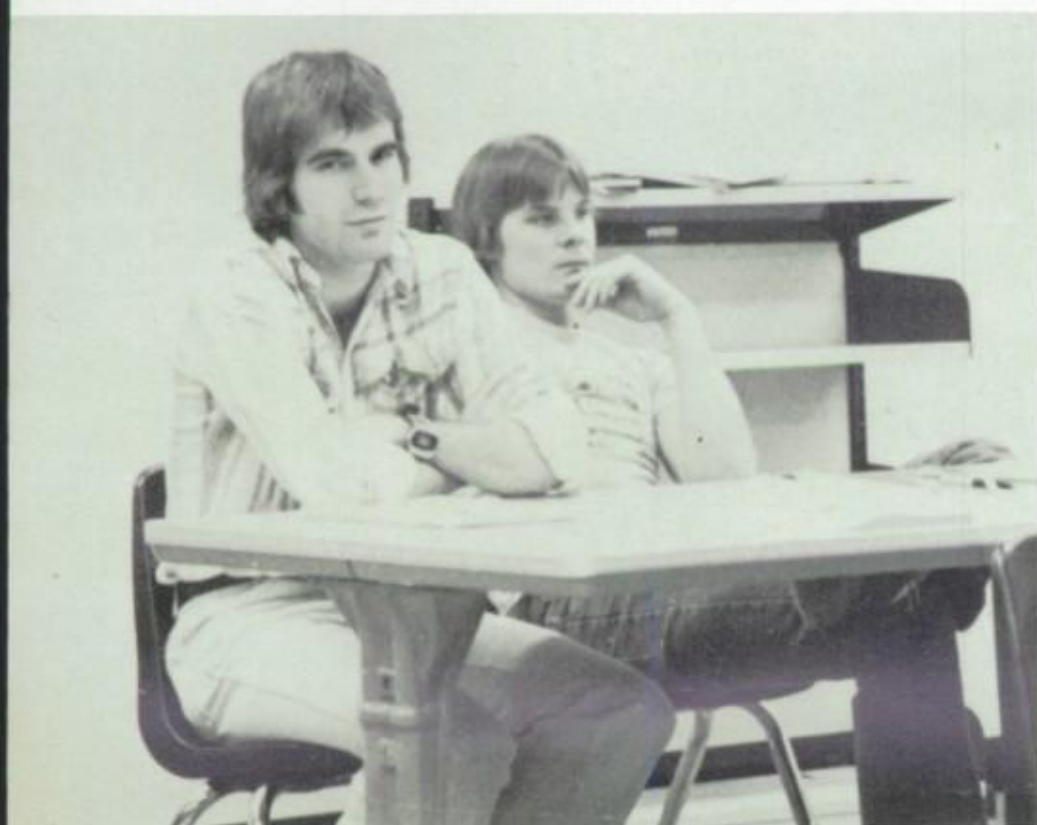

# Switch Day

Mrs. Reder and Marcella Carmona enjoy their switch day adventure.

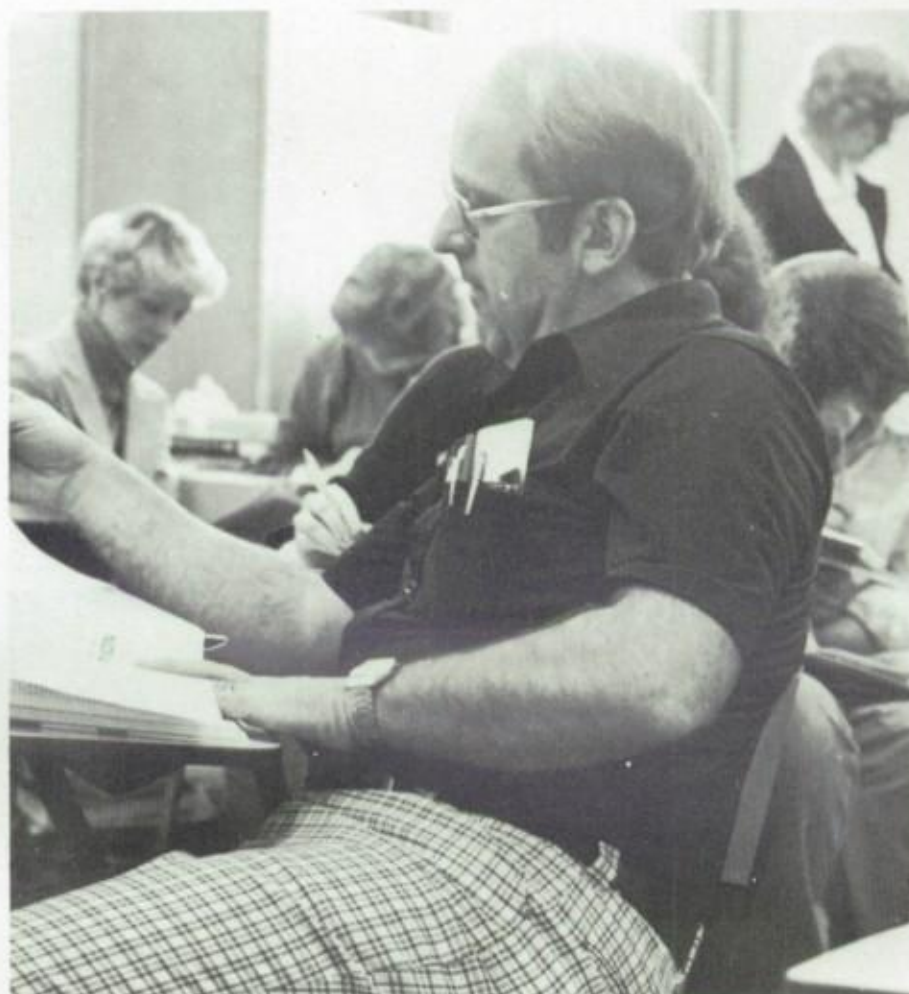

Mrs. Simpson fumbles through the books in amazement.

"I can not handle this exercising of the brain," says John Harrison.

"Gee, glad I didn't take this when I was in school," moans Mrs. Davert.

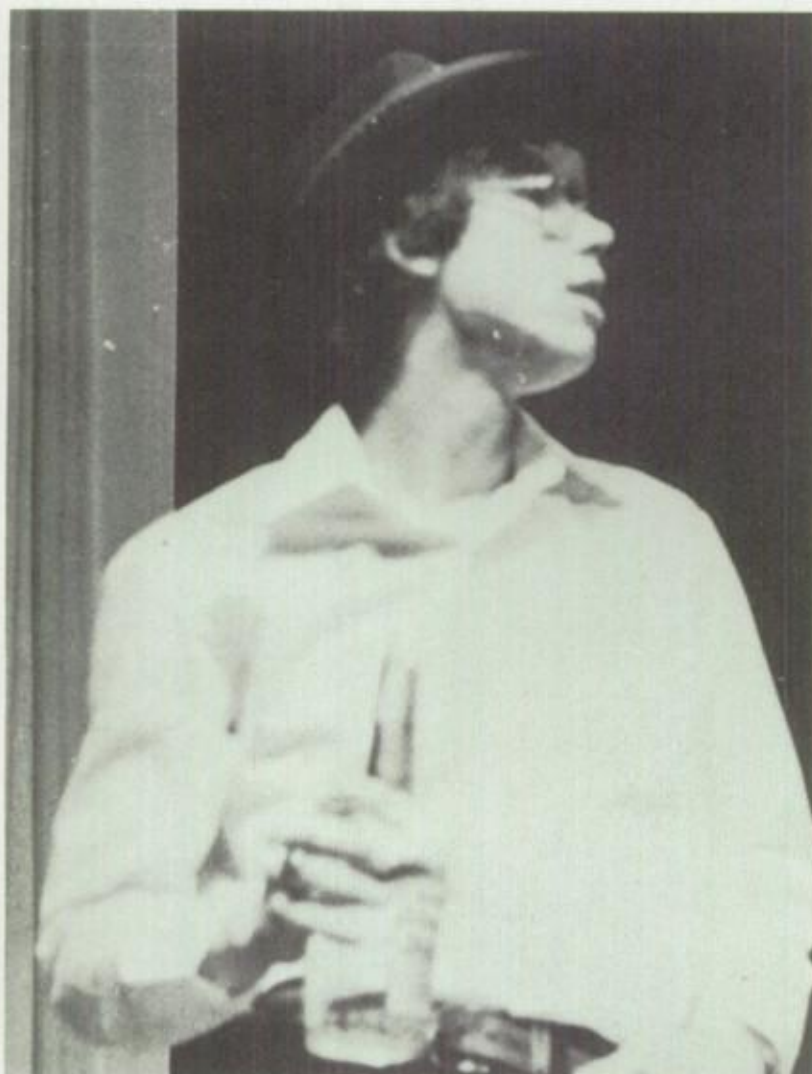

"Either the chairs used to be bigger or I used to be smaller," says Mr. Wendell.

Come on! Wake up, Mrs. Schram!

# Western High Presents

Shultz, Don Bailey, holds Grant's bottle.

"There is a Unicorn in the garden," says Don Bailey to Ann Bradley.

November 9 and 10 were the days when the actors of Western High showed their ability. Under the direction of J. Frank Bradley, the cast entertained a large crowd both nights with the Thurber Carnival.

The cast included: Margaret Wood, Dave Sharp, Don Bailey, Wendy Brandt, Jessie Wood, Diana Balwinski, Keith Jonas, Karen Kormelink, Ann Bradley, Gar Wallaker, John Yaworski, Shelley Garza, Chris Enszer, Alan Kjellberg, Cheri Le Cronier, Peggy Realy, and Alayne Speltz. They put on a fine performance.

"We dam' near licked you," says Gen. Grant, Dave Sharp, to Gen. Lee, Gar Wallaker.

# Blood Drive Sets Record

Joe Bachelder finds out his blood type.

Jodi Watson, Todd Frank, and Marty Ferguson wait to sign up. Don't worry Marty.

The Blood Drive held on Thursday Oct. 18, was the most successful one ever held in Western's existence. A total of 48 pints of blood were collected.

The drive was coordinated by Jeannine Sinke and Todd Frank. The nurses said it ran very smoothly and that the students were very nice and cooperative.

Brian Mehlhose relaxes while giving blood.

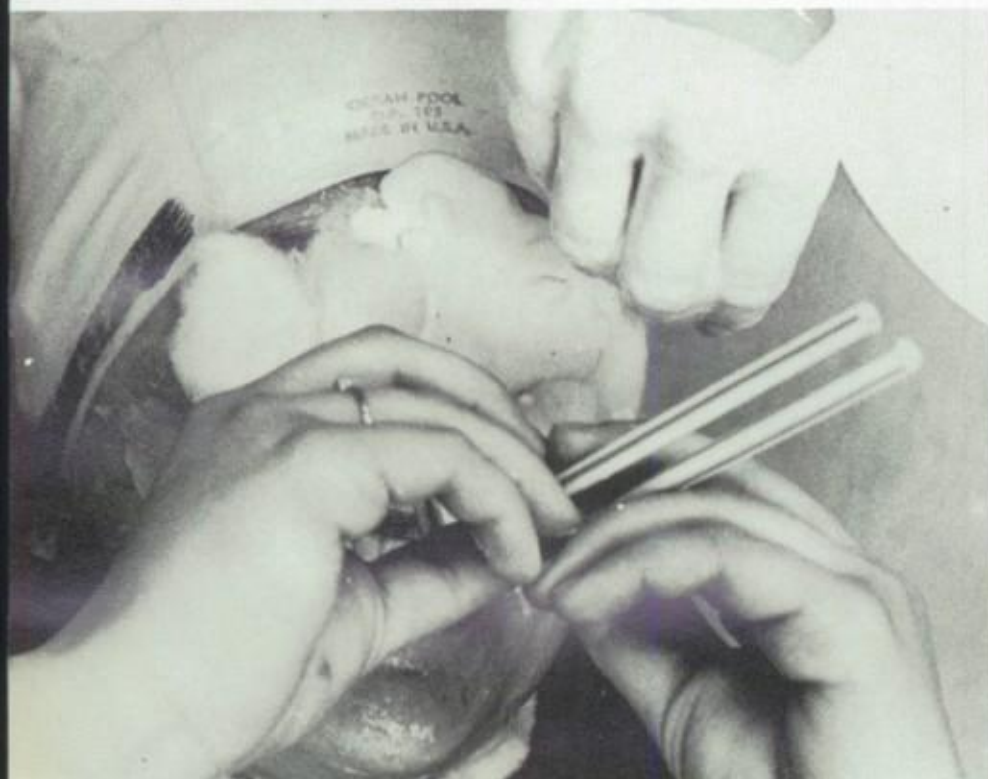

# Art Student Gets Plastered

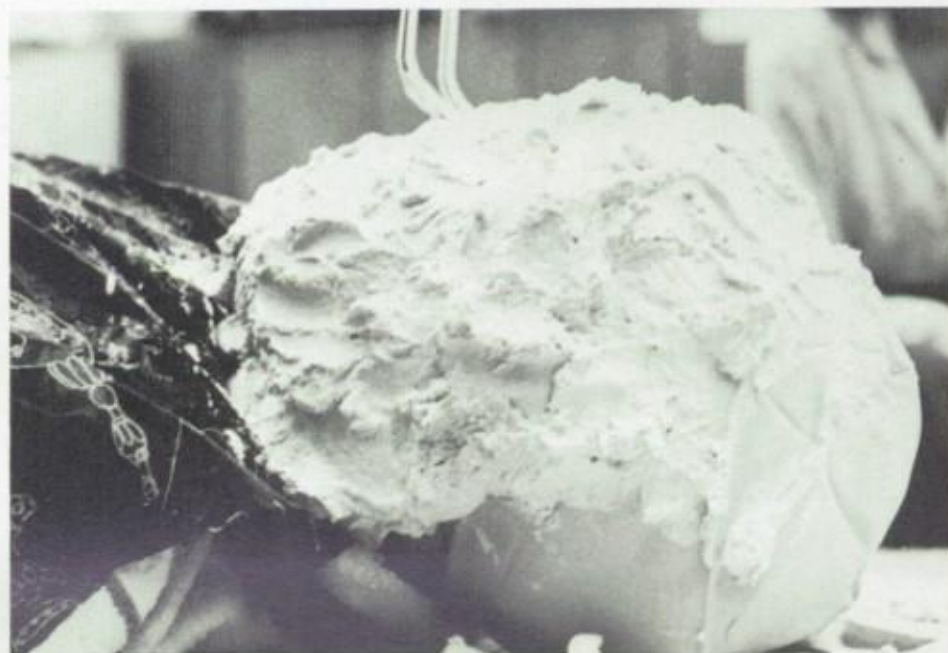

"It won't hurt will it?" asks Amanda Vouaux.

Amanda grimaces as vaseline is smeared on.

Do you mean I've got to breath through these things?

I never thought it would come to this.

I've heard of face-lifts, but this is ridiculous!

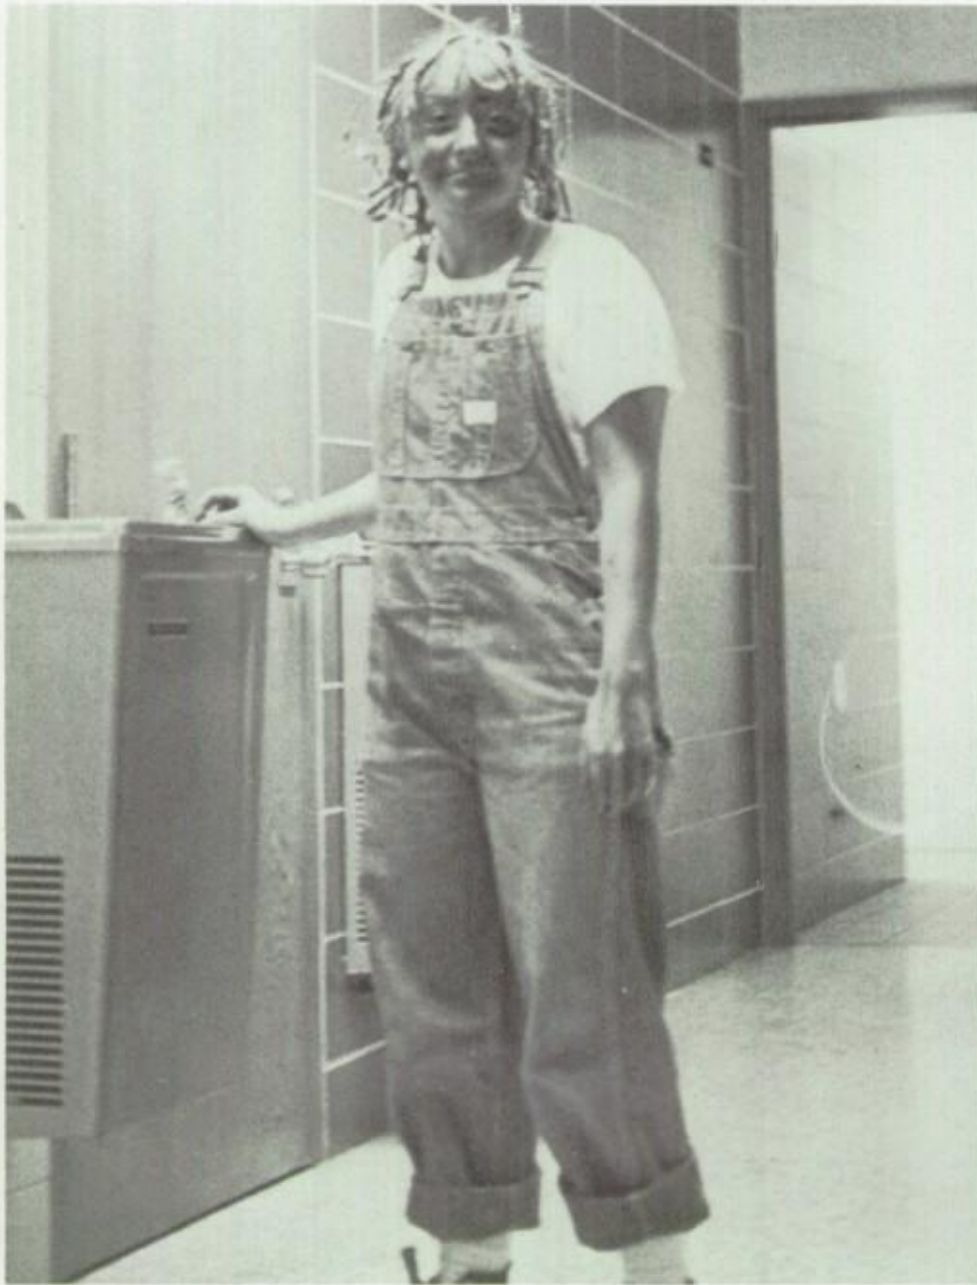

You can wake up now, Amanda — it's over.

Many things happen in an art class. In Art Crafts, Amanda Vouaux tried something new. With plaster she made a casting of her face. The process was very simple but messy. I wonder if she'll do it again?

# Students Show

Genny Lapan gets a drink after a hard day at school.

Halloween day, October 31, was a great success. After dressing up for the Halloween dance on October 26, Western students showed their spirit by dressing up at school.

Prizes were given out for the best costumes. Many students participated and the halls at Western took on an unusual appearance. Students look forward to making this an annual event.

Tammy Perry stops to pose for a picture.

Kara Stein dressed as a rabbit to show her spirit.

# Halloween Spirit

Margaret Carbary joins troops with a cowboy.

This student spent her day just clowning around.

# Broomstick Bounce Starring

Colleen Herner shows off her winning costume.

Western's junior varsity cheerleaders sponsored "The Broomstick Bounce," Friday, October 26.

Music was provided by a new disc jockey group from Saginaw. A prize was awarded to Colleen Herner for best costume. There was a big crowd and everyone seemed to enjoy it.

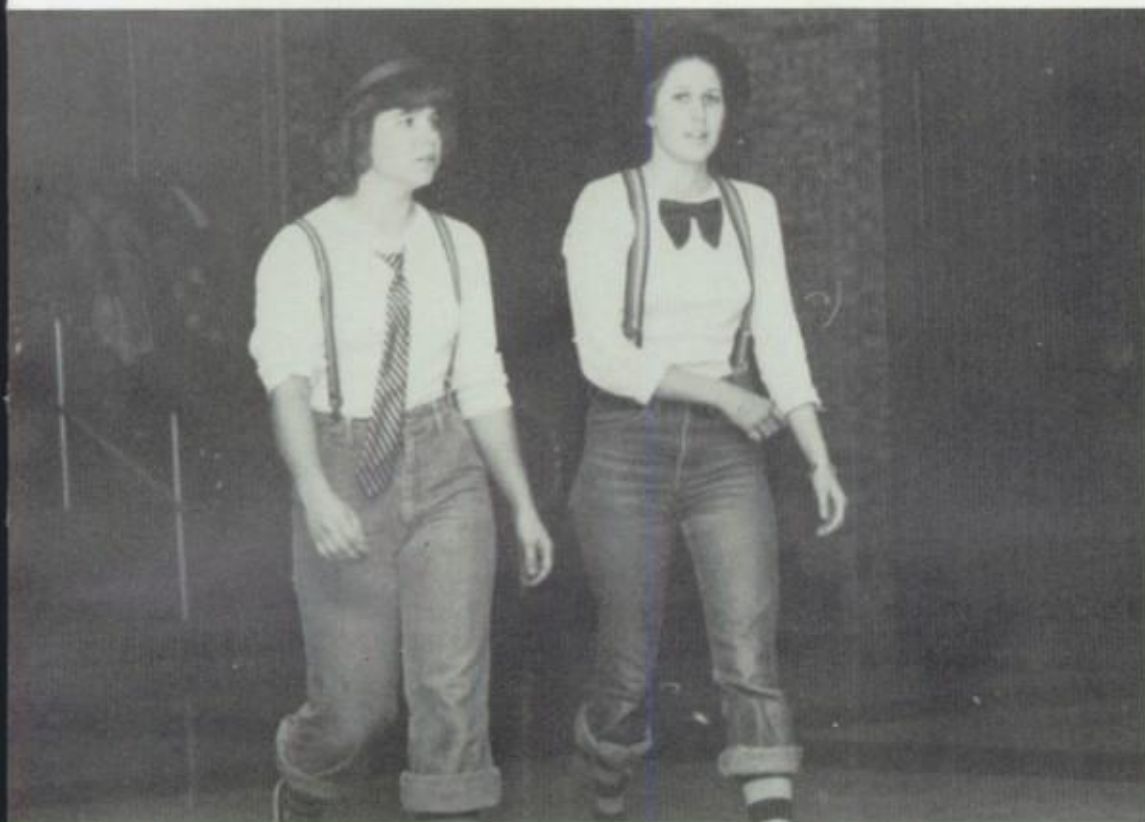

Everyone gets out and does his own thing at the Halloween Dance.

The DJ's are really kickin' out the jams!

Is that Dave Bradfield in that Great Pumpkin costume?

Tony Ambrose is trying out some new dance steps.

# Halftime Highlights: A Great Combination

Westernettes prove that slow dancing isn't always their favorite.

The second Halftime Highlights show was presented on December 5, 1979.

The show was an obvious success, with people filling the school auditorium to capacity.

Among the performers were those that make halftimes so great: The Western High School Marching Band, Westernettes, Majorettes, and Cheerleaders.

There was even a special guest appearance by Santa Claus.

Varsity Majorettes execute their skills in twirling.

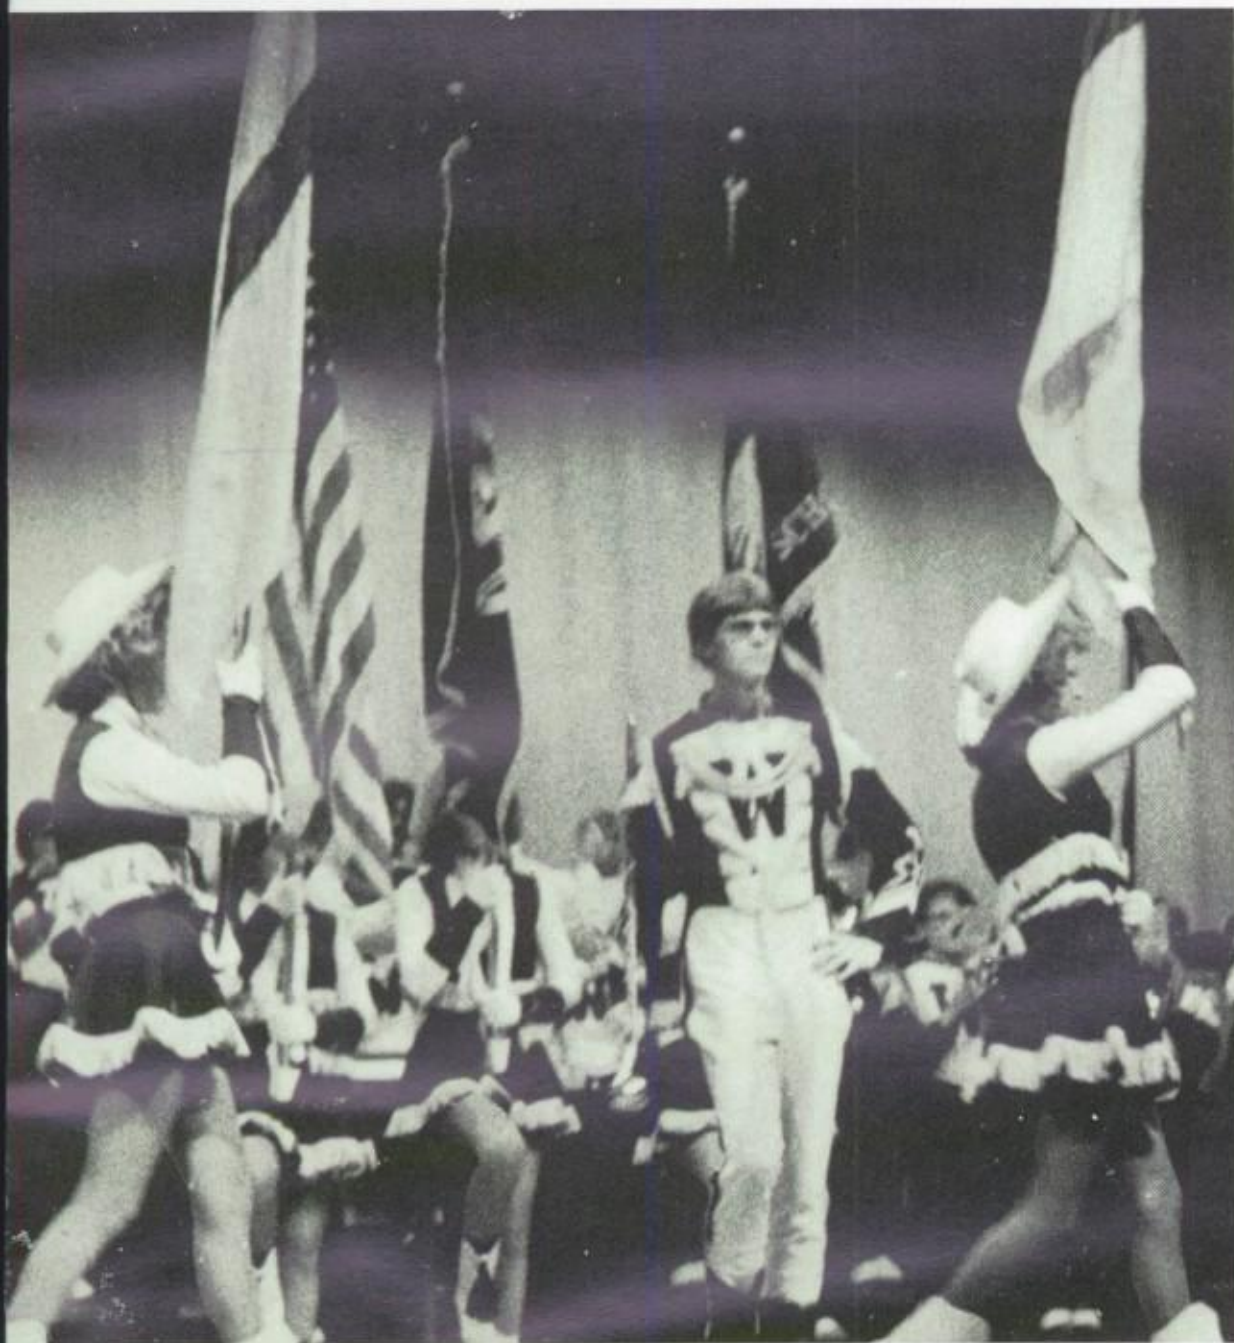

Linda Roth, you should be concentrating on your twirling instead of the guys!

Look now — before they tumble.

The Westernettes make their entrance led by Drum Major Dave Burk.

The band joins the kids in singing with Santa Claus.

# Dance in a Winter Wonderland

Paul Steih and Gail Hammerbacher seem to be enjoying themselves.

Winter Wonderland was this year's theme for the Christmas dance. The dance was on December 8, 1979, in the Western Commons. "Dartz" provided the music for the evening.

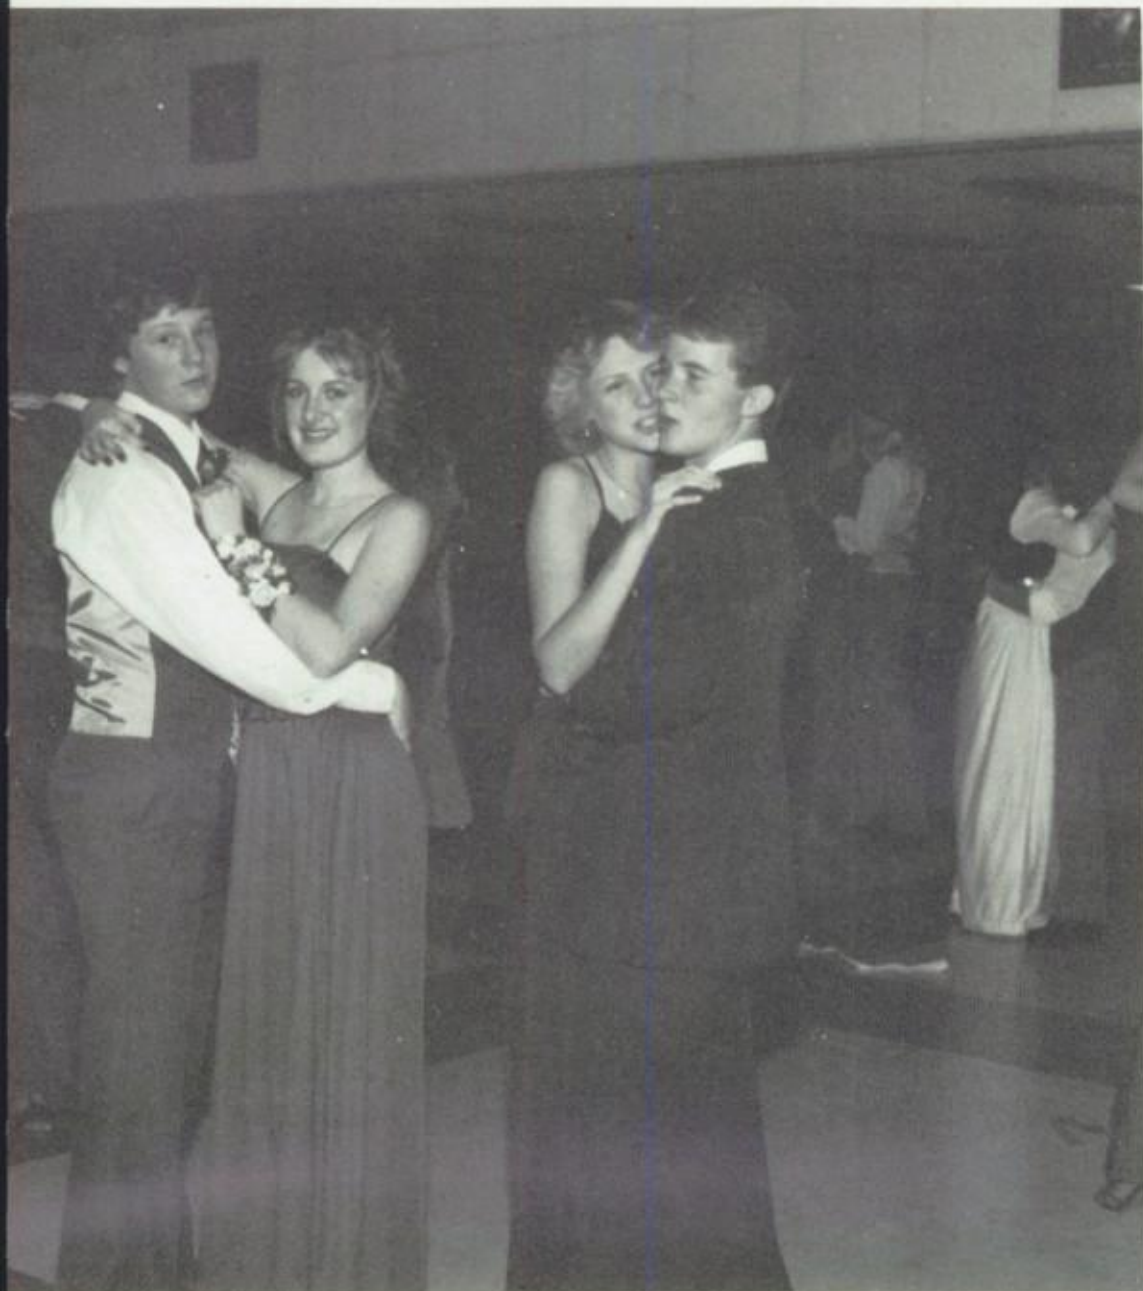

Everyone enjoys a good polka.

Chaperones Mr. and Mrs. Syring and Mr. and Mrs. Schmidt take a sn break.

Ray Handy with his date Claire Eisenman and Todd Frank with his date Kelly Potocnik enjoy slow dancing.

Bob Kozuch and Chris Roediger take a break from the dancing.

Everybody enjoys fast dancing.

Don Schwab and Dana Walker are caught showing off their dancing skills.

# Assembly Starts Winter Sports

Co-chairperson Audrey Buechler gets the winter sports assembly underway.

Seniors seem to have the most spirit at the assembly.

Junior wrestlers Scott Rechsteiner, Keith Briggs and George LaFramboise are introduced at the assembly.

Western Varsity cheerleaders enjoy the assembly.

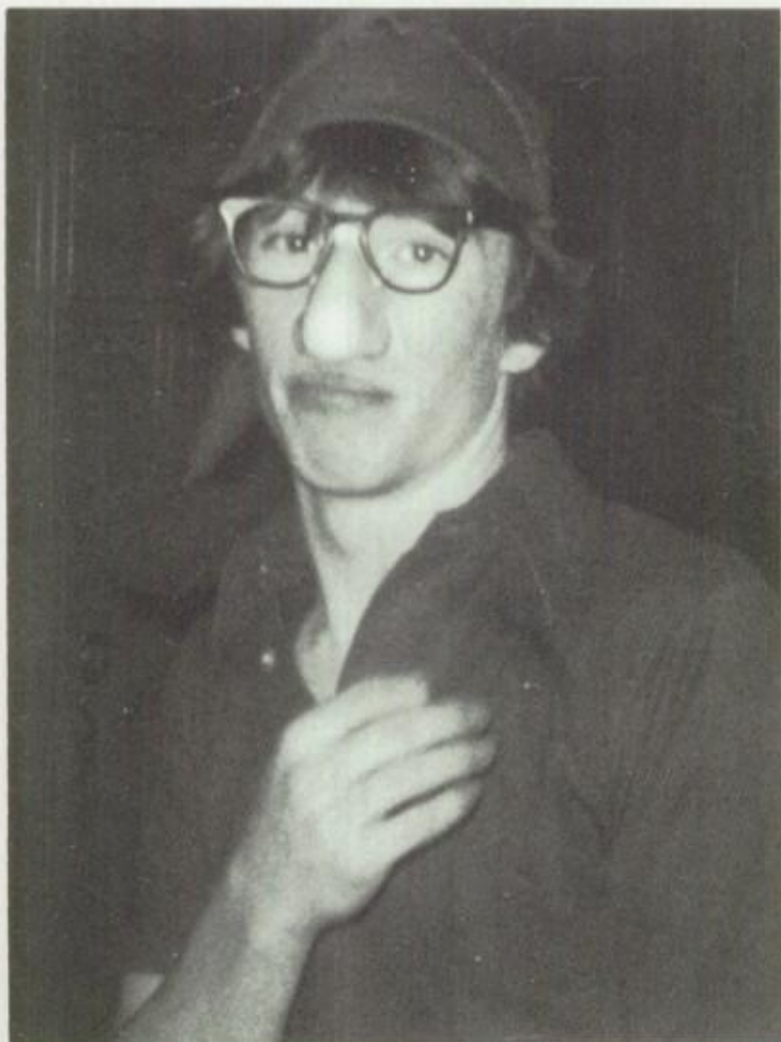

# Western Student Presented Award

At the December 7th winter assembly Junior Jay Handy was presented an award by Mr. Bryant on behalf of the students of Western for his meritorious efforts following an automobile accident involving some Western students. Jay arrived on the scene shortly after the accident and his quick thinking and cool headedness are attributed with saving the life of Freshman Lori Proctor. Because of the fine job he did, we honor him with this page.

# Christmas Spirit at Its Best

My what a big nose you have Elf Umbarger!

Santa (alias Dave Tackman) carries Elf Gigi Wessely through the halls.

On December 21, Student Council sponsored a Christmas Spirit Day. On this day students were invited to wear red and green to show their Christmas spirit.

Student Council members also delivered Santa Grams and sang Christmas Carols to the staff and the students.

A group of carolers are caught in the hall.

# Exchange Students

## Exchange Ideas

Clelia doesn't seem to be camera shy.

Clelia Sarabia and Anna Havela enjoy a class at Western.

Who will be Anna's next victim?

This year Western was privileged to have two foreign exchange students. Clelia Sarabia, a tenth grader from Chile, stayed with the Eugene Satkowiak family. Also, Anna M. Havela, a senior from Finland, stayed with the Elmer Behmlander family.

We hope they had a very good time in America and take home many good memories of their year at Western.

# Minnow I Is a

Michele Brown and Karen Derdowski boogie to the music.

Cathy Rezmer and Donald Tennant pose for a quick shot.

Friday, February 8, the Girls Swim Team sponsored the Minnow I. Students from Handy High were invited, and a great number showed up to join in on the dancing fun.

A D.J. from 106 F.M. played the music for the dance.

"Please don't take my picture," says Cathy Rezmer.

# Splashing Success

This guy enjoys watching the girls disco to the music.

"Don't you dare!" says Tony Kierpiec.

This group got together to get their picture taken.

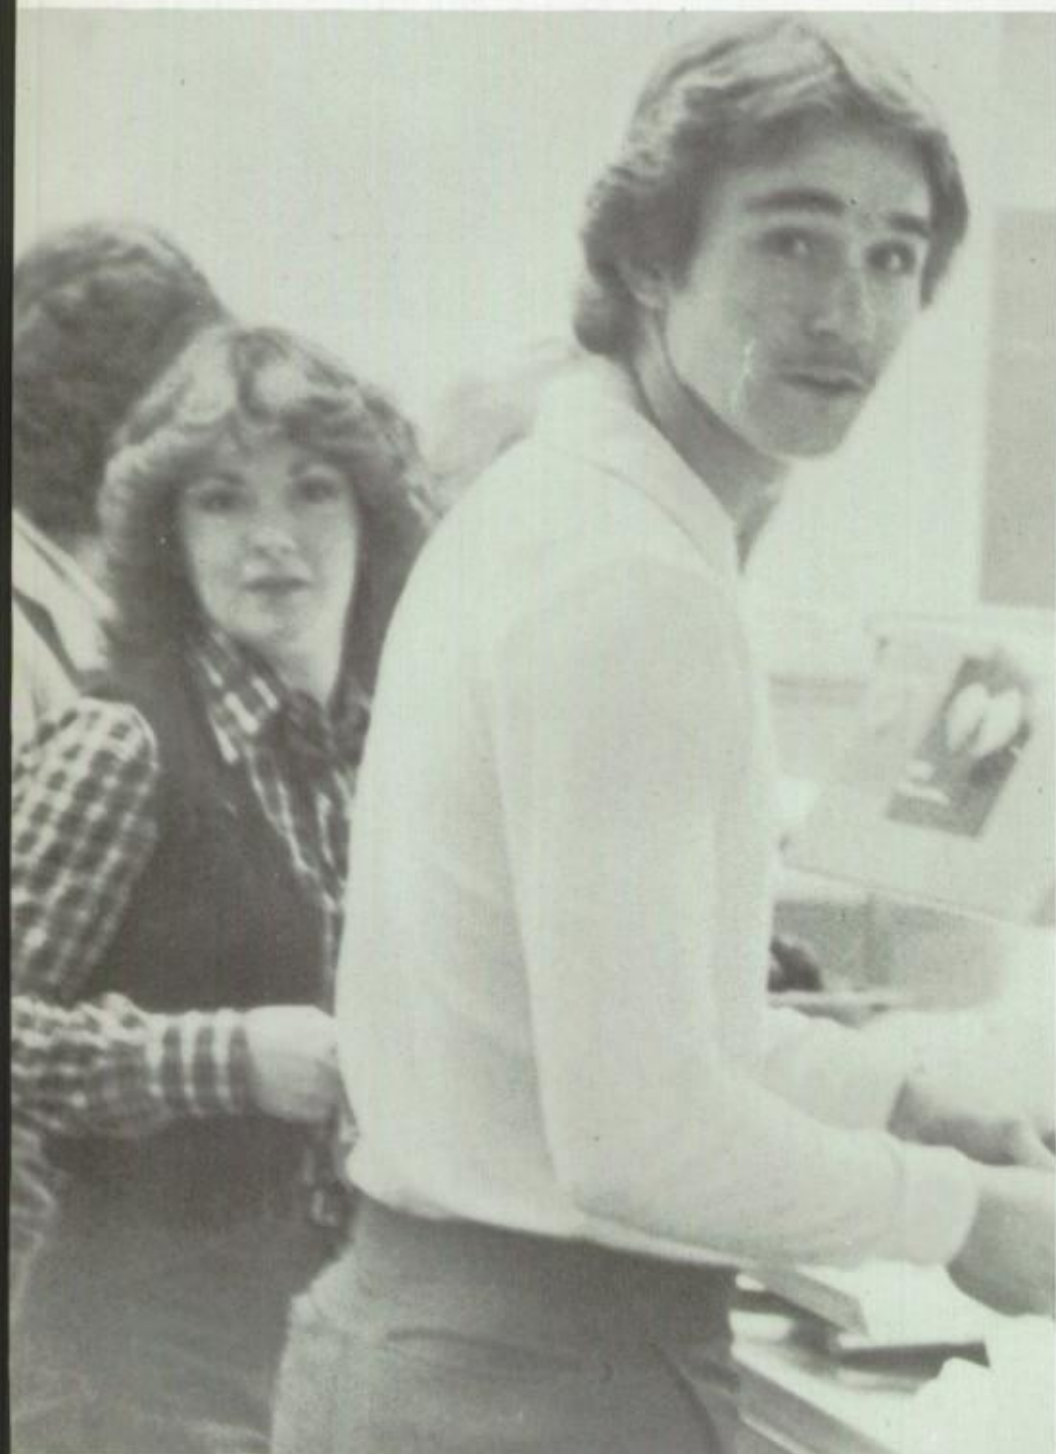

Janet Krueger and Mike Davert enjoy slow dancing with their dates.

# Students Make a

Pam Fulks and Roger Dominowski attempt to make it through the lunch line.

For the past two years, students at Western High have given a new meaning to "fast food." In fifteen minutes students must have their schedule down to perfection in order to get everything done. A leisurely hour of enjoyment has been condensed into a rushing horde of students.

Mr. Bloenk, Eva Hitchcock and Debbie Butts grab some munchies.

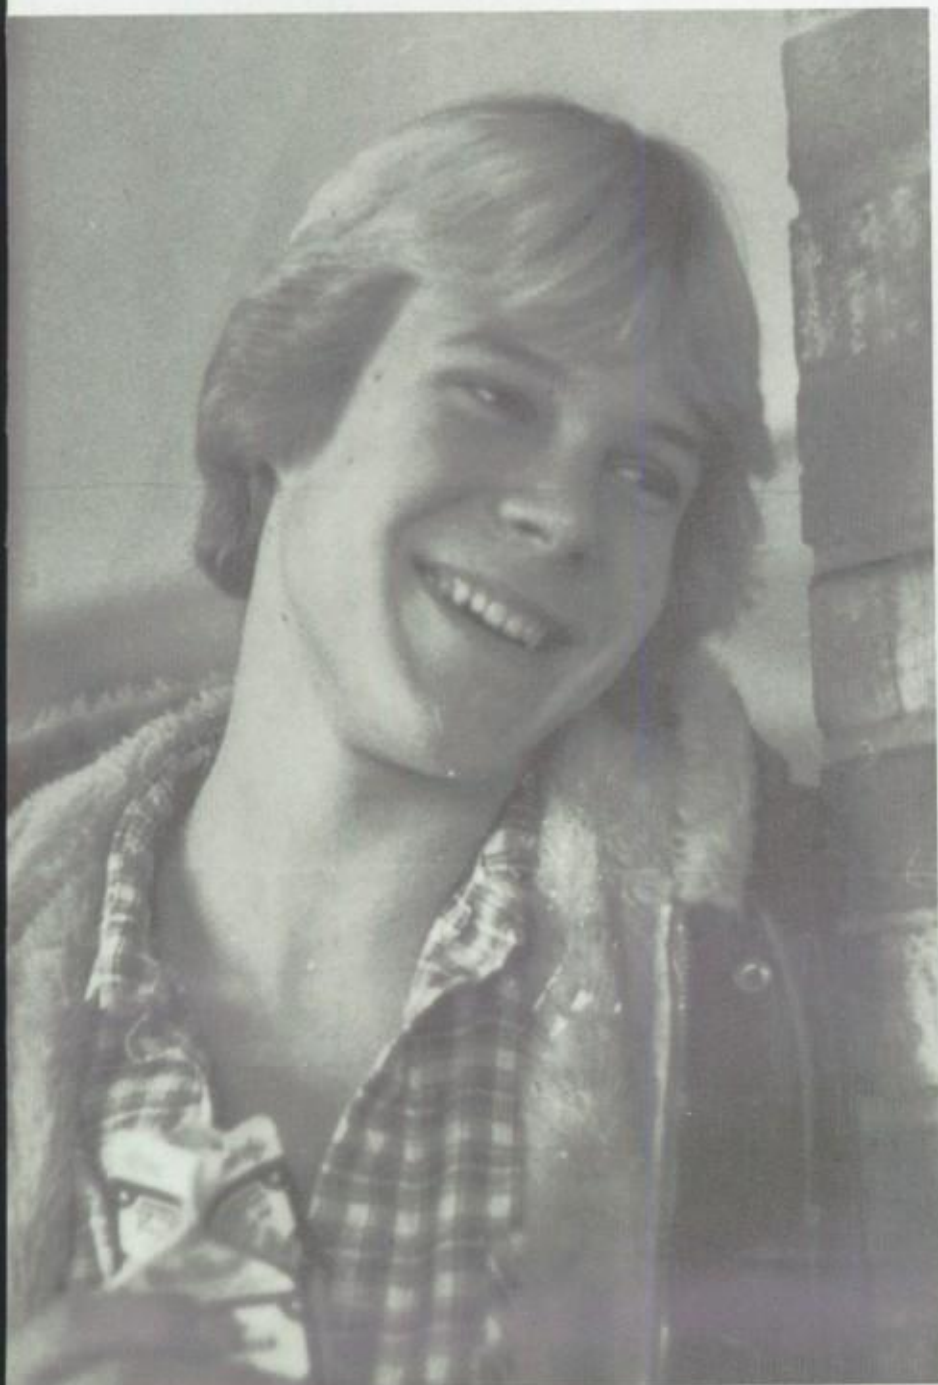

Jay Handy wolfs down his hamburger.

Terry Troxell eats the evidence, while Scott Martin pretends not to notice.

# Fast Break

Steve Dryer thinks milk definitely is a natural.

Brian Mehlhose and Marty Neumeyer have a good laugh with their milk and cookies.

Pam Fournier, where did you get that corsage?

Kent Winslow and Gilbert Zoellner buddy up on Valentine's Day.

Olé!, says Linda Roth.

Once again on Valentine's Day, Girls League delivered carnations and International Club delivered messages to everyone's favorite sweetheart.

Many people participated with the spirit of Valentine's Day by wearing red and white. It was a great day of romance for everyone.

Mary Szyperski stops to pose for a picture.

The kings and queens were nominated first and then they were put on a ballot to be voted on.

At the dance the kings and queens were crowned. The dance was sponsored by the freshman class.

# Everyone Loves to Dance

Everybody boogies to the beat.

Sophomore girls show their spirit at the dance with their sunglasses.

If you could see me now was the theme for Concept 80. Our advisor, Miss Judy Ransom, along with Editor Todd Frank worked hard with the rest of the yearbook crew to get it out on time this year. It takes a lot of effort to put together a good yearbook for the student body to enjoy, one that will be looked back on and one that captures the memories of our high school years. Next year, with Jay Handy as editor, we hope once again to produce a yearbook we can be proud of.

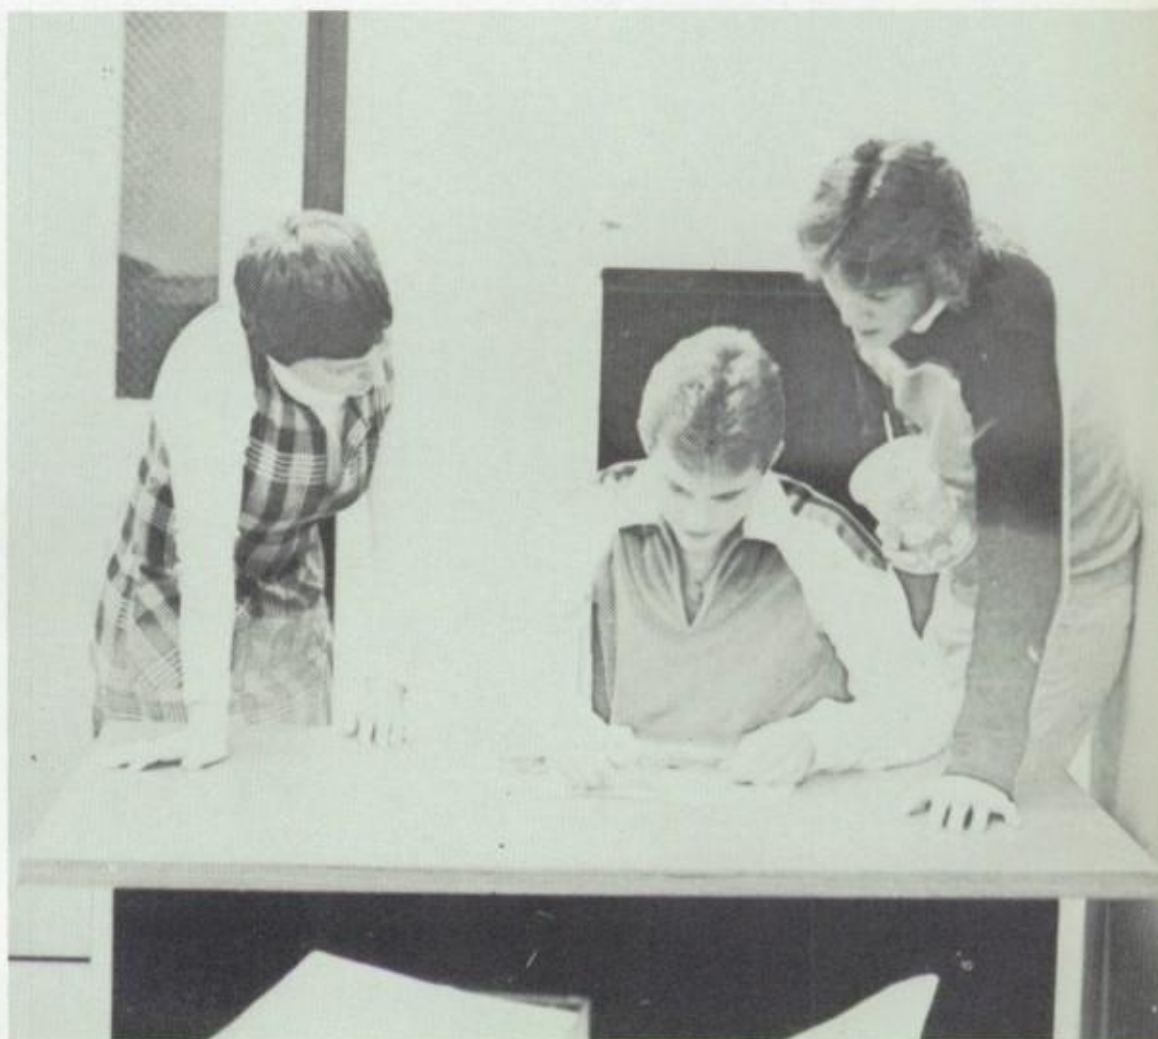

**Photographers: Front row:** M. Ferguson, J. Perrimoulx, K. Jonas, T. Ambrose, K. Larson. **Back row:** T. B. nall, S. Wizner, D. Furland, D. Myers.

Cindy Miller, Dave Piotrowski, and Chris Enszer work on the dummy sheets.

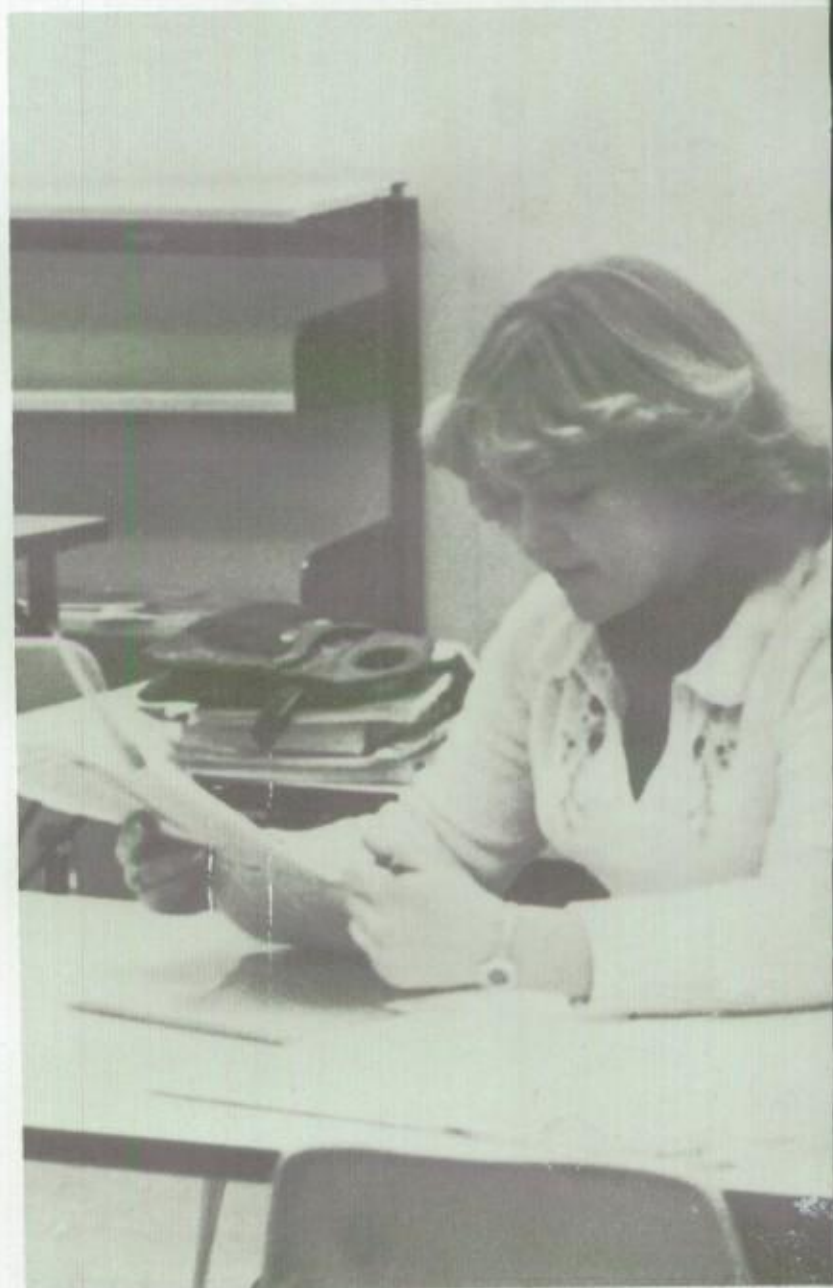

It seems as though Western High's newspaper never lets us down. We always get the paper every third week with no problem.

Like last year the staff sponsored another dance to raise funds for their budget to produce a better newspaper.

Mrs. Hoyle is the advisor, but the kids are the ones that write all the articles, sports columns, editorials, and just plain news.

This year's photographers also did a fine job. They were Don Bailey, Denise Myers, and Keith Jonas.

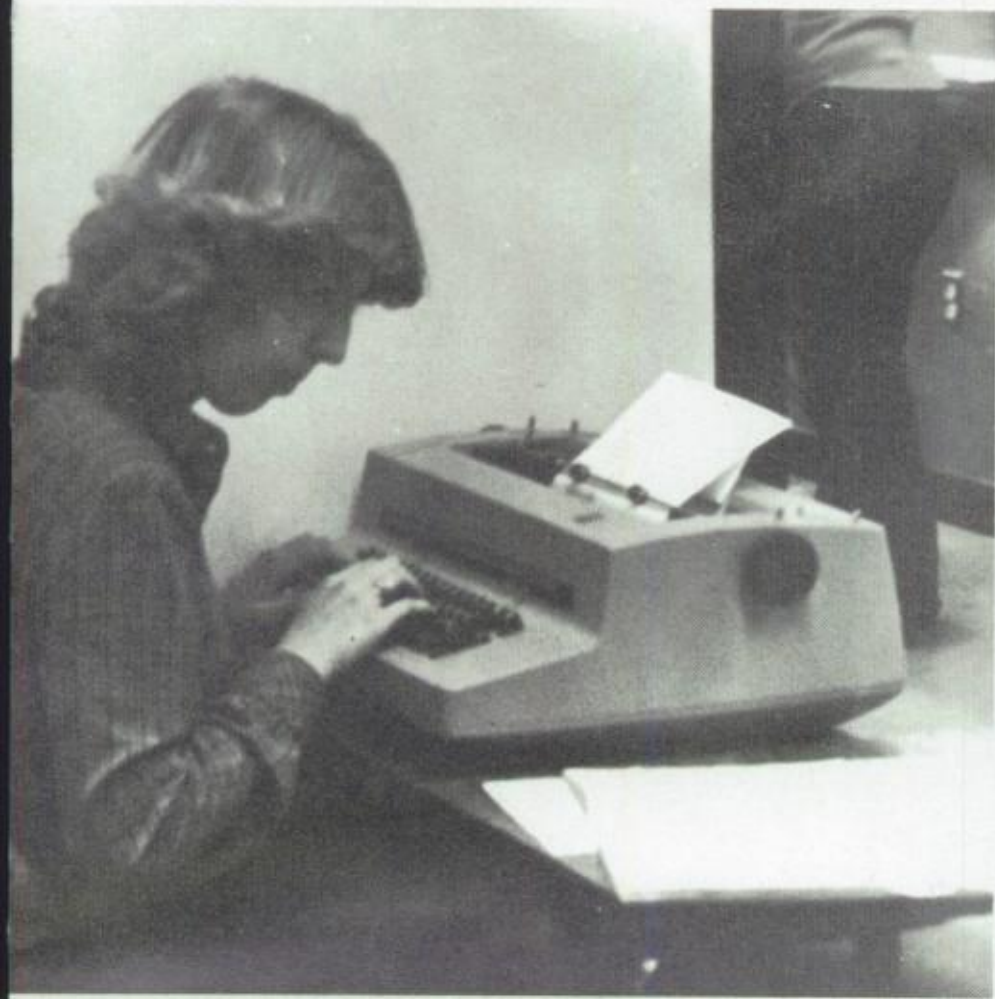

The editor was Dave Tackman, news editor; Debbie Bujalski, editorial editor; Pauline Wasek, sports editor; Wendy Brandt and Joe Kozuch and feature editor Dave Piotrowski, and Chris Enzer.

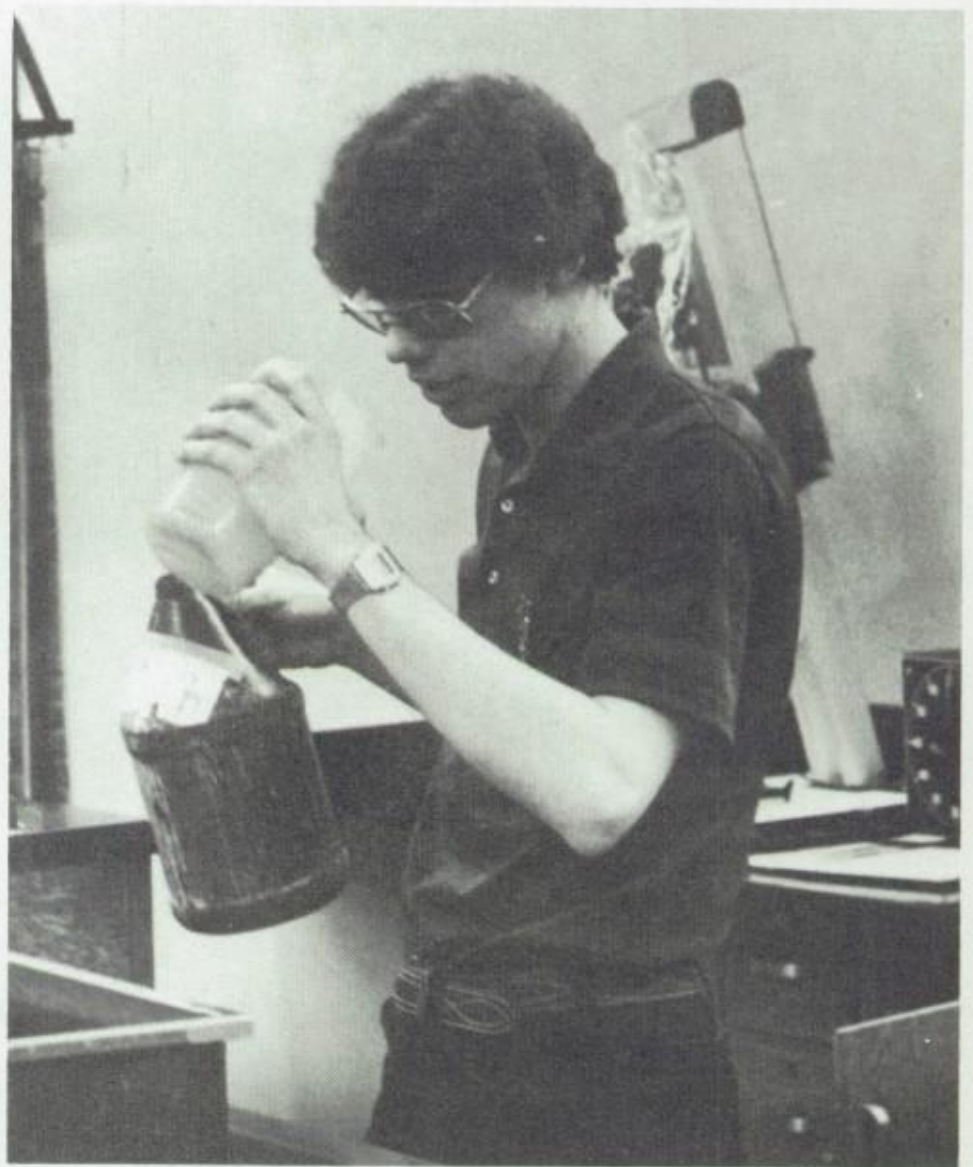

Debbie Bujalski reads the paper to find some ideas for her articles.

Student Council had another great year here at Western. They started the year off with homecoming and spirit week. For Christmas they delivered Santa Grams, had their annual food drive, and had Santa dress-up day. Switch day, assemblies, appreciation days and many other activities kept them busy throughout the year.

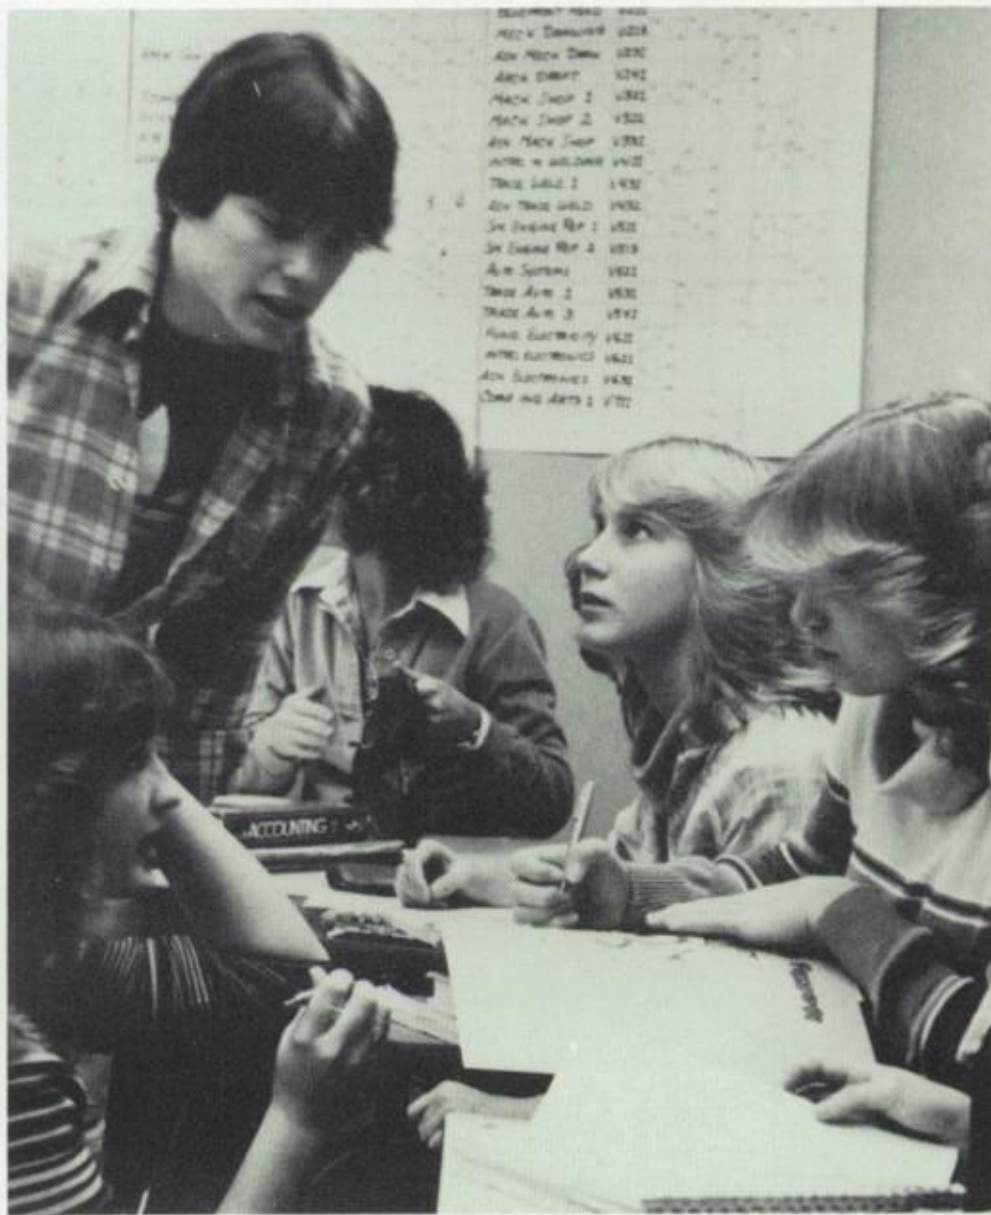

Looks like we caught Jay Handy and Jeannine Sinke talking about Student Council relations!

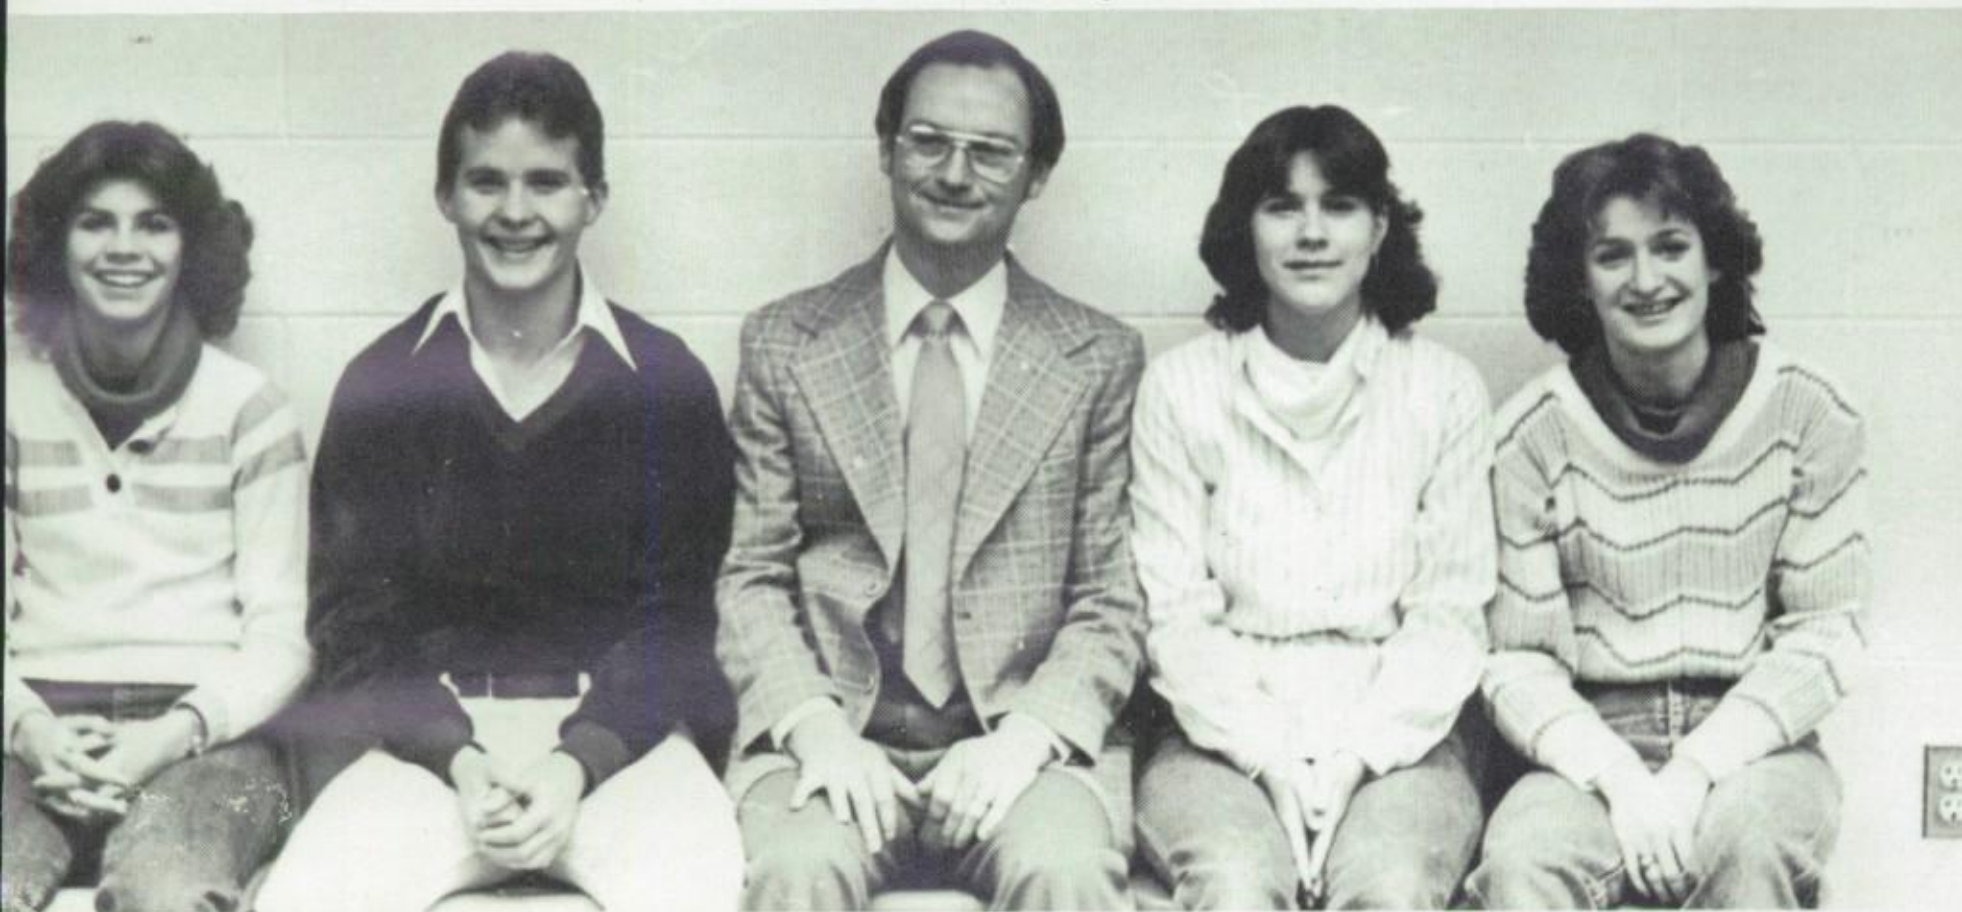

# Takes Action

Among these activities were selling jerseys, (a record 653 jerseys were sold), ushering at special shows, and selling carnations for Valentine's Day. The League, sponsored by Mrs. Janice Wiles and Mrs. Lois Verity, is open to all students at Western High. The group had over 40 members this year, nearly twice as many as last year.

Marie Lukowski hands out carnations for Valentine's Day.

You can't taste it that way, Sue Wieland.

This spring our band along with the Westernettes, and Majorettes traveled to Canada. Western is glad to have the band back this season along with all the other extra activities.

The band performs for every one of our assemblies.

Jim Banaszak "skies" for the tip.

"I swear I didn't do it," says Terry McNally, Kyle Briggs, and Scott Martin.

Western's J.V. basketball team started as an inexperienced group, having no previous competition due to a lack of sports programs as they came up to high school. But they also began with a great deal of enthusiasm, coming up with a 10 win 10 loss season against some very tough experienced teams, tying a record for most wins in a season.

It was a season marked by some tough close defeats by experienced and quality opponents which weren't decided until the closing minutes, some strong and respectable showings against Valley power and some big exciting victories as well, which all made it fun for Coach Harmon and the team.

Highlights of the year include — an opening victory over Handy — winning the championship in the Christmas tournament at Ogemaw Heights; A 4-2 city series record by taking all 3 games with Handy and a late season thriller at Central; an exciting overtime win over Midland; and strong efforts in close losses to Clio, Flint Powers, and Flint S.W.

It was a gratifying season as the Warriors continued to improve and gain the respect of all opponents and established pride as basketball players at Western.

The greatest attributes or compliment for this team is their unselfish "team attitude" which is reflected in the statistics of balanced scoring, rebounding and assists.

Although still behind in experience, with continued hard work, improvement, and keeping the all important team concept, these players can represent Western well as varsity players in the future.

IT'S GREAT TO HAVE BASKETBALL AND ALL ATHLETICS BACK AGAIN!

Through the hard work and long practices the teams never gave up hope while ending the season with a record for the A team and a record for the B team. All and all it was considered a good year.

The junior varsity wrestlers, coached by Paul Elliott, did a terrific job for their first year of wrestling.

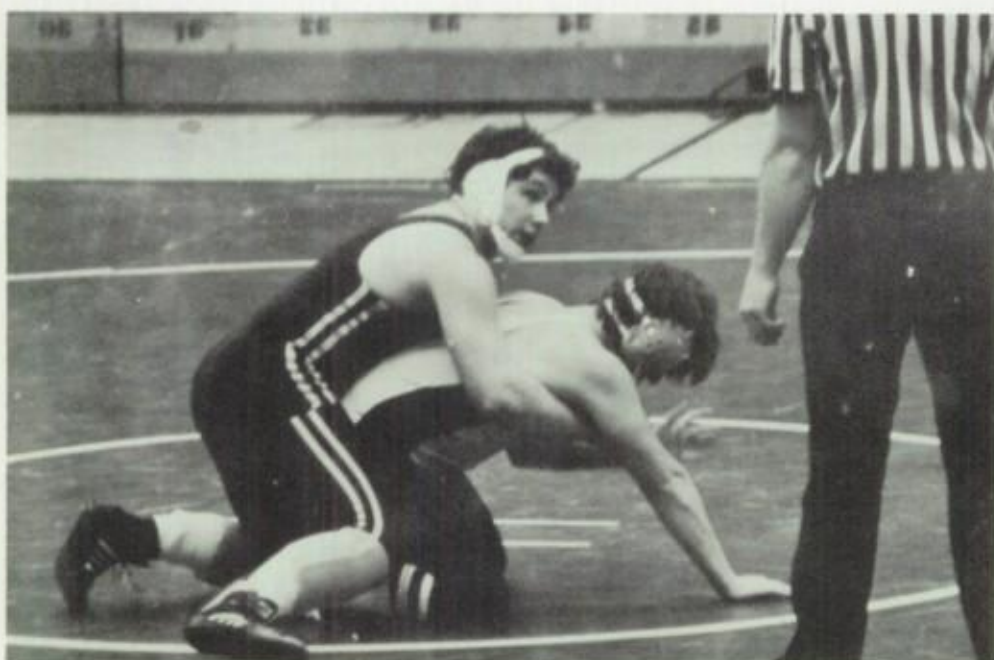

For most of the team wrestling was a new experience, so a victory meant something extra.

The junior grapplers finished off with a 5-0 record for dual meets.

Next year we hope the JV's will use their experience for an even more outstanding year.

Swimming is a sport that takes both individual and team practice. Determination and endurance is a must, and it was certainly evident this year as this new and young team proved. With the return of only three previous swimmers, the team swam with much potential to become outstanding in a few years.

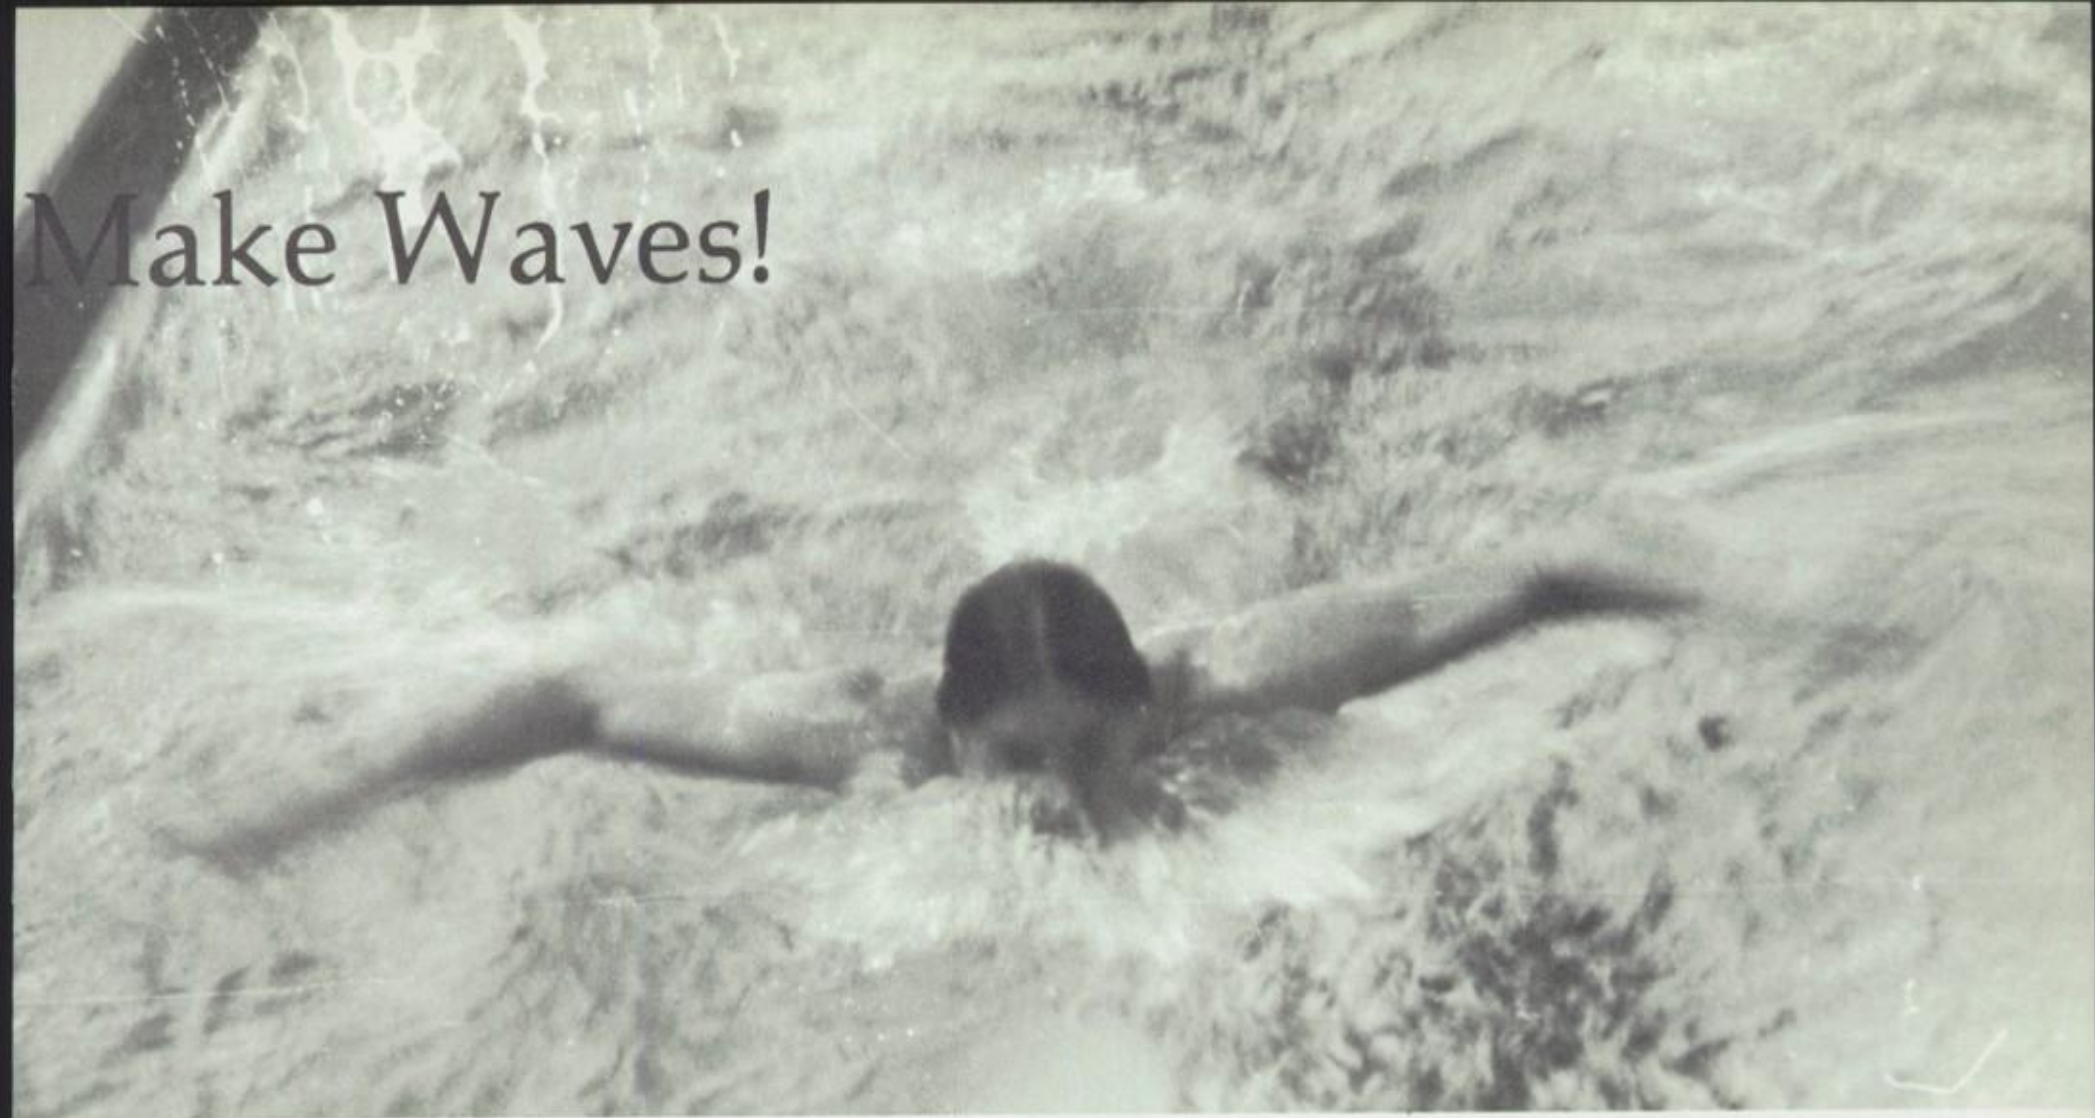

This year's team was coached by Dan Nelson, a new coach to Western and an A.A.U. swim champ himself. Coach Nelson's assistant this year was Mr. Tom Cody, who has the reputation of turning out champions. Helping out the coaches and team was captain Joe Bachelder.

Coach Dan Nelson is always kept busy.

Sarah Auernhammer sets the ball, while Diane Broderick (22) and Patsy Wegener (19) watch.

Melanie Clauss shows great ability to bump while Sue Brinkman (24) takes note.

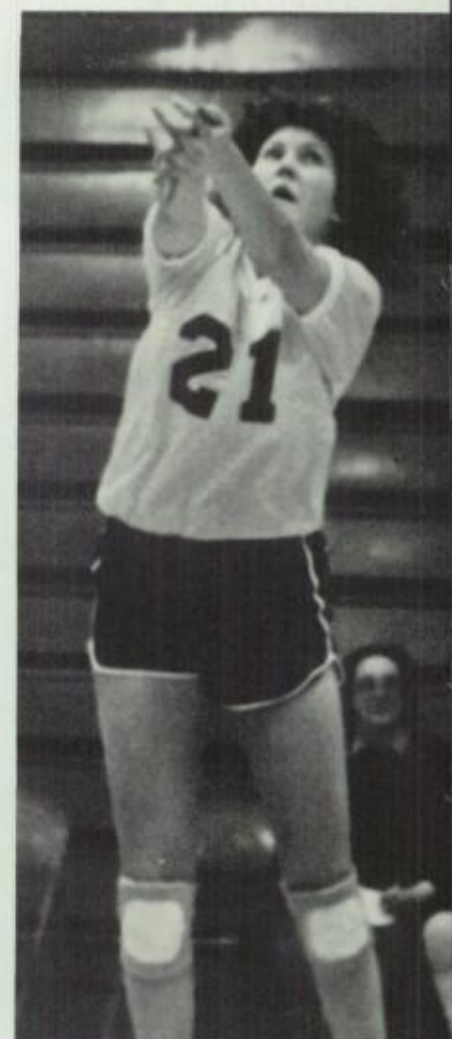

Standing all alone with disappointment in her eyes is Brenda Jezowski.

Sue Brinkman gets the team fired up as the team huddles after a good play.

Bumping is Cindy Bryant

This year the Varsity Team consisted of 8 seniors and 5 juniors. First year coach William Seidenstucker, feels that this year's record, 1980, could have been a little better but he is satisfied. He also felt that the team had and showed a lot of potential.

Practices were held five times a week, in which they practiced mostly on spiking, setting, and bumping.

The Varsity team and Coach Seidenstucker could not have kept the statistics without the help the team's manager Angie Appold.

Awards went to Most Valuable Brenda Jezowski, Most Improved Sarah Avernhammer, Best Setter Gigi Wessely, Best Passer Patsy Wegener, and Best Spiker Cindy Bryant.

Ruth Donnelly takes a burn.

Cheryl Schwab is amazed that she can bump the ball.

Vicki Walters gets down in her position for the arrival of the ball.

Cindy Rugenstein begs and pleads to get the ball up in the air.

The JV team coached by Gail Gehringer had a disappointing year because of the lack of experience through the millage defeat.

No matter how the scores turned out, they always had the enthusiasm and the desires of winning.

J.V.'s show perfection in their mount.

This year's J.V. squad consisted of all sophomores. The girls worked very hard together throughout the year. Cheering for football and basketball led to many hard hours of practice. Their enthusiasm gave the J.V. teams much support throughout the season.

# Freshman Cheerleaders

**Freshman Cheerleaders, Back row:** Lori DeAgostino, Dawn Weitcel, Sue Dominowski. **Front row:** Debbie Hogan, Captain Jill Harper, Tori Camp.

The freshman cheerleaders did well this year while attending two competitions. One was at Harrison High where they took first, and the other was at Holly High where they didn't place. These girls worked hard all through both football and basketball seasons to make everything almost perfect. Their cheers, smiles, and spirit helped bring the freshmen many victories.

Lori Willey and Rich Piotrowski studiously follow along with the teacher.

Paul Sheck looks comfortable.

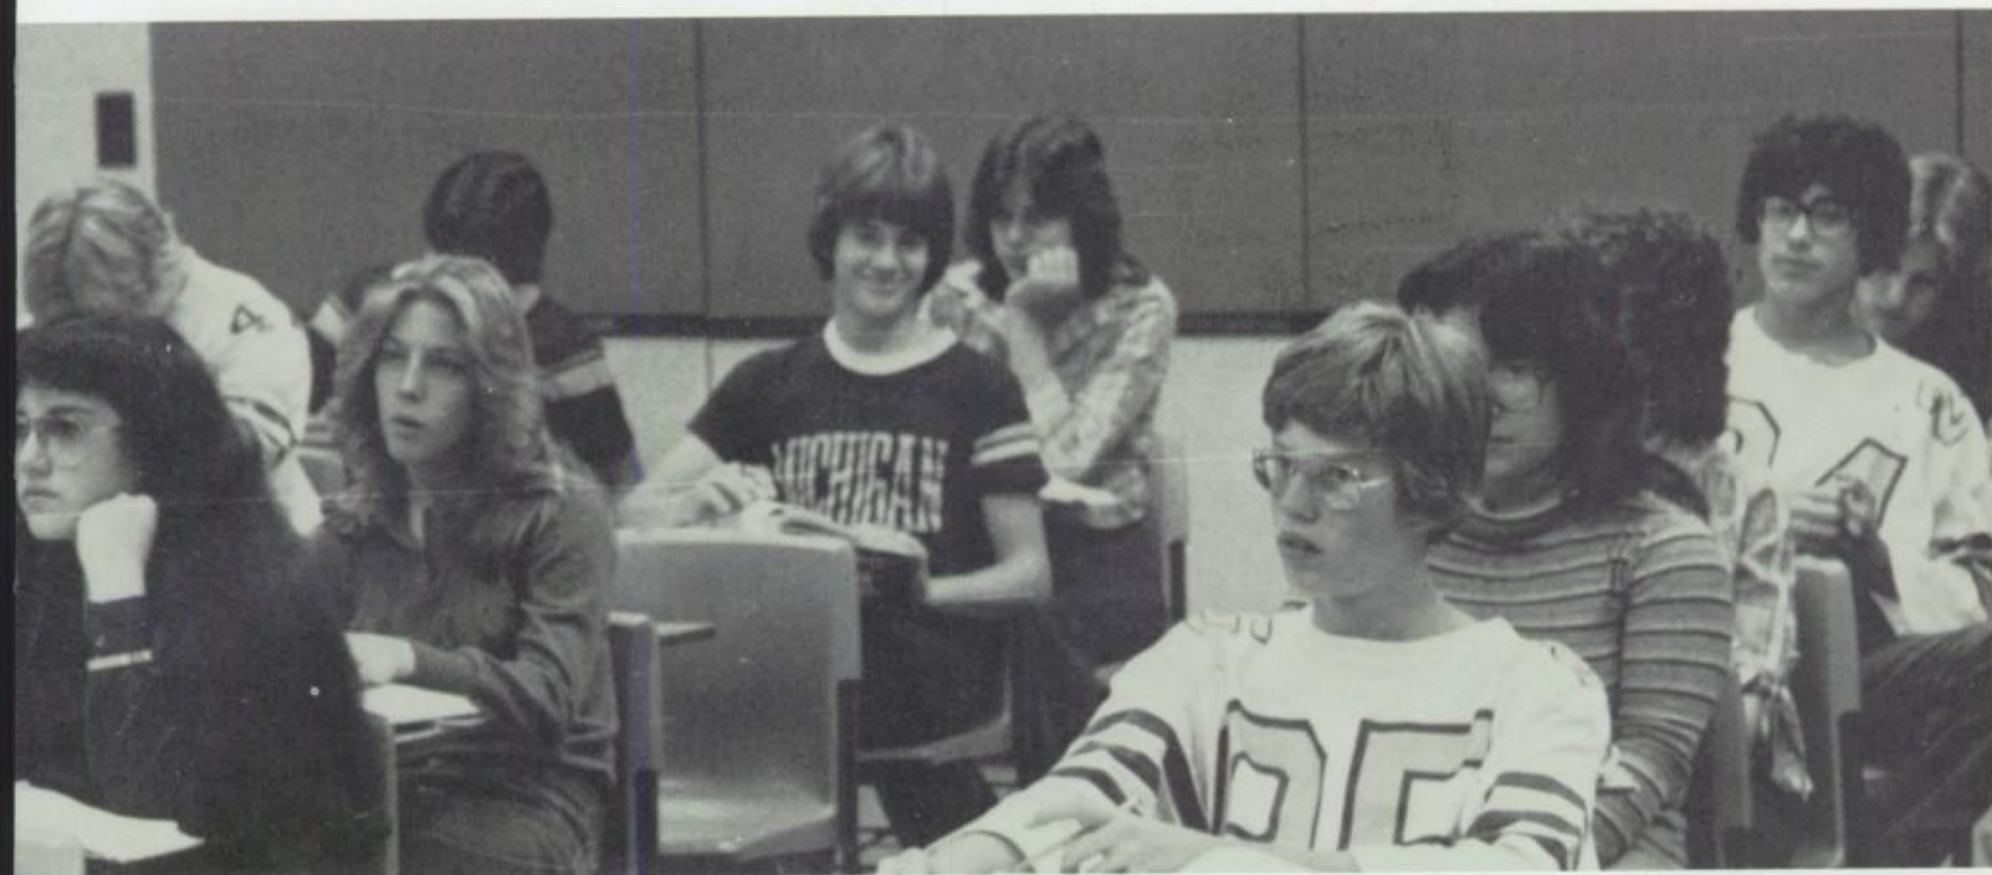

Gary Dardas doesn't appreciate having his picture taken.

Were you shot in the stomach in math class, or are you hiding your answers, Don Bailey?

# as 1 — 2 — 3

Mark Sheridan seems to think Mr. Learman's class is enjoyable while everyone else concentrates on the lesson.

Judi Janowicz is daydreaming her geometry class away.

Gene Talaga seems to think geometry is funny.

For seven years Western's math teachers have diligently taught arithmetic to the students. They always seem to be able to teach in a way fun for everyone. Western's students had a choice of Consumers Math, Elementary Algebra, Algebra, Advanced Algebra, Plane Geometry, Plane and Solid Geometry, Trigonometry or Senior Math and Vocational Algebra. The math department offers a class for everyone.

# Home Ec. — Something for All

Shouldn't you be doing your work, Kim Rosenbrock?

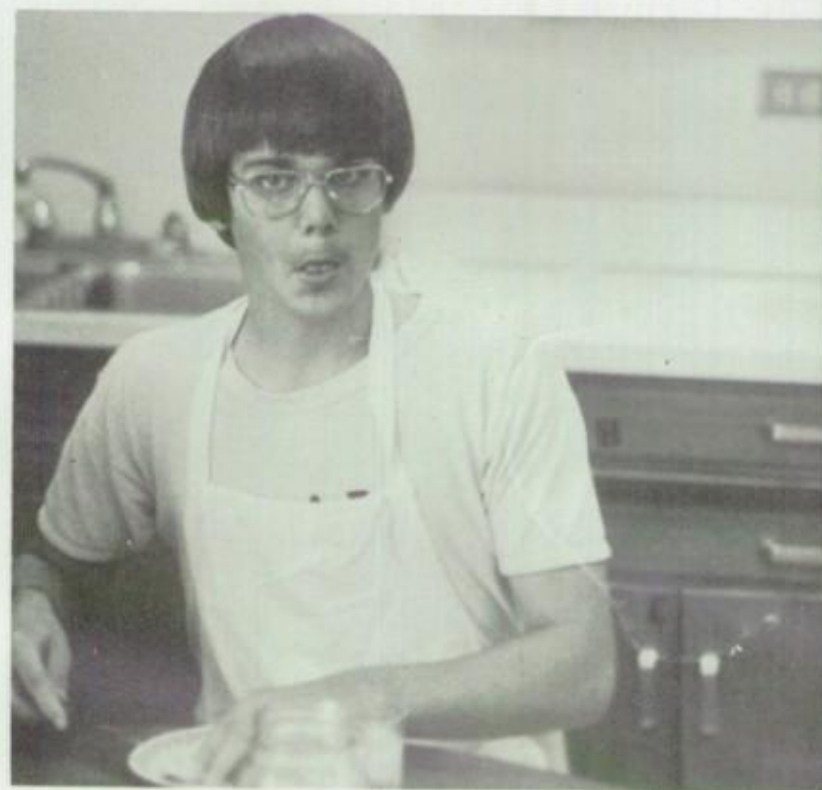

Bruce "Chef" Everett is preparing a special dish.

John Foley and Scott Meylan, how's that dress coming along?

Western's Home Economics Department aids students in future career possibilities and helps to develop adult life skills. This year the department not only had classes that cooked, but also offered courses such as Independent Living Skills, Consumer "Money" Class, Exploring Childhood Careers and many others.

Consumer "Money" class, which teaches students about managing money and other things helpful in the future, fulfilled a new one semester graduation requirement for many students.

Bob Redick displays his impression of the cuisine.

Kerri Young adds a touch of class.

Julie Chartier and Missy Tessman look disgusted with the test.

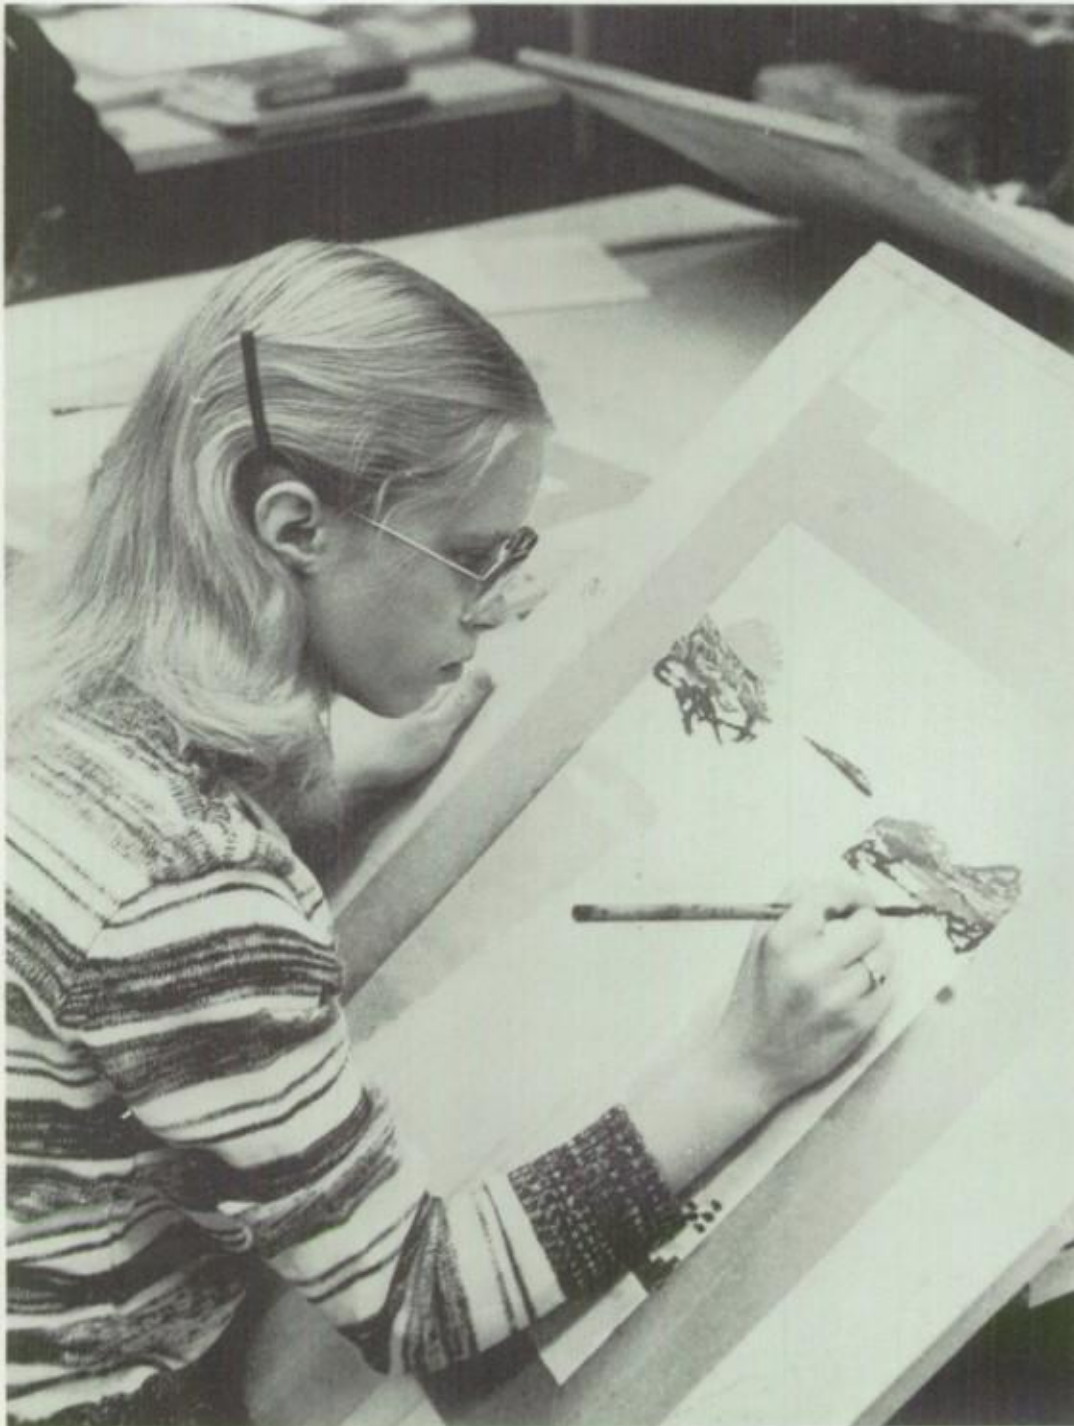

McCann realizes that eating has its bad points.

Hey Doug Pawelski, we know the cameraman is cute, but really!

# Art Students

Emily Goik uses a steady hand to perfect her work.

Photographers catch Clarese Toth totally by surprise.

The art department is a great place for a number of reasons. Students are able to explore and use their imagination through the creative use of a variety of materials, tools and equipment. Many of the skills learned in art can be put to use in everyday lives; such as refinishing a house or making a special gift for someone for just a few examples. Of course, those students who are interested in art-related careers will certainly be getting off to a good start!

Cheryl Meylan is making her big Friday night plans.

Music has its serious sides, too, right, Connie Deering?

Mitchell Beekman — The Lone Drummer — smiles at his peers.

Marge Pijaszek blows confidently with her fellow band members.

Western's music department had another great year. We are very lucky to have Mr. Keith Saxton as our band director. He taught Marching Band, Concert Band, Cadet Band, and Westernaires. Under his direction, Western's musicians rose one notch closer to "The Seger's of Tomorrow."

# Science: Concentration

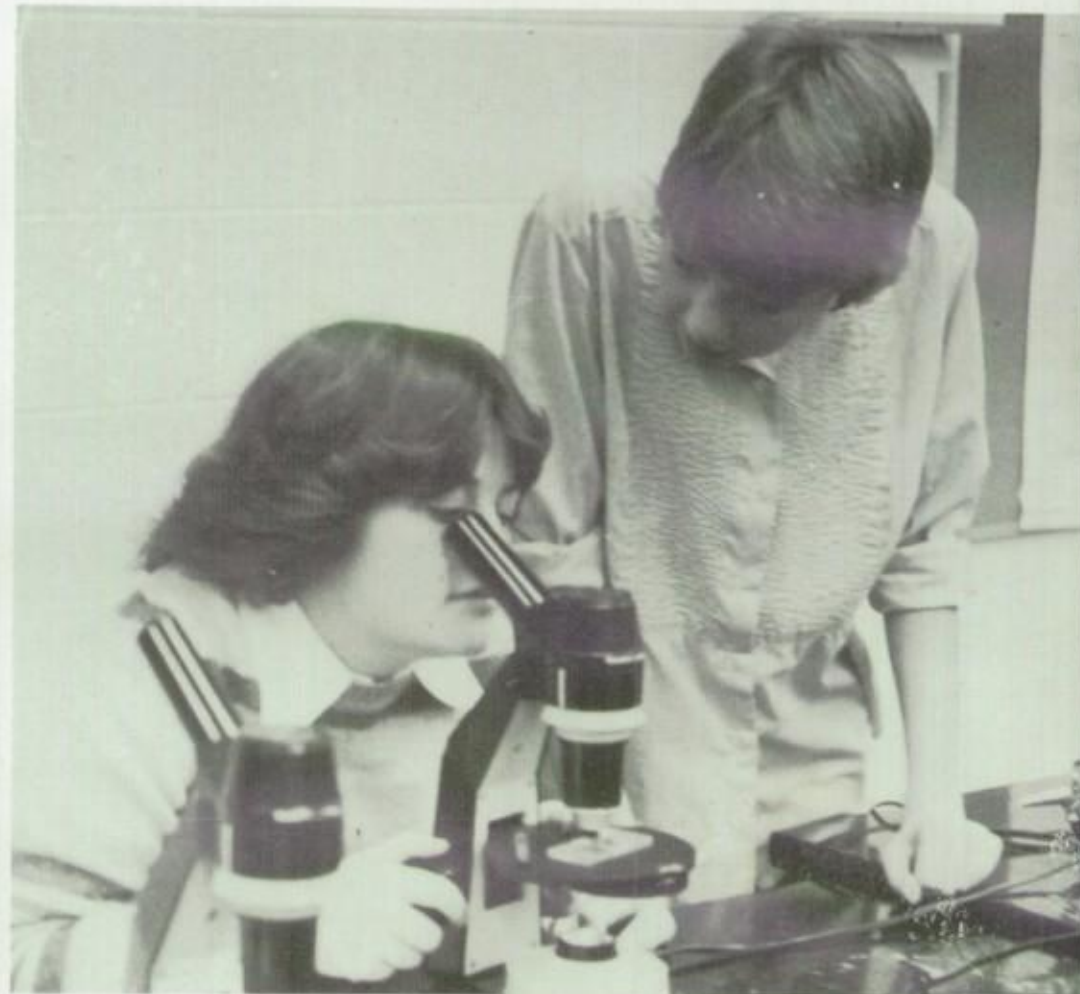

Everyone is hard at work surrounded by all of the plants in Mr. Brown's room.

# Understanding, and Hard Work

Brian Mehlhose and Joe Bachelder experiment in chemistry.

These students prepare for an experiment.

Jessie Wood finds her difficulties during Science class.

Caught goofing around again in science class is Ron Sharp.

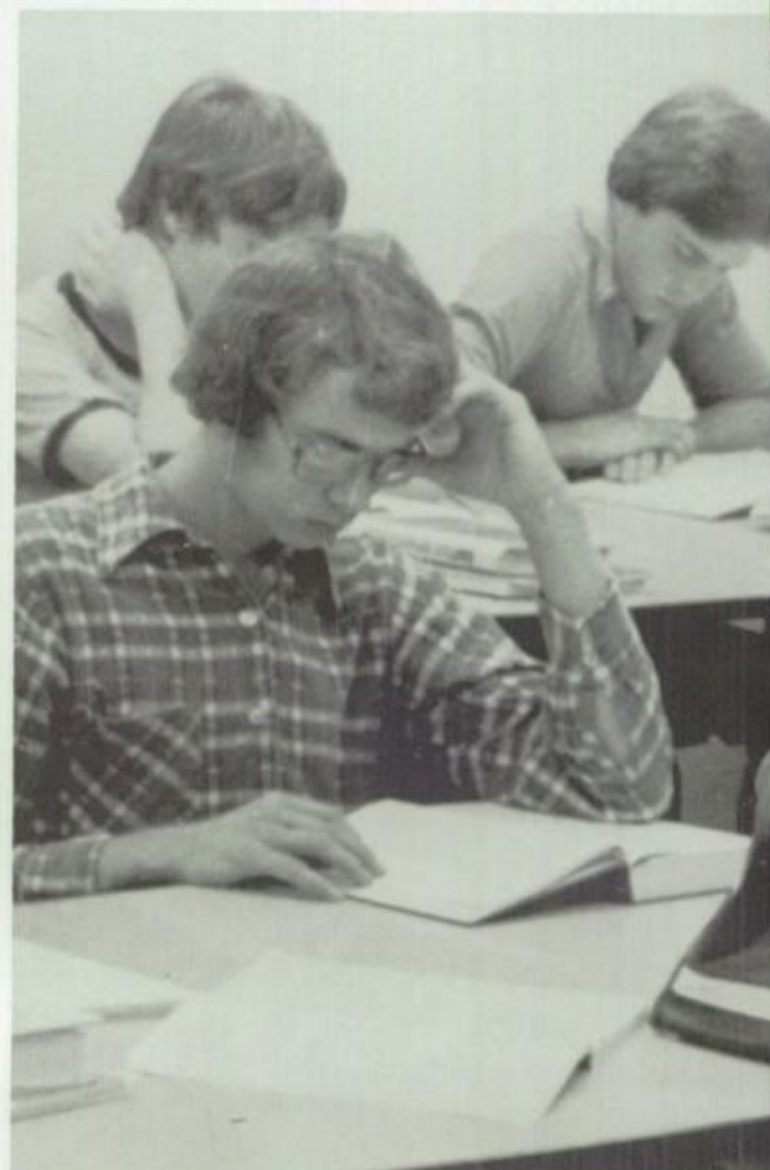

Concentration, understanding and hard work are all a major part of science. Lab investigations, experiments and dissections are only a few of the ways of learning through experimentation. Science prepares many students for college. It also interests students who are just interested in science. There is a wide variety of courses to select from. The courses range from general science to physics.

# Business Courses

Laurie McGee concentrates on typing accurately.

Mike Holka looks enthused about reading his assignment.

Denise Dueweke and Debbie Butzin do their warm-up exercises.

The business education classes at Western offer students the opportunity to learn important skills such as typing, accounting, shorthand, record keeping, and the use of many business machines.

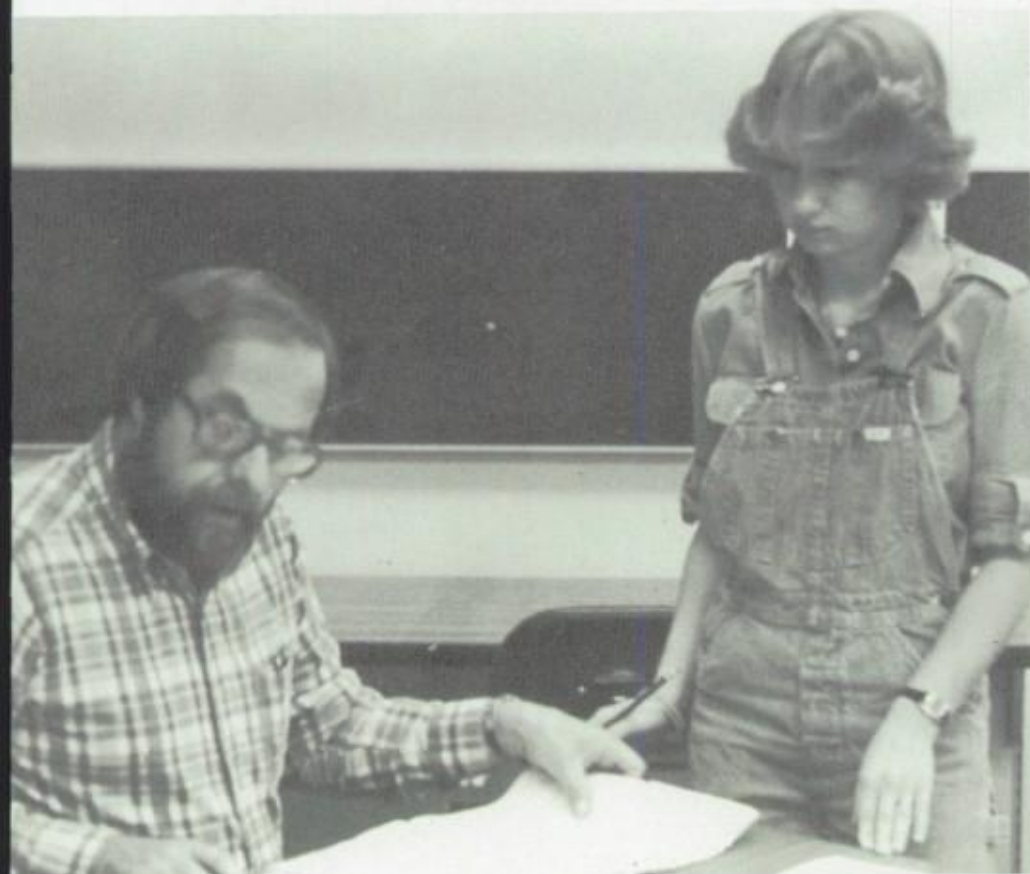

College students find typing and shorthand an essential for term papers and taking good notes. Students seeking a business career realize the importance of almost all of the business classes. These classes can prove helpful later in life for balancing check books and filing tax returns. Business classes can benefit all students who take them.

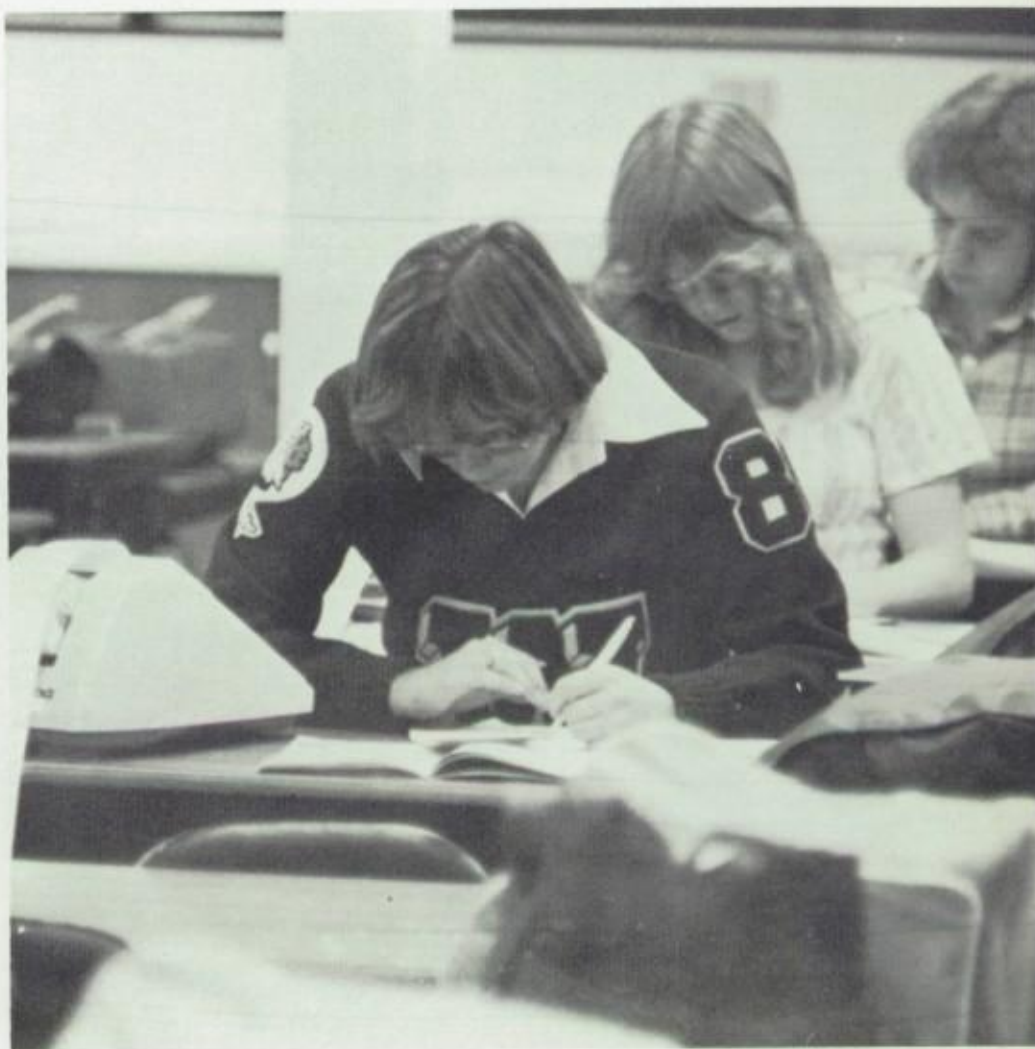

Dawn Rudnick and Cathy Heritier check their totals on the adding machines.

# Us in Shape

Come on, girls, don't just stand around, start dancing.

Jeff Dixon dribbles down the court as Greg Bruzewski tries to block.

Stuart Kernstock and Richard Felmlee perfect balance.

Is Physical Education for you? It is if you are a freshman. This year one semester of health and one semester of Phys. Ed. to include swimming and physical fitness activities are required for graduation. Since Phys. Ed. is a popular class, a maximum of four semesters excluding health class may be taken. There are many classes offered: Gymnastics, Rhythm and dance, and Individual Sports just to name a few. Whichever one you decide on will be fun, so take a gym class and be on your way to a healthier year!

# Foreign Language

Laughing Cheryl Abeare, you should be listening like John Campbell and Diane Balwinski.

You and your classmates don't look too excited Peggy Schlatter.

# Coming Back

Get working on that French, Sylvain LeMaire and Dominique Marier.

Mrs. Ennest's Spanish class always works hard.

Talking during Spanish Rich Wisniewski and Jimmy Bond.

Foreign Language is coming back. This year enrollment in the Foreign Language department has increased. There are four languages offered at Western: French, German, Latin and Spanish. Foreign Language helps expand the minds of our students and increases their understanding of English. Any of these languages will help the Western student for travel or college, as well as in the job market.

# Speaking of

Kelly Socier and Jackie Dubay are totally speechless with their assignment.

At Western speech is among the requirements for graduation. The credits can be earned by taking Drama, Public Speaking, Radio TV, or Interpersonal Communication.

The Drama and Radio TV must be taken two semesters to fill the requirement.

The teachers presenting the programs are Mr. Ronald Ferguson and Mr. Frank Bradley.

One of the most popular classes is Interpersonal Communication which examines the needs and difficulties in oral communication. Growth opportunities are provided by encouraging students to analyze their own weaknesses by confronting them.

Lisa Helmreich and Rose George are closely listening to Mr. Bradley's instructions.

# Speech . . .

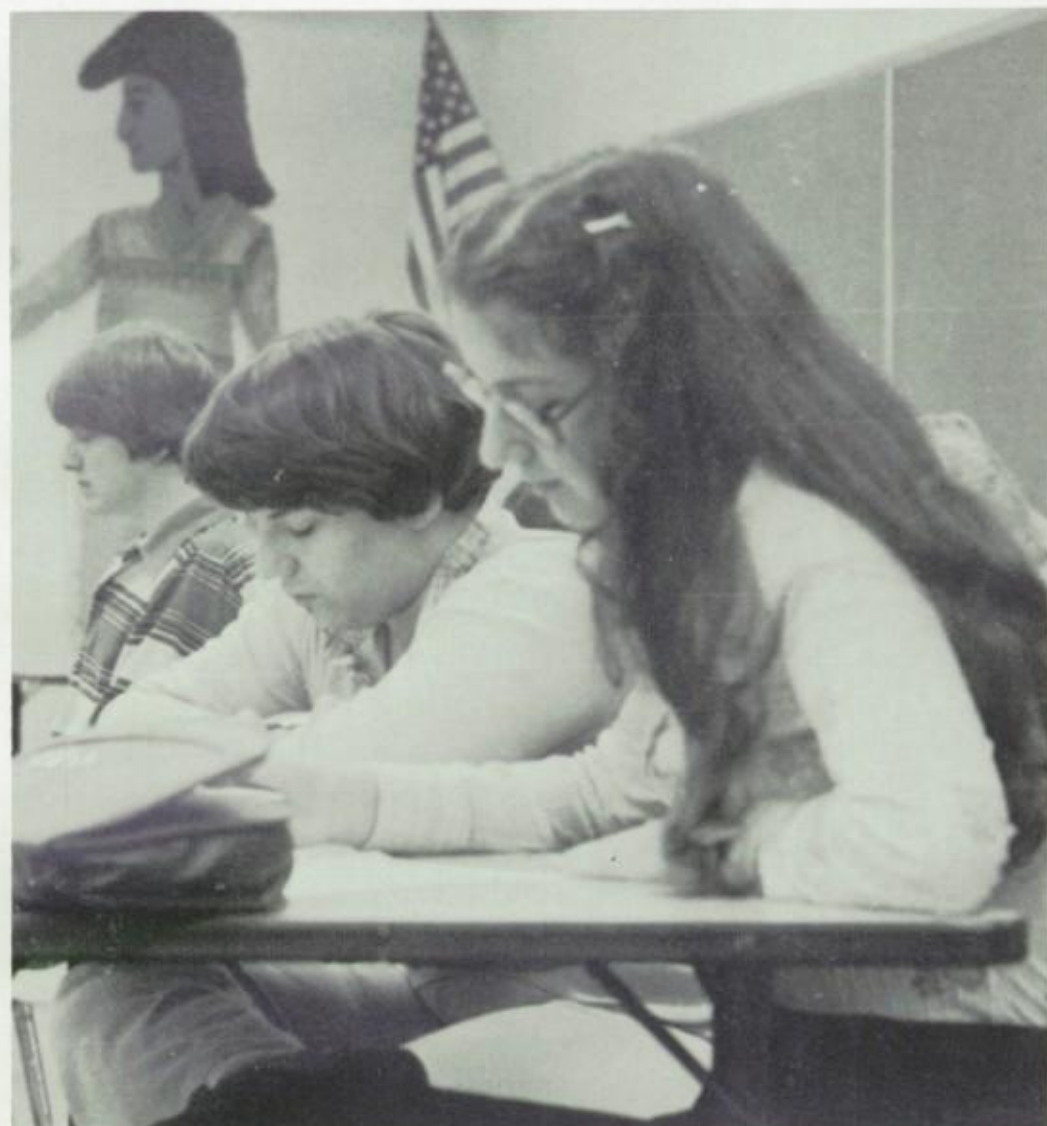

Jackie Syring practices her lines.

"I'm having just a ball," laughs Karen Neeb.

Michelle Youngs chuckles at Mr. Ferguson's jokes.

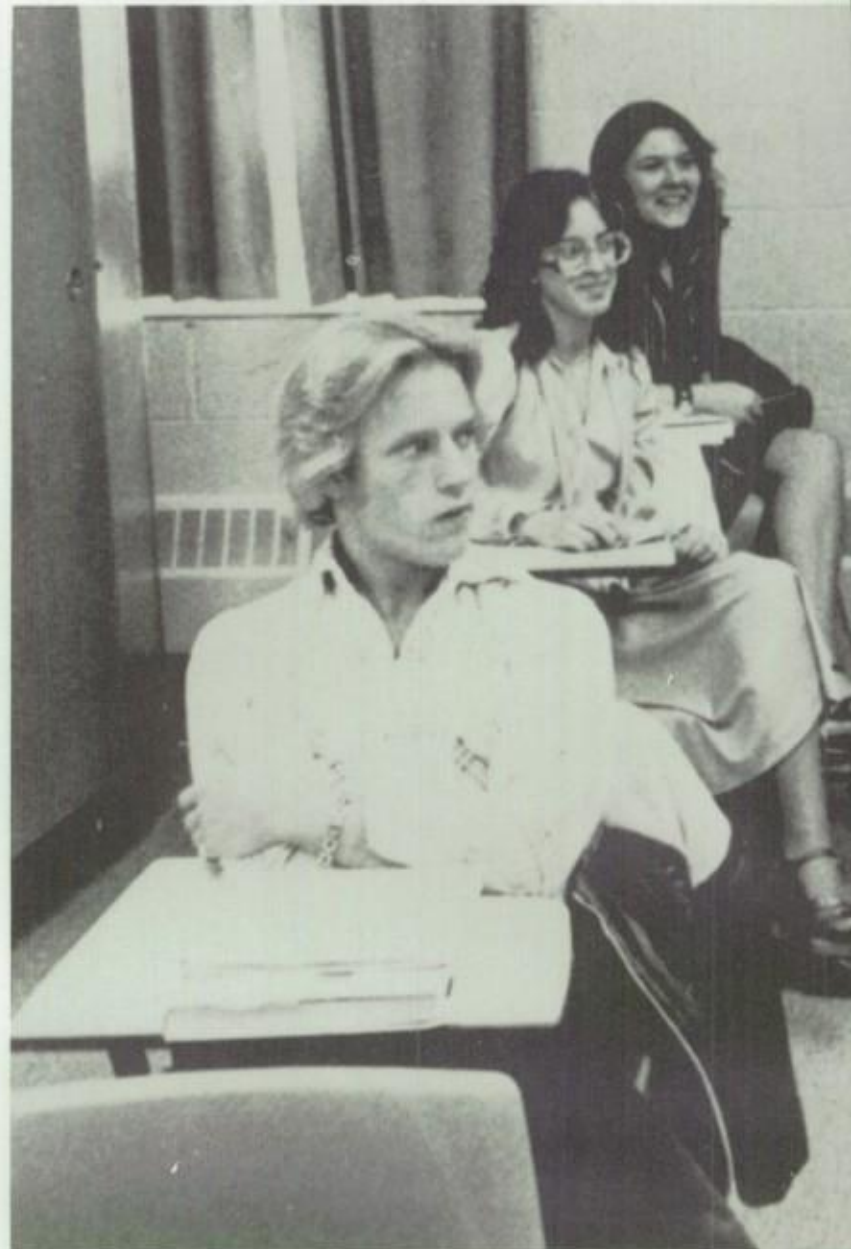

Carrie Dore and Deb Behmlander are completely enthralled by their desk top.

# English is Fun “??,¿(!)”

Tracy Shafer thinks English class is a lot of fun.

Dave Reder, Lynn Rytlewski, and Ellen McRoberts sit back and enjoy Intro. to Journalism.

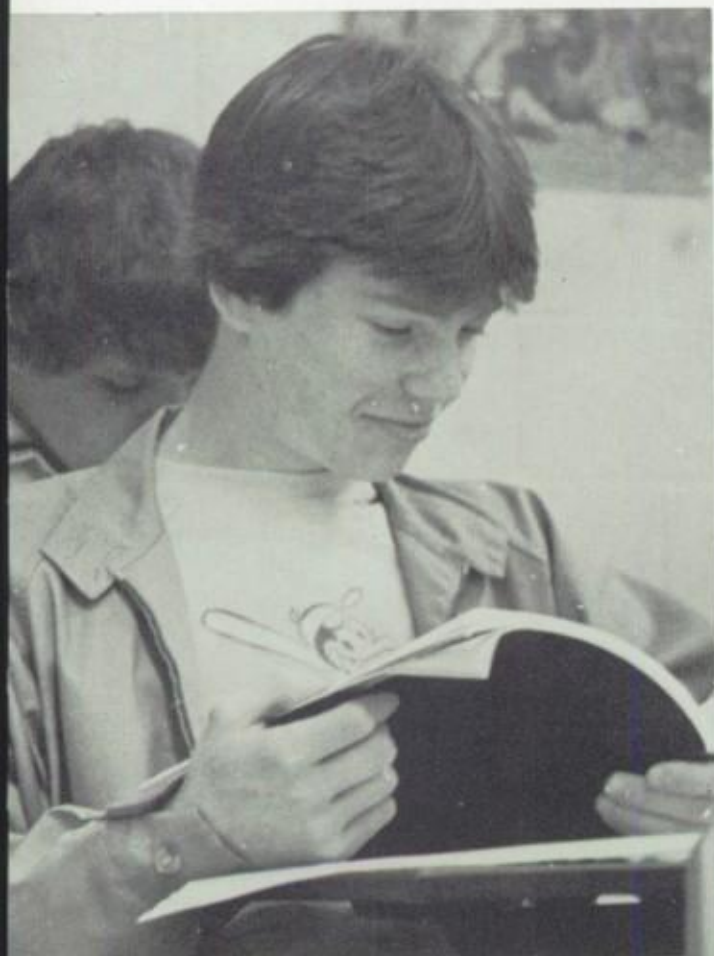

Mr. Livingston's Comp 2 class looks enthused.

English requirements are something many students dislike but will be glad they had later in life. Here at Western students have over forty different classes including Language Studies, Composition, Reading, Literature, and Speech. Western's yearbook "Concept," and newspaper "The Western Star" are included in the English Department.

Brian Beechum, Maggie Elliott, Lori Bublitz, Shellie Gary and Kim Coyer relax before class.

Dave Reder seems to be looking at something besides his work.

# Social Studies Is a

Karen Cerva and Diane Esseltine study in history class.

Mr. Balwinski preaches to his class.

History is required to be taken in 11th grade. In 12th grade, government, a state required course must be taken by anyone wishing to graduate. Other electives in the social studies area include Psychology, Sociology, and Economics. Michigan History and World History are social studies not quite as popular with the students.

Most students consider social studies a class they wouldn't normally take if it weren't a required course. But any student interested in the government or its history finds it a necessary item in his curriculum.

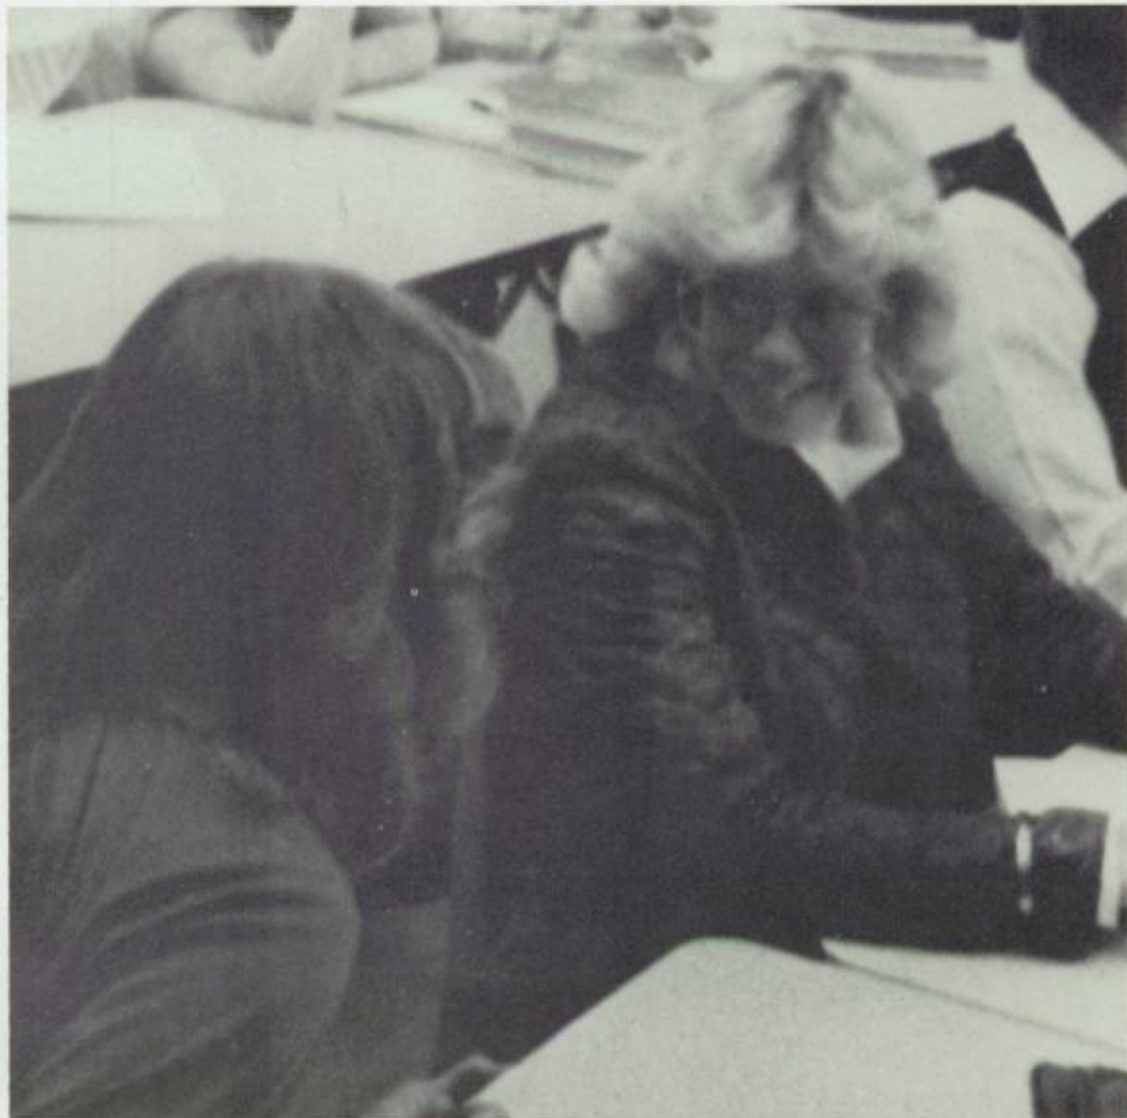

Tim Kelly is caught in a rare moment of deep thought.

# Must for Graduation

Bruce Everett and Todd Castillo seem to be real excited.

Penny Reinhardt and Sue Mieske discuss the day's events in psych. class.

# Seniors "Yea-Baby"

It all began four years ago when the class of 1980 came to Western as freshmen. We met many people, had many experiences, and saw many of ourselves and our friends change through the years.

We saw our school system and extra curricular activities change from full to gradually being eliminated to nothing. Now in our senior year we're grateful to get back our "extras," but they've still got a long way to go.

The year 1980 is the beginning of a new decade, future, and life for us. There are a lot of questions to be answered in the world today, and hopefully our class of 1980 will contribute toward some of those answers.

As we look back over the past four years we remember many memories, good and bad, and now we must look into our future and the future of our surroundings, and hopefully someday we'll be able to say 'yea-baby,' I made it!

Senior class officers are Pat Schmidt, Vicki Knoerr, Gigi Wessely, Leslie Greenwood, Pam Klosowski, Jeanne Sinke, and Tony Ambrose.

*Jake Kernstock*

Walter Jake Kernstock passed away on October 26 of this school year due to injuries received in an automobile accident.

Jake was a 17 year old senior at Western. He was a member at Trinity Lutheran Church in Monitor and also a member of the youth group. Along with farming, Jake was a co-op worker for Dean Arbor Ford in Pinconning.

When I must leave you  
for a little while,  
Please do not grieve  
and shed wild tears  
And hug your sorrow  
to you through the  
years.

But start out bravely  
with a gallant smile;  
And for my sake  
and in my name  
Live on and do  
all things the same,  
Feed not your loneli-  
ness  
on empty days,  
But fill each waking  
hour  
in useful ways,  
Reach out your hand  
in comfort and a  
cheer

And I in turn will com-  
fort you

and hold you near;

And never, never

be afraid to die,

For I am waiting

for you in the sky!

*Jeff Koenig*

Jeffrey M. Koenig, a 16 year old senior at Western, passed away November 15 from injuries received in an automobile accident.

Jeff was a member of St. Vincent DePaul Church and was an active member of the church's youth group. He was also involved in the Saginaw Hockey Association.

# "81" Has Lots of Fun

**Top row:** President, Jim Umbarger; Vice President, Jay Handy; Secretary, Robin Martin; Treasurer, Barb Pfannes; and Senators, Karen Bachelder, George LaFramboise, Karen Cerva, and Diane Esseltine.

Last year was hard for the class of "81." Without sports, counselors, and lunch hours, they had to look for other pastimes. This year Western has all these things back. The class of "81" will surely look back on the 1979-80 school year as a year to remember.

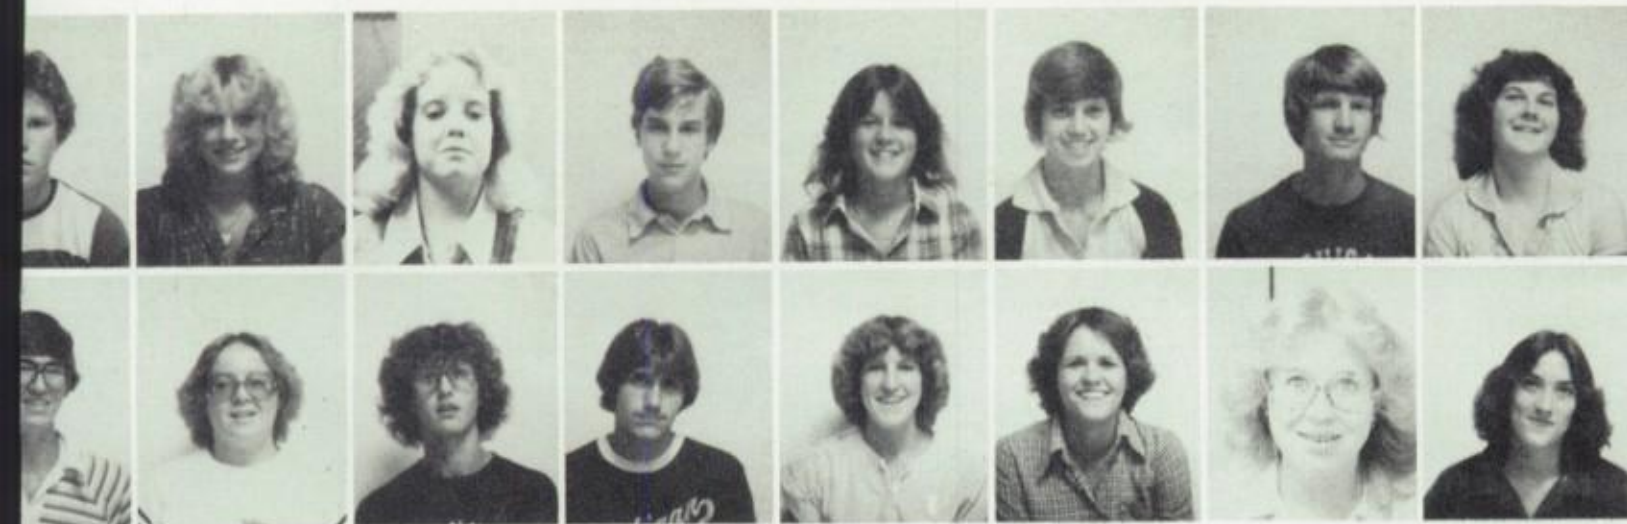

The candy sale was held by the juniors again this year. Top seller was Theresa Dombrowski, very closely followed by Gail Klepser.

Elections for class officers and senators were held in the spring of 1979. Jim Umbarger was elected president; Jay Handy, vice president; Robin Martin, secretary; Barb Pfannes, treasurer; and senators were Diane Esseltine, Karen Bachelder, Karen Cerva, and George LaFramboise.

**Officers:** Barb Pfannes, Robin Martin, Jay Handy, and Jim Umbarger.

# Sophomores Get It All Together

Sophomore class officers are Secretary Suzette Gillman, President Lynda Vennix, and Vice President Zoanne Hnatiuk. They enjoy posing for a picture in the carpeted area.

**First row:** Debbie Deering, Zoanne Hnatiuk. **Second:** Terry McNally. **Third:** Suzette Gillman, Beth Wiesenauer, Darcy Dannesberger and Lynda Vennix on top.

Going from freshmen to sophomores was a big step for the class of '82. They started their progress last year when they elected their student council representatives. Elected were President Lynda Vennix, Vice President Zoanne Hnatiuk, Secretary Suzette Gillman, and missing Treasurer Tom Fryzel. Senators chosen were Darcy Dannesberger, Terry McNally, Debbie Deering, and Beth Wiesenauer. The Sophomores ordered class rings and sold mums for this year's homecoming. Both events are annual for the sophomore class.

# It's Just the Beginning

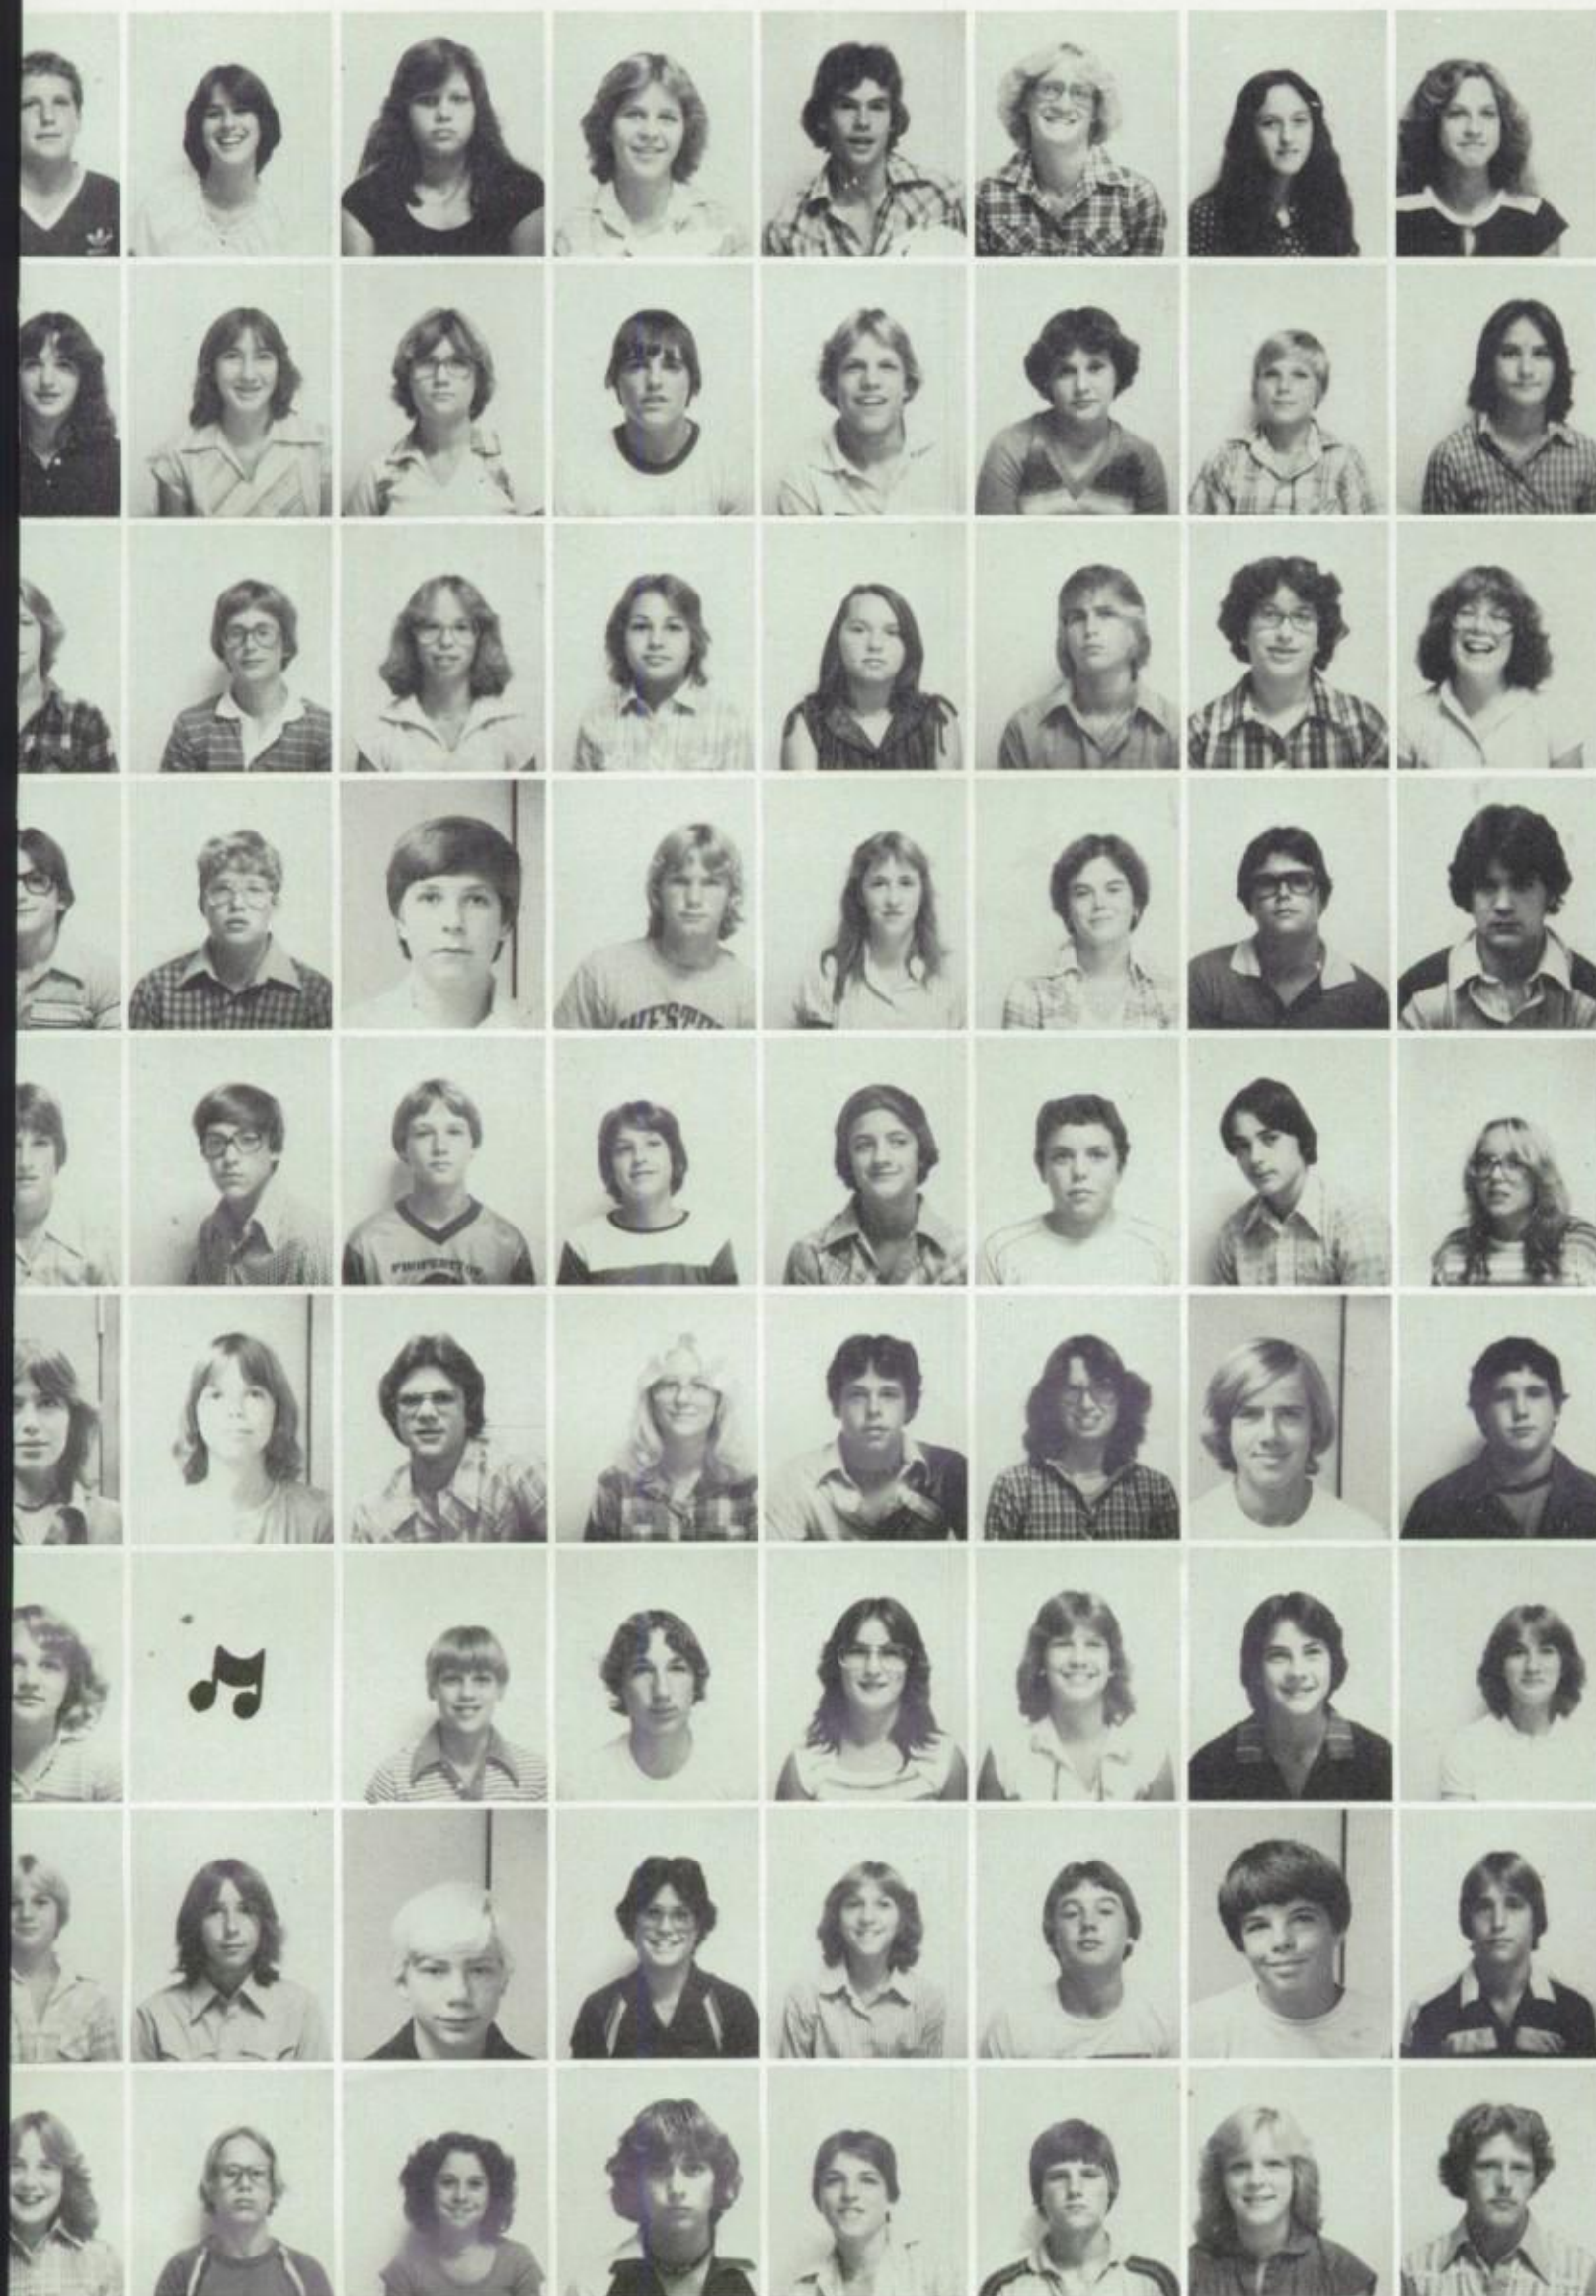

**Front row:** Deb Wishowski, Cindy Wessely, Mark Steih and Melanie Cook. **Back row:** Treasurer Kristie Boman, Secretary Sherry Dominowski, President Barb Yurgaites, and Vice-President Deb Abeare.

The freshmen had to adjust to new school hours this year since they were on an afternoon schedule last year. An election was held in the fall to choose the freshman officers who would represent the class of 1983. Even though they were new and expected to be scared and quiet, they showed more spirit at the assemblies than the sophomore or the junior classes as they continuously pushed the seniors in the competition for the Spirit Jug. Never before had the freshman class been able to take second place. They should become a very active class.

Treasurer Kristie Boman, President Barb Yurgaites, Vice-President Deb Abeare, and Secretary Sherry Dominowski smile at the photographer.

# Faculty

THE KIND OF TOP DRAWER,  
FIRST RATE CHUMS I ATTRACT.

# Board Has New Members

Dr. Eldon Clayman

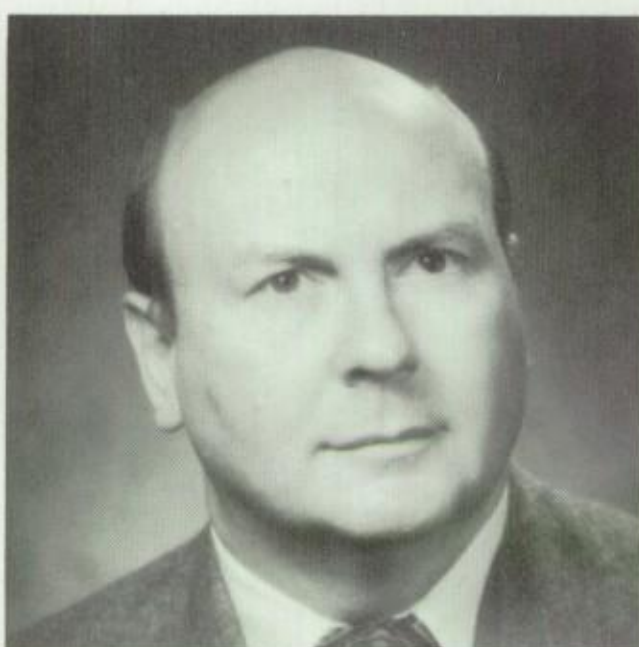

Ken Kuizenga

Alex Murray

Kitty Ralph

Orville Reno

Katharine Serumgard

The board members are elected by the people. Most people think that the board members are paid for their services where in fact they are spending their own time to do services for their community without pay.

Two big problems the board faced this year were the voting of the millage and the decision of a new Housing plan. The reason a new housing plan was needed is because of the declining enrollment which lowered the school population in Bay City considerably.

Board superintendent is Raymond Duch.

Board president is Eugene Stewart.

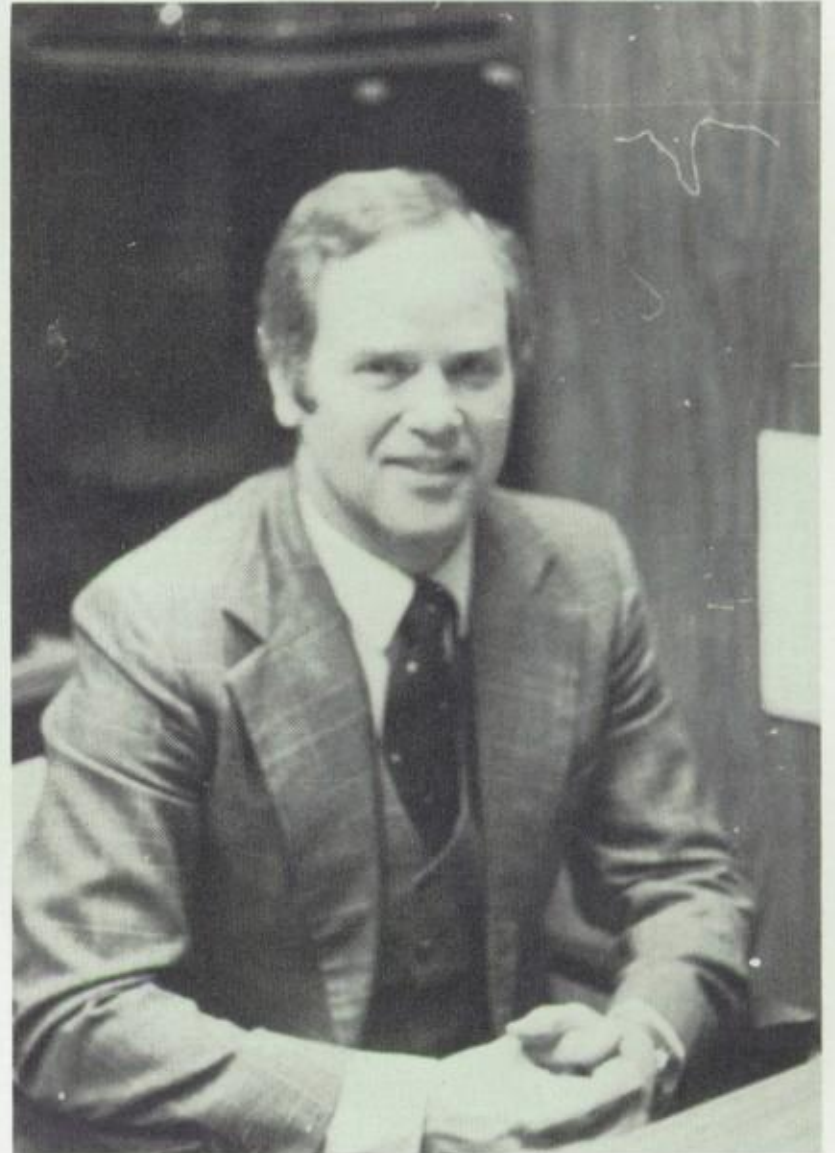

# Administrators Are Hard at Work

Mr. Bryant tries to look busy with a smile on his face.

Mr. Langenburg takes a break from his busy schedule.

The students here at Western don't realize what a nerve-racking job administration can be. These three men have most of the decision making that they feel is best for the students. These three men are the backbone of Western.

They are always busy with skippers, schedule conflicts, and many other problems that concern everybody. These men are very important people at Western High. So have a little consideration for them; they are only doing their job because without them we might not have what we have at Western.

Mr. Bloenk doesn't look very enthused.

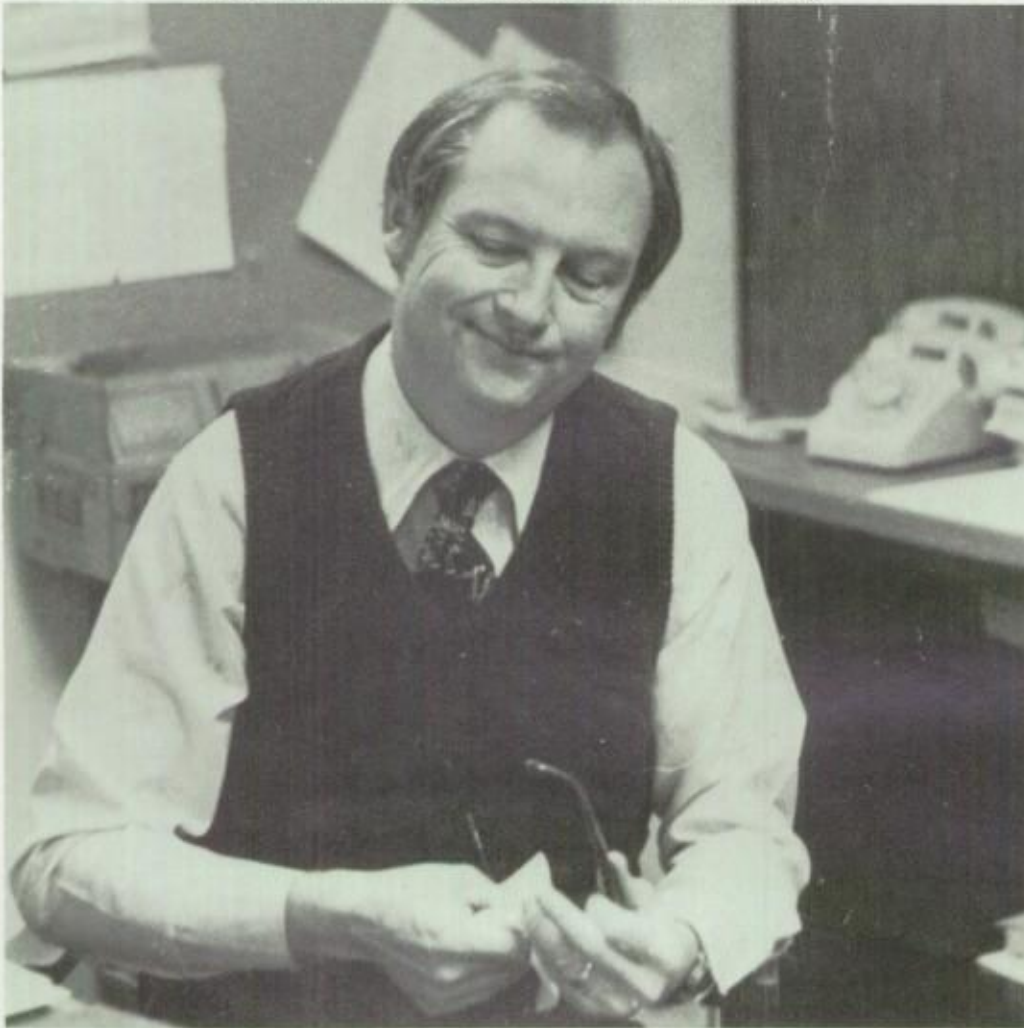

# Special Services Help Students

Mrs. Wayne takes a break from social working.

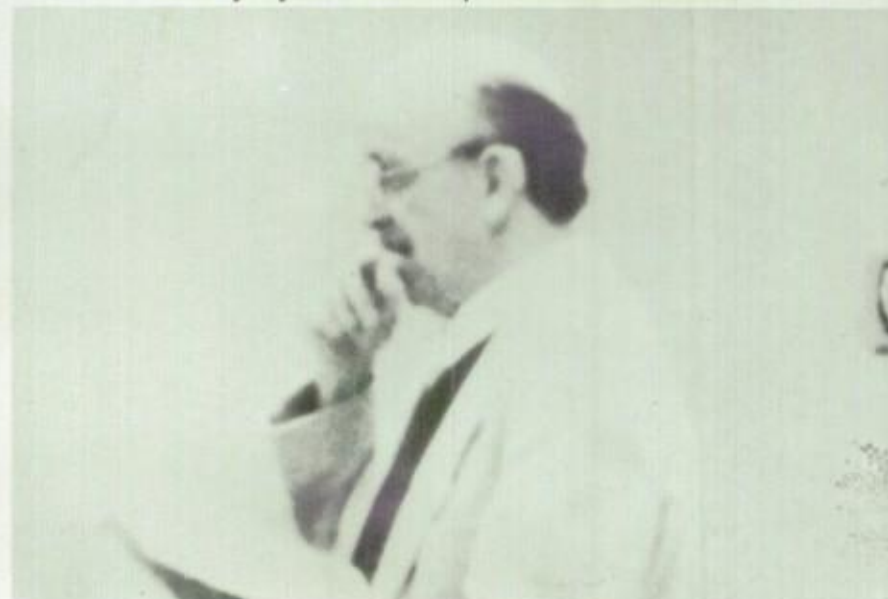

Mrs. Hoag is head librarian.

Mr. Davidson doesn't seem to mind having his picture taken.

Mr. Pryzbylski checks-up on some information.

Mr. Jacobs is head of Co-Op.

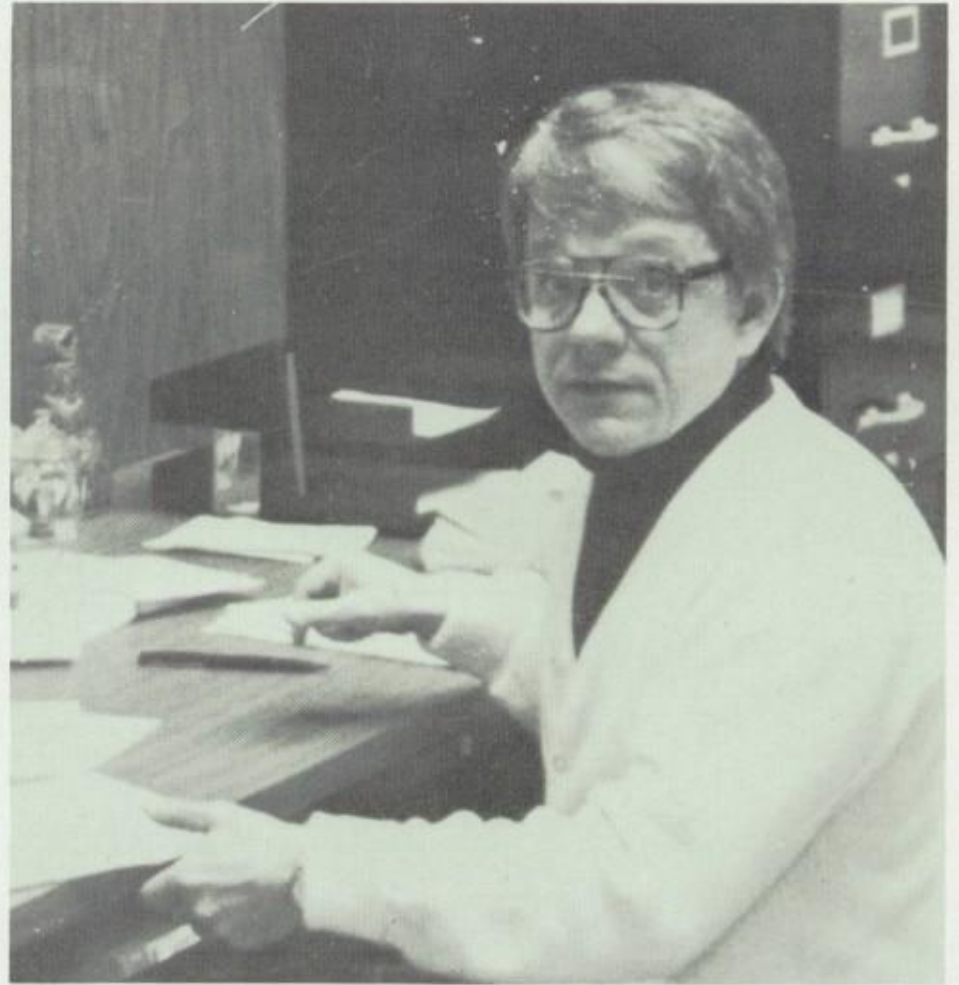

There are five special services at Western. They are all in different areas and help everyone in many ways. Mrs. Wayne is a social worker, Mr. Davidson, Dean of Students, Mr. Pryzbylski takes care of Career Research Development, Mr. Jacobs, Co-Op, and Mrs. Hoag is head librarian.

# Counselors Plan Future for Students

Mr. Mosher looks up from his paper work.

Mr. Brissette takes a break from his busy day.

Mr. Gavril looks serious for the camera.

Mrs. Davis counsels students through school.

The 1979 school year was a complete change from last year. We had four different counselors. They were Mr. Mosher who took care of ABCDEF; Mr. Gavril took FGHJKN; Mr. Brissette took ILMOQR and Mrs. Davis took PSTXW. I'm sure that every student would like to thank them for doing all they could to help them through the school year.

# Secretaries Keep the School Moving

Working diligently at her typewriter is Mrs. Barker, secretary for Mr. Bloenk.

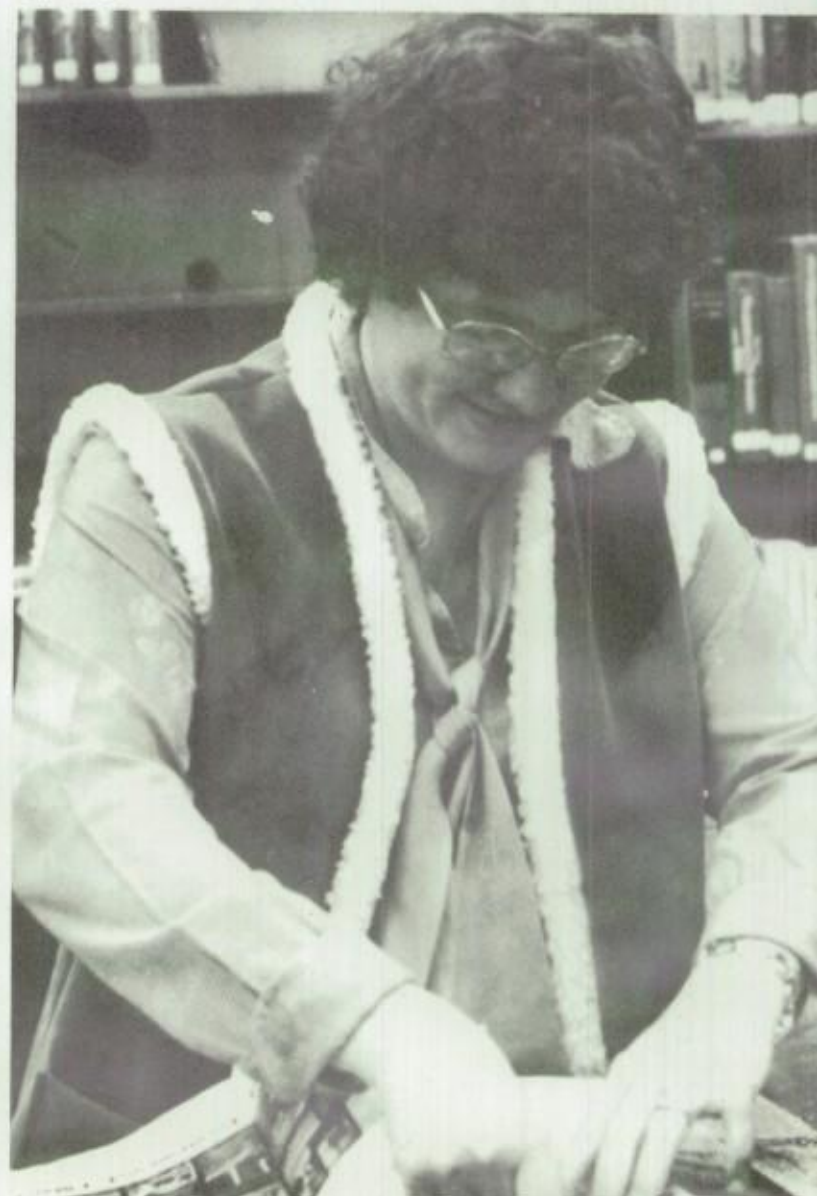

Taking care of the absentees in the attendance office is Mrs. Jammer.

Mrs. Hanczewski is secretary for Mr. Bryant.

The secretaries of Western High School play a very important part. They receive all the calls, letters, and messages. As the slogan goes: "Behind every man of success there's a Woman." That's how you would have to describe these secretaries.

The secretaries are Deb Hanczewski for Mr. Bryant; Maxine Barker for Mr. Bloenk and Mr. Langenburg; Carol Babourin, switchboard; Dorathy Dehmann, high school records; Eileen Doan, Guidance Center; Ruth Wilhite, general secretary; Sue Thomas, library and Kay Linda attendance clerk.

Mrs. Thomas keeps things together in the library.

ing care of money for M&M sales, also switchboard operator, is Mrs. Bourin.

As usual is Mrs. Wilhite working busily at her typewriter.

Mrs. Doan, secretary for the Guidance Center, is busy checking schedules.

Looking through the files is Mrs. Lehmann

Taking care of the attendance records is Mrs. Linda.

# Here Comes

Rose Simons is caught moving from one job to the next.

"Use it up; wear it out; make it work; or do without" is the motto of our very capable custodian staff whose jobs took them into all the corners of our school. Working long hours every day, they provided a valuable service in keeping our school clean. Though we sometimes took them for granted, without their work, our school could not have functioned.

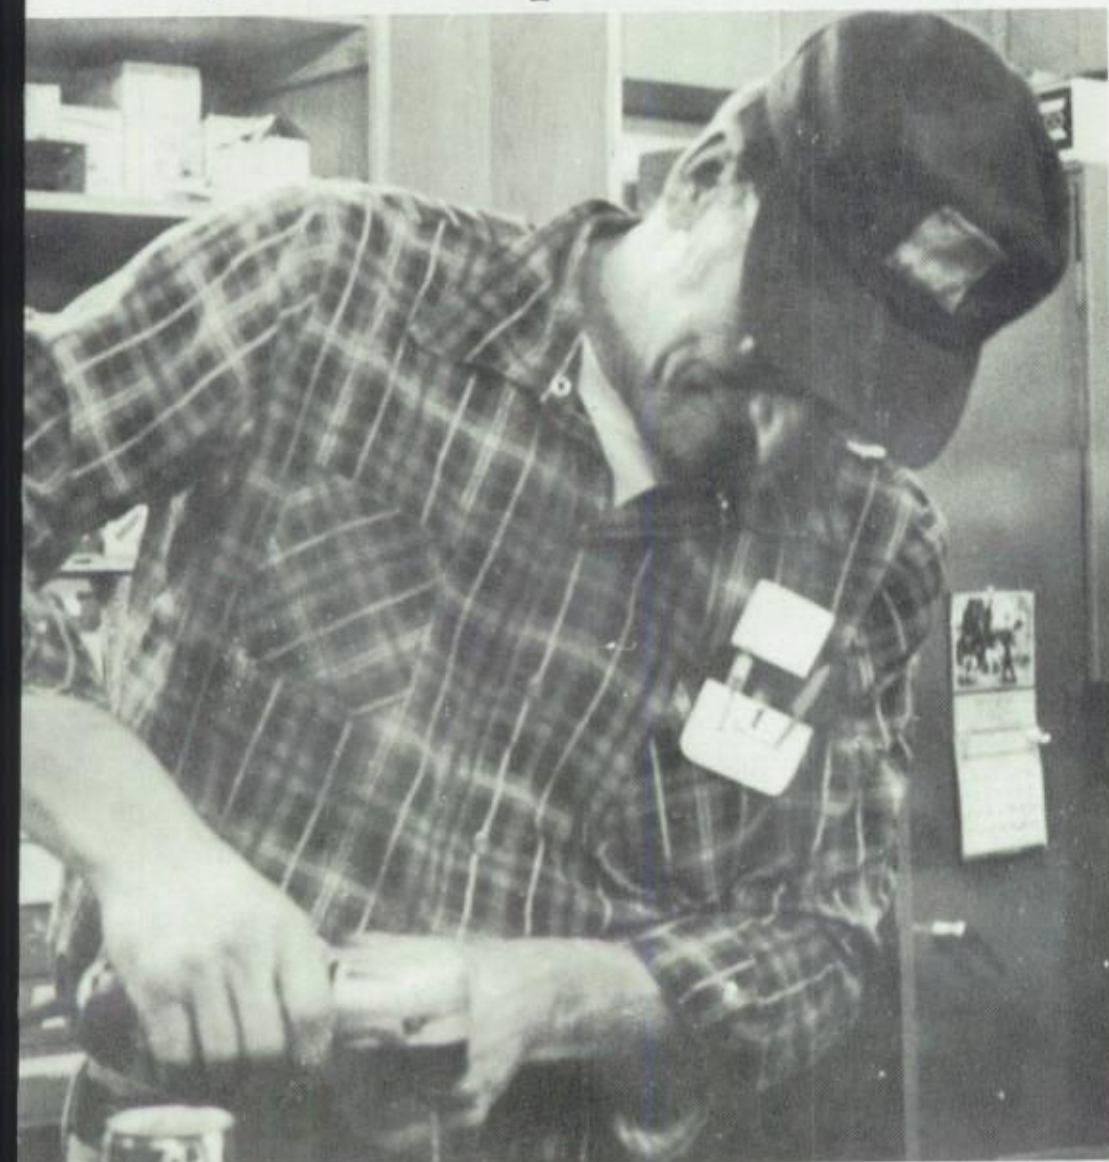

Head Custodian John Owens poses for a picture.

Bob Weber enjoys his break.

# the Job Squad

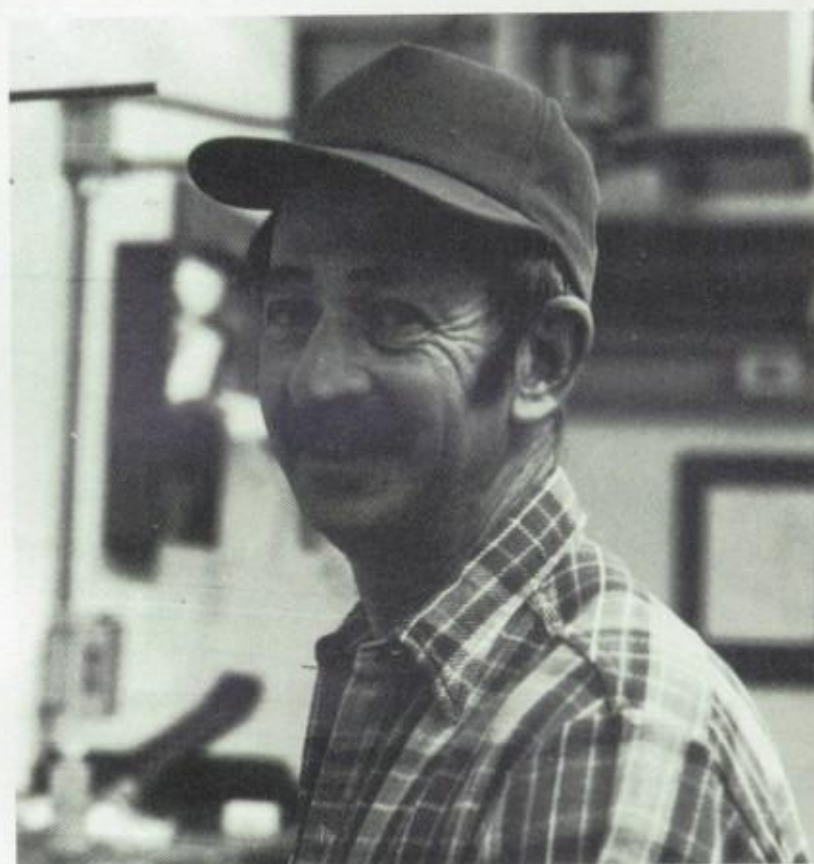

Fixing it right is Harland Holliday.

You can always count on Donna Zessin for a smile.

"Thank God it's Friday!" says Ken Christopherson.

Getting ready for the day is Leonard Bellor.

Rose Simons, Donna Zessin, and Leonard Bellor discuss the day's work.

# What's Cookin'?

Geraldine Bowen helps out in the kitchen.

Olive Rasmer puts the finishing touches on the trays.

Even with only fifteen minutes for lunch, the cafeteria puts on a great lunch program with one of the favorites being pizza. There was always chips, milk and different kinds of snacks to choose from.

Western High School is very fortunate to have these women as part of their kitchen staff.

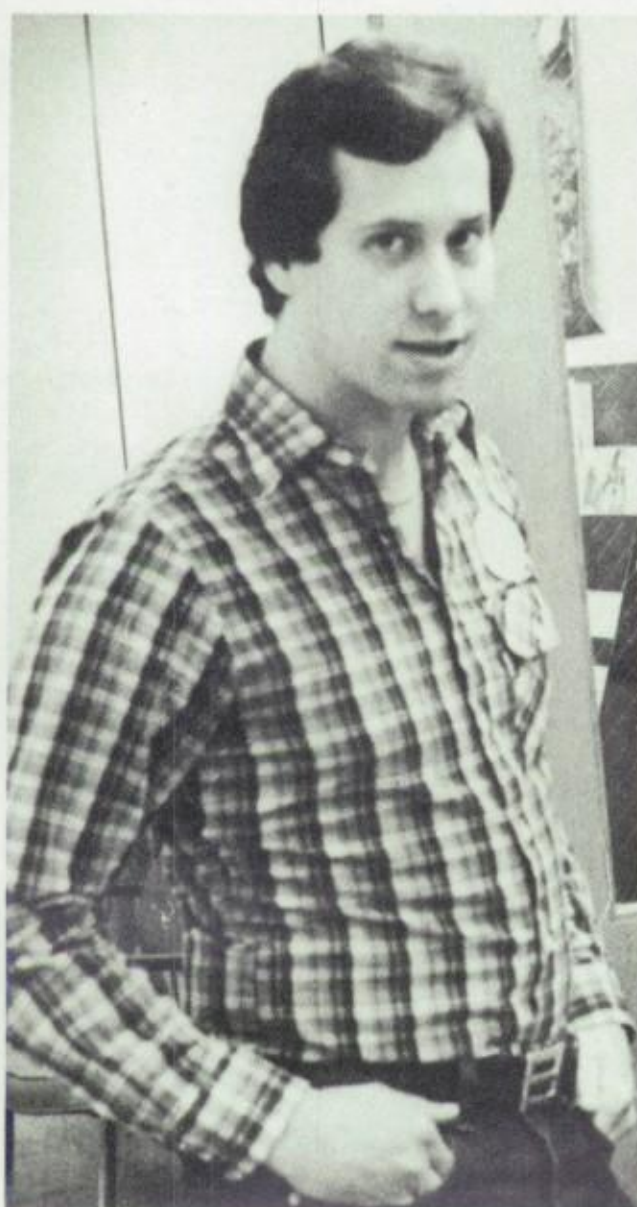

**Back row:** Rita Reiss, Vi Bigford, Virginia LaVasseur, and Grace Ferguson. **Front row:** Doris Bedell, Olive Rasmer, Mary Ellen Matuszewski, Geraldine Bowen, and Alice Kozuch.

# Hall Monitors Watch and Wait

Directing traffic is Penny Wahlfeldt.

Tom Morand checks every little room for students skipping.

Colleen Gorski poses for a picture before hitting the halls again.

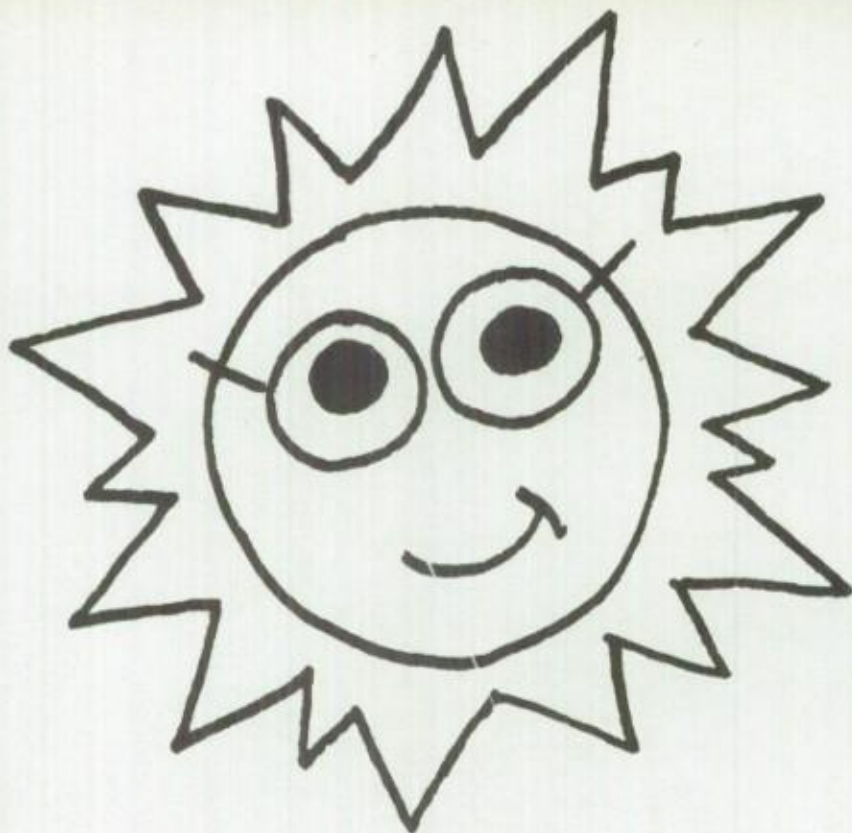

Charlene Flores is one of Western's newest hall monitors.

The hall monitors are a great help to Western High. They keep the noise and number of students down to a minimum during classes. After classes they watch and wait for students running in the halls. They also keep an eye on the parking lot for possible vandalizing, or possible skippers.

Without the hall monitors Western High would be a playground instead of a school. The hall monitors can be your friend if you just obey the rules of the school.

ENDLINE INSURANCE  
SINCE 1915

### CLOWNS, CLOWNS, CLOWNS...

The picture featured on this month's cover represents the very first automobile insured by Endline Insurance Service of Auburn, Michigan. It also represents the Endline's newest advertising gimmick—clowns!

Clown murals have been painted all over the outside of Ken and Diane Endline's combination office and home. Ken said that the clowns have not only been good for the business but he also thinks they have given his clients a more cheerful attitude.

"We all really love him  
For he always wears a smile  
And the funnier his makeup  
The more he is in style.  
May your forth coming Holidays  
Be happy ones."

Well how does it  
feel to become a

one more year &  
we can get out of

really fun having  
you in history

isn't it. Maybe

you're a really nice

better! Take it

SPECIALIZING IN LATE MODEL AUTO PARTS

The time of the year has come that every yearbook editor dreads, writing the editor's page. I have to try and write an entire page without making any grammatical errors. Two and a half years in yearbook class and I still hate writing copy. Oh well, I'll try my best.

First of all, I would like to thank Mr. Dirla and Mr. Hicks. Mr. Dirla took all our team pictures while Mr. Hicks came through time and time again when we needed him. He was able to get us a picture of the queen's court one day after he got his proofs, and he also pushed his lab fast enough to get all the senior pictures he had taken, to us on His help will never be forgotten by us.

I would also like to thank the administrators and teachers for tolerating our photographers and my chronic tardiness to class.

Next comes the core of the yearbook, the staff who did great work all through the year. These kids really gave of themselves in putting out a superb effort. A special thanks to Sandy Walraven for all her work in designing the division pages. Leslie Greenwood did a fantastic job as the business manager. Keeping our books straight is a monumental job. An admirable job was done by Don Furland when he took over for our departed photography editor. Last but not least, let's take the DEVO-crazed Jay Handy. Being the assistant editor takes its toll on a person, but Jay couldn't get any crazier. With his mentality, he will have no trouble taking over a job that only a half-crazed person can stand.

This year's book, just like every one before it, could not have been possible without the superhuman patience and supervision of Miss Judy Ransom. She dedicated many hours of her time to make this book a success. She is also the only person that kept me from maiming some of the photographers when I got upset. Without her, this book would be a shambles. It will be a very sad day for the Concept when she decides to give it up.

Last of all, I would like to thank all of you for making Western the great place that it is.

Chris,  
To one of the biggest parties I know. I remember when I first met you in drivers training all those notes you sent me during the movies. Don't forget all the fun we had driving with a joke. Never forget all the laughs we had in Ferg's room. Even though we didn't learn anything except how to deform ~~course~~ - we sure had alot of laughs. Have a nice summer.  
Love
